INTRODUCTION TO THE *PUBLIC ACCOUNTS OF CANADA*

Nature of the *Public Accounts of Canada*

The *Public Accounts of Canada* is the report of the Government of Canada prepared annually by the Receiver General as required by section 64 of the *Financial Administration Act*. It covers the fiscal year of the Government, which ends on March 31.

The information contained in the report originates from two sources of data:

- the summarized financial transactions presented in the Accounts of Canada, maintained by the Receiver General; and
- The detailed records, maintained by departments and agencies.

Each department and agency is responsible for reconciling its accounts to the control accounts of the Receiver General, and for maintaining detailed records of the transactions in their accounts.

The report covers the financial transactions of the Government during the year. In certain cases, parliamentary authority to undertake transactions was provided by legislation approved in earlier years.

Format of the *Public Accounts of Canada*

The *Public Accounts of Canada* is produced in three volumes.

Volume I presents a summary analysis of the financial transactions of the Government.

Volume II presents the financial operations of the Government, segregated by ministry; and

Volume III presents supplementary information and analyses.

This page has been intentionally left blank.

Canadian Grain Commission Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Canadian Grain Commission Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by management of the Fund in accordance with the significant accounting policies set out in Note 2 of the statements. Some previous year's figures have been reclassified to conform to the current year's presentation.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimate and judgment with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Canadian Grain Commission's financial services develops and disseminates financial management and accounting policies and issues specific directives, which maintains standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded so as to maintain

accountability of Government funds and safeguard the assets under the Fund's administration. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communicating programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

In order to assure maximum objectivity and freedom from bias, these financial statements have been examined by external auditors. The auditors' role is to express an independent opinion as to whether the financial statements present fairly the financial position of the Fund as at March 31, 2006 and the results of operations and the change in financial position for the year ended in accordance with the accounting principles for revolving funds of the Government of Canada. This opinion has been appended to these financial statements. The audit committee of the Fund has approved the issuance of the financial statements.

The costing model has been in place for five years and will assist in the costing of fees to comply with *User Fees Act* requirements.

1.2 FINANCIAL STATEMENTS OF REVOLVING FUNDS

Canadian Grain Commission Revolving Fund—Continued

AUDITORS' REPORT

TO THE CHIEF COMMISSIONER AND COMMISSIONERS
OF THE CANADIAN GRAIN COMMISSION REVOLVING FUND

We have audited the statement of financial position of the Canadian Grain Commission Revolving Fund as at March 31, 2006 and the statements of operations, change in excess of financial assets over liabilities, accumulated surplus and cash flows for the year then ended. These financial statements are the responsibility of the Revolving Fund's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Revolving Fund as at March 31, 2006 and the results of its operations and its change in excess of financial assets over liabilities and cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Canadian Grain Commission Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)

1. Authority and objectives

The Canadian Grain Commission (CGC) derives its authority from the *Canada Grain Act*. The CGC's mandate as set out in the Act is to, in the interest of producers, establish and maintain standards of quality for Canadian grain and regulate grain handling in Canada, to ensure a dependable commodity for domestic and export markets.

In May 2005, Parliament passed Bill C-40, an act to amend the *Canada Grain Act* and *Canada Transport Act*, which requires an independent and comprehensive review of the CGC and of the provisions and operations of the *Grain Act*. The recommendations are to be presented to the Parliament on August 1, 2006.

2. Significant accounting policies

The financial statements have been prepared in accordance with accounting standards issued by the Treasury Board of Canada Secretariat which are consistent with Canadian generally accepted accounting principles for the public sector.

The significant accounting policies are as follows:

Revenue and expense recognition

Revenue is recognized in the accounting period in which it is earned through the provision of goods or services, or when an event giving rise to a claim has taken place. Revenues that have been received but not yet earned are presented as deferred revenues. Deferred revenue is primarily related to licensing fees received which cover a 12 month period.

Unless otherwise disclosed, expenses are recorded in the period they are incurred.

Parliamentary appropriation

The ongoing Parliamentary appropriation received for the Appointments by the Governor in Council of Assistant Commissioners and Grain Research Laboratory expenditures has been recorded as revenue of the Canadian Grain Commission Revolving Fund (the Revolving Fund).

Parliamentary appropriations relating to employee severance entitlements earned prior to April 1, 1995 are recorded as an account receivable from the Treasury Board when paid by the Canadian Grain Commission.

Accumulated net charge against the Fund's authority

The accumulated net charge against the Fund's authority (ANCAFA) represents the amount of the Fund's non-lapsing authority that has been used since inception of the Fund.

Accounts receivable

Accounts receivable are stated at amounts expected to be ultimately realized. Allowances are established for all accounts for which interest or principal payments are 90 days past due.

Non-financial assets

Non-financial assets and tangible capital are accounted for as assets by the CGC to be used to provide services in future periods. These assets do not normally provide resources to discharge the liabilities of the CGC unless they are sold.

Tangible capital assets

Certain assets previously under the custody of the Department of Agriculture and Agri-Food Canada were assumed by the Revolving Fund on April 1, 1995. The assumed assets were considered to be contributed capital and recorded at the Crown's estimated net book value. Assets acquired subsequent to April 1, 1995 are recorded at cost. Proceeds from the disposal of capital assets are retained by the Revolving Fund.

All tangible capital assets and leasehold improvements with a cost equal to or greater than \$10,000 are capitalized at their acquisition cost.

Assets are amortized on a straight-line basis over their estimated useful lives, commencing in the month after acquisition, as follows:

Scientific equipment	5 years
Office equipment and furniture	5 years
Operational equipment	5-10 years
Computer equipment and software	3 years
Leasehold improvements	5 years

Vacation pay

Vacation pay and compensatory leave are expensed as the benefits accrue to employees under their respective terms of employment and are recorded in the accounts at year end based on employee records.

Employee severance benefits

Severance benefits accrue to employees over their years of service with the Government of Canada as stipulated in their collective agreements. The CGC provides for the severance entitlements earned by employees subsequent to March 31, 1995. No accrual has been made in these financial statements for severance entitlements earned by employees up to March 31, 1995. They represent an obligation of the CGC that will be funded by the Treasury Board.

Canadian Grain Commission Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)—Continued

Pension plan

Employees of the CGC are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefit charge assessed against the Revolving Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts. Current legislation does not require the CGC to make contributions for any actuarial deficiencies of the Public Service Superannuation account.

Interest on drawdown

Interest is charged to the Revolving Fund at a rate set by the Treasury Board. Interest charges are calculated monthly on the balance of the accumulated net charge against the Fund's authority. The Treasury Board does not pay interest when a surplus arises that results in no drawdown against the authority.

Measurement uncertainty

The preparation of these financial statements in accordance with Canadian generally accepted accounting principles, requires management to make estimates and

assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities as at the date of the financial statements and the reported amounts of revenue and expenses during the periods covered by the financial statements. The principle financial statement components subject to measurement uncertainty include salaries payable related to unsettled labour contracts, the useful life of tangible capital assets and the liability for employee severance benefits. Actual results could differ from those estimated. Management's estimates are reviewed periodically and, as adjustments become necessary, they are recorded in the financial statements in the year they become known.

3. Accounts receivable

	2006	2005
Receivables from related parties (Note 11)	507	804
Outside parties	5,161	4,701
	5,668	5,505
Less: Allowance for doubtful accounts	(660)	(123)
	5,008	5,382

4. Tangible capital assets

	Cost				Accumulated amortization				Net book value	
	Opening balance	Acquisitions	Disposals	Closing balance	Opening balance	Amortization	Decrease	Closing balance	2006	2005
Scientific equipment	7,045	1,604	83	8,566	4,651	1,163	83	5,731	2,835	2,394
Office equipment and furniture	981	6	17	970	926	50	16	960	10	55
Operational equipment	647	20	12	655	426	62	12	476	179	221
Computer equipment and software	7,655	384	143	7,896	6,018	750	143	6,625	1,271	1,637
Leasehold improvements	4,780	55		4,835	3,374	447		3,821	1,014	1,406
	21,108	2,069	255	22,922	15,395	2,472	254	17,613	5,309	5,713

During the year, tangible capital assets with a historical cost of \$298,000 and an accumulated amortization balance of \$298,000 were transferred to the CGC from a related party. Management has determined that these tangible capital assets continue to be utilized and are currently in service.

Canadian Grain Commission Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)—Continued

5. Deferred revenue

	2006	2005
Appropriation revenue carry forward (Note 7)		219
Deferred license revenue	74	74
Other deferred revenue	2	19
	<u>76</u>	<u>312</u>

6. Employee severance benefits

The CGC provides severance benefits to its employees based on eligibility, years of service and final salary. These benefits are funded through a monthly salary accrual. The CGC uses an estimated rate of 2.25 percent to calculate the liability for employee severance benefits. The severance benefits earned by employees prior to April 1, 1995 are funded by the Treasury Board Secretariat.

	2006	2005
Employee severance benefits—		
Beginning of year	4,982	4,556
Expense for the year	842	654
Benefits paid during the year	(214)	(228)
Employee severance benefits—		
End of year	<u>5,610</u>	<u>4,982</u>

7. Parliamentary appropriations

The CGC is funded by a combination of an ongoing appropriation, special appropriation, authority to re-spend fees collected and a revolving line of credit of \$2,000,000. The Revolving Fund line of credit has been frozen since fiscal year 2003-2004. The CGC has developed and is pursuing sustainable long-term options to address the evolving needs of the grain industry in a financially stable manner.

Items recognized in the statement of operations and the statement of financial position in one year may be funded through parliamentary appropriations in prior, current or future years. Accordingly the CGC has different net results of operation for the year on a government funding basis than on an accrual accounting basis. The differences are reconciled in the following tables.

A non-specific expenditure reduction of \$6,413,600 was made to the 2005-2006 budget, which is reflected in Other expenditures. The budget total for Other expenditures was \$1,201,861, exclusive of this budget expenditure reduction.

Net cost of operations equals total revenue less special and parliamentary appropriation revenue less total expenses.

Reconciliation of net cost of operations to current year appropriations used

	2006	2005
Net cost of operations	31,373	27,343
Items affecting net cost of operations but not affecting appropriations		
Unused appropriations carry-forward	(219)	219
Termination benefit reimbursement	519	244
Frozen allotment—Advertising		12
Collective agreement settlement		(119)
Accumulated surplus utilized	(4,068)	(5,514)
Current year appropriation funds used	<u>27,605</u>	<u>22,185</u>

Appropriation provided

	2006	2005
Special appropriation and other	22,312	16,336
Parliamentary appropriation	5,293	5,849
Current year appropriation funds provided	<u>27,605</u>	<u>22,185</u>

Reconciliation of appropriation revenue

	2006	2005
Special appropriation revenue	21,000	15,000
Governor General warrants	1,312	
Supplementary estimates		891
Unused appropriation carry-forward	219	
Termination benefit reimbursement	(519)	(244)
Internal audit		69
Revolving Fund surplus		(127)
Collective agreement settlement		391
	<u>22,012</u>	<u>15,980</u>
Parliamentary appropriation	5,293	5,849
Total appropriation revenue	<u>27,305</u>	<u>21,829</u>

The Federal Government's funding arrangements with the CGC provided for a \$21,000,000 special appropriation to allow the CGC to continue delivery of its mandate.

Appointments

The costs associated with the appointments by the Governor in Council of the Assistant Commissioners are covered by Parliamentary appropriation. These amounts are included in the financial statements and are summarized as follows:

Canadian Grain Commission Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)—Continued

	2006	2005
Salaries and employee benefits	747	669
Travel and relocation	86	61
Rent	36	29
Repairs, supplies and miscellaneous	17	11
Professional and special services	23	22
Communications	37	38
Employee severance benefits	12	4
Postage and freight	4	4
Appointments parliamentary appropriation revenue	962	838

Grain research laboratory

A portion of the costs incurred by the Revolving Fund for the Grain Research Laboratory were covered by Parliamentary appropriation. These amounts are included in the financial statements and are summarized as follows:

	2006	2005
Salaries and employee benefits	3,010	3,436
Travel and relocation	141	138
Rent	617	585
Repairs, supplies and miscellaneous	330	559
Professional and special services	101	132
Communications	55	92
Employee severance benefits	50	32
Postage and freight	27	37
Grain Research Laboratory Parliamentary appropriation revenue	4,331	5,011
Appointments Parliamentary appropriation revenue	962	838
Total Parliamentary appropriation revenue	5,293	5,849

The Parliamentary appropriation for fiscal year 2004-2005 was \$6,068,000. The amount of \$219,000 (within the allowable 5 percent carry forward) was accessed through the 2005-2006 supplementary process.

8. Accumulated net charge against the Revolving Fund's authority

Accumulated net charge against the Revolving Fund's authority is comprised of the following amounts:

	2006	2005
Allowance for employee termination benefits	5,610	4,982
Change in working capital	(48)	678
Resources available for operational purposes	2,734	6,505
Total accumulated net charge against the Fund's authority	8,296	12,165

9. Lease commitments

Operating leases for office accommodation have been primarily entered into with Public Works and Government Services Canada. Three major leases expire at the end of fiscal year 2006-2007. Future minimum lease payments over the next five years are as follows:

2007	3,466
2008	342
2009	142
2010	142
2011 and thereafter	138
	4,230

10. Contingent liabilities

Claims have been made against the CGC in the normal course of operations. Management believes that these claims are without merit. The outcome of these actions is not presently determinable and, accordingly, no provision for these claims has been made in these financial statements.

Employees are permitted to accumulate unused sick leave. However, such leave entitlements do not vest and may only be used in the event of illness. The amount of accumulated sick leave entitlements that will become payable in future years cannot reasonably be determined. Accordingly, no amount has been accrued in these financial statements. Payments of sick leave benefits are included in current operations as incurred.

11. Related party transactions

The CGC is related in terms of common ownership to all Government of Canada departments, agencies and Crown corporations. The CGC enters into transactions with these entities at arms length in the normal course of business and on normal trade terms. In addition, the CGC received services from other Government departments.

Services provided by other Government departments

During the year, the CGC paid rent and certain professional services to other Government departments or agencies. Employer's health insurance plan contributions and employee benefit plans were also provided by and paid to other Government departments. Significant services have been recognized in the CGC statement of operations as follows:

Canadian Grain Commission Revolving Fund—Concluded

NOTES TO FINANCIAL STATEMENTS (in thousands of dollars)—*Concluded*

	2006	2005
Employer's contribution to employee benefit plans	11,251	10,523
Rent	3,585	3,577
Professional and special services		
Audit and accounting services	421	310
Consulting services	122	83
Legal services	150	125
Translation services	121	151
	<u>15,650</u>	<u>14,769</u>

Included in accounts payable and receivable at year end are the following amounts with related parties:

	2006	2005
Accounts receivable.	507	804
Accounts payable.	440	924

In fiscal 2006, contributions in kind were provided to Automated Quality Testing Program at a fair value of \$5,215 (2005—\$29,302) for financial services, employee salaries, employee benefits, amortization of existing tangible capital assets, overhead and rental charges.

12. Financial instruments

The Revolving Fund's financial instruments consist of accounts receivable and accounts payable and accrued liabilities. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Revolving Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

13. Insurance

In accordance with the Government's policy of self-insurance, the CGC does not carry its own insurance.

14. Income taxes

The CGC is not subject to income taxes.

15. Comparative information

Certain comparative figures have been restated to conform to the current year's presentation.

Canadian Intellectual Property Office Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Canadian Intellectual Property Office Revolving Fund (the "Fund") as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts, which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Fund's directorate of financial services develops and disseminates financial management and accounting policies and issues specific directives, which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are

properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

At the request of the Fund, these financial statements have been examined by external auditors, their role being to express an opinion as to whether the financial statements present fairly the financial position as at March 31, 2006 and the results of operations and cash flow for the year then ended in accordance with the accounting principles for revolving funds of the Government of Canada as described in Note 2 to the financial statements.

AUDITORS' REPORT

TO THE DEPUTY MINISTER, INDUSTRY CANADA

We have audited the statement of financial position of the Canadian Intellectual Property Office Revolving Fund as at March 31, 2006 and the statements of operations and net assets, accumulated surplus and cash flow for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities and the *Revolving Funds Act*. These financial statements are the responsibility of the management of the Canadian Intellectual Property Office Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Canadian Intellectual Property Office Revolving Fund as at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with the accounting principles for revolving funds of the Government of Canada as described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Revolving Fund and the Treasury Board of Canada Secretariat for reporting on the use of the Fund authority. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

Canadian Intellectual Property Office Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS

1. Purpose and authority

The Canadian Intellectual Property Office Revolving Fund (the “Fund”) grants or registers exclusive ownership of intellectual property in Canada. In exchange, the Fund acquires intellectual property information and state-of-the-art technology which it disseminates to Canadian firms, industries and individuals to improve economic performance, competitiveness and to stimulate further invention and innovation.

The Fund was established on April 1, 1994. The authority to make expenditures out of the Consolidated Revenue Fund, was granted on February 22, 1994 and has an authorized limit of \$15,000,000. During the fiscal year ended March 31, 2002, the Fund’s authorized limit was reduced from \$15,000,000 to \$5,000,000. The Fund has continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits. The Fund may retain surpluses to continue to automate operations.

2. Significant accounting policies

Basis of accounting

The financial statements have been prepared in accordance with the reporting requirements for revolving funds described by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because: services received without charge from other government departments are not reported as expenses; the expenses and liability for termination benefits excludes the portion not funded by the Fund; and contingent liabilities are disclosed rather than recorded. The significant accounting policies are as follows:

Revenue recognition

Revenue derived from processing patent, trade-mark and industrial design applications is recognized using the percentage of completion method as work progresses. Fees received in advance of work being completed are recorded as deferred revenues. When work is completed prior to the receipt of the fee, the amount is recorded as unbilled revenue. Maintenance fees and other revenue are recognized upon receipt. Fees are prescribed by various Orders in Council.

Capital assets and amortization

Capital assets are recorded at cost. Capital assets are amortized on a straight-line basis over their estimated useful lives, beginning in the month after acquisition, as follows:

Software	3 years
Hardware	3-5 years
Furniture	10 years
Equipment	10 years
Leasehold improvements	5 years
Systems	Estimated useful life, beginning in the year of deployment

Deferred capital assistance

The Fund received \$63,848,000 from the Crown for the development of the Techsource automation project, which was implemented in 1997-98. The deferred capital assistance is amortized on a straight-line basis over the estimated useful life of the Techsource system.

Employee termination benefits

Employees of the Fund are entitled to specified termination benefits, calculated based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. Employee termination benefits earned prior to an employee joining the Revolving Fund are a liability of the Treasury Board and accordingly have not been recorded in the accounts. As at March 31, 2006, the Treasury Board liability for the Fund’s employees is \$4.8 million (2005—\$5.0 million). The liability for benefits earned after an employee joins the Revolving Fund is recorded in the accounts as the benefits accrue to employees.

The Treasury Board will only fund this portion of the past services up to and including the fifteenth year of the revolving fund’s operation ; in 2009-2010, the long-term liability account for termination benefits will be adjusted accordingly with an offset against the revolving fund’s accumulated deficit/surplus account.

Pension plan

Employees of the Fund are covered by the Public Service Superannuation Plan administered by the Government of Canada. Under present legislation, contributions made by the Fund to the Plan are limited to an amount equal to the employee’s contributions on account of current service. These contributions represent the total pension obligations of the Fund and are charged to operations on a current basis. The Fund is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account and/or with respect to charges to the Consolidated Revenue Fund for the indexation of payments under the *Supplementary Retirement Benefits Act*.

Canadian Intellectual Property Office Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS— Continued

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Capital assets, revenues and human resource related accrued liabilities are the most significant items for which estimates are used. Actual results could differ from those estimates. These estimates are reviewed annually and as adjustments become necessary, they are recorded in the financial statements in the period in which they become known.

3. Capital assets and accumulated amortization

	Cost March 31, 2005	Additions	Cost March 31, 2006	Accumulated amortization	Net carrying value
	(in thousands of dollars)				
Leasehold improvements	17,426	3,178	20,604	14,925	5,679

4. Deferred capital assistance

	2006	2005		2006	2005
	(in thousands of dollars)			(in thousands of dollars)	
Deferred capital assistance			Accumulated net charge against the		
contribution	63,848	63,848	Fund's authority	(131,695)	(101,480)
Less: accumulated amortization	55,868	49,483	Accumulated surplus	69,406	56,112
Net book value	7,980	14,365	Net assets/liabilities	(62,289)	(45,368)

5. Net assets/liabilities

Accumulated net charge against the Fund's authority

Accumulated net charge against the Fund's authority is the cash position of the Revolving Fund, held by the Government on behalf of the Revolving Fund.

Accumulated surplus

The accumulated surplus is an accumulation of each year's surpluses including the absorption of the opening deficit of \$9,448,000 upon establishment of the Revolving Fund.

6. Commitments

TechSource

The Fund has contracted Government Telecommunication and Informatics Services to provide maintenance services for the TechSource System. Amounts committed are:

	(in thousands of dollars)
2007	5,709
2008	5,941
2009	6,188
2010	6,442
	<u>24,280</u>

Canadian Intellectual Property Office Revolving Fund—Concluded

NOTES TO FINANCIAL STATEMENTS— Concluded

The Fund has contracted for the application development and maintenance support of the Continued Systems Improvements Program (CSIP) by which the Fund's systems and infrastructure are kept intact and improved upon in a controlled manner on a continuous basis. The maximum commitments are up to:

	(in thousands of dollars)
2007	3,656
2008	2,437
	<u>6,093</u>

The Fund has operating leases for its premises from PWGSC. Future lease payments are as follows:

	(in thousands of dollars)
2007	6,870
2008	6,639
2009	4,655
	<u>18,164</u>

7. Changes in working capital

Components of the changes in current assets and liabilities include:

	2006	2005
	(in thousands of dollars)	
Accounts receivable (net of bad debt)	(90)	(575)
Unbilled revenues (short term)	1,437	1,016
Prepaid expenses	(138)	(8)
Deposit accounts	378	333
Accounts payable	2,088	(2,300)
Deferred revenues (short term)	6,144	5,563
	<u>9,819</u>	<u>4,029</u>

8. Related party transactions

Through common ownership, the Fund is related to all Government of Canada created departments, agencies and Crown corporations. Payments for accommodation, translation, legal services, compensation and benefits services, mail services, security services and mainframe and computing services are made to related parties in the normal course of business.

9. Insurance

The Fund does not carry insurance on its property. This is in accordance with the Government of Canada policy of self-insurance.

10. Contingencies

Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements do not vest and can be used only in the event of illness. The amount of accumulated sick leave entitlements which will become payable in future years cannot reasonably be determined and accordingly have not been recorded in the accompanying financial statements. Payments of sick leave benefits are included in current operations as incurred.

11. Income taxes

The Fund is not subject to income taxes.

Canadian Pari-Mutuel Agency Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Canadian Pari-Mutuel Agency Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by the management of the Fund in accordance with significant accounting policies set out in Note 2 of the statements and Canadian generally accepted accounting principles, on a basis consistent with that of the preceding year. Some previous years' figures have been reclassified to conform to the current year's presentation.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. To assure maximum objectivity and freedom from bias, the financial data contained in these financial statements has been reviewed by the Finance Team of the Department. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Fund's directorate of management services develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Canadian Pari-Mutuel Agency Revolving Fund—Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Canadian Pari-Mutuel Agency Revolving Fund was established under *Appropriation Act No. 1, 1970*, which authorized the operation of the Fund in the current and subsequent fiscal years in accordance with terms and conditions prescribed by Treasury Board for the purpose of providing race track supervision in Canada. The *Appropriation Act No. 1, 1970* was repealed and replaced by section 2 of the *Revolving Funds Act* in 1985.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$2,000,000 at any time.

Charges to the Fund are to include administration expenses of the Agency and costs of research relating to the use of drugs on horses and race surveillance techniques including the publication, distribution and sale of the results of such research. All revenues from activities approved by Treasury Board are to be credited to the Fund.

The use of the Fund's authority is monitored through the accumulated net charge against the Fund's authority account. It is composed of the cumulative net cash transactions through the Consolidated Revenue Fund, the original net assets transferred to the Fund at inception and any subsequent write-offs of deficit or surplus. The change in this account during the year represents the net financial resources used or provided by the Fund.

2. Significant accounting policies

The financial statements have been prepared in accordance with accounting standards issued by the Treasury Board of Canada Secretariat which are consistent with Canadian generally accepted accounting principles for the public sector.

The significant accounting policies are as follows:

(a) Revenues and expenses

Revenues and expenses are recorded on the accrual basis of accounting.

(b) Capital assets

Capital assets, acquired from parliamentary appropriations prior to April 1, 1970 are recorded in the Fund in accordance with Treasury Board Circular 1970-7 at values determined as at that date by officers of the Department. Subsequent acquisitions are recorded in the Fund at cost and are amortized from the year of the acquisition on a straight-line basis over their estimated useful lives as follows:

Furniture and equipment	10 years
Electronic data processing equipment	3 years
Motor vehicles and other vehicles	8 to 10 years
Buildings	20 to 25 years
Leasehold improvements	lesser of useful life or term of the lease

(c) Pension plan

Employees of the Canadian Pari-Mutuel Agency operating the Supervision Revolving Fund are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government's portion of the pension cost is included in the employee benefits assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and the Supplementary Retirement Benefits Account.

(d) Employee termination benefits

Employees of the Fund are entitled to specified termination benefits, calculated based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. The cost of these benefits is recorded in the accounts as the benefits accrue to the employees.

(e) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. The more significant areas requiring the use of estimates relate to employee termination benefits and to accrued liabilities. Actual results could differ from those estimates. These estimates are reviewed annually and as adjustments become necessary, they are recorded in the financial statements in the period in which they become known.

	<u>1,227</u>		<u>1,090</u>

4. Restatement of comparative figures

The comparative figures for accrued liabilities and equity have been respectively increased and decreased by \$10,000 to reflect contingent liabilities previously recorded by central agencies of the Government of Canada.

5. Comparative numbers

The comparative numbers have been reclassified to conform to the current year presentation.

Consulting and Audit Canada Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Consulting and Audit Canada Revolving Fund as required by the Treasury Board Policy on Special Revenue Spending Authorities, and in accordance with relevant reporting requirements and standards of the Receiver General for Canada. The financial statements were prepared in accordance with the significant accounting policies set out in Note 2 to the financial statements, applied on a basis consistent with that of the preceding year.

Primary responsibility for the integrity and objectivity of data in these financial statements rests with management of the Fund. This responsibility is discharged by the Finance Branch which develops and disseminates financial management and accounting policies and directives to maintain appropriate standards of financial management, accounting and reporting.

Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfil its accounting and reporting responsibility, the Fund maintains a set of accounts which provide a centralized record of the Fund's financial transactions, and maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. These systems and controls are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and to safeguard assets under the Fund's administration. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection,

training and development of qualified staff, by the organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

These financial statements were audited by an external professional public accounting firm in accordance with Canadian generally accepted auditing standards. The role of the auditor was to provide an independent opinion as to whether the financial statements present fairly, in all material respects, the Fund's financial position at March 31, 2006 and the results of its operations and cash flow for the year then ended. The Auditors' Report (opinion) is appended to the financial statements.

Financial information contained in ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with information contained in these financial statements, unless otherwise indicated.

1. 22 FINANCIAL STATEMENTS OF REVOLVING FUNDS

Consulting and Audit Canada Revolving Fund—Continued

AUDITORS' REPORT

TO THE DIRECTOR GENERAL, AUDIT AND EVALUATION
BRANCH PUBLIC WORKS AND GOVERNMENT SERVICES
CANADA

We have audited the statement of financial position of the Consulting and Audit Canada Revolving Fund as at March 31, 2006 and the statements of operations and net liabilities and cash flows for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities. These financial statements are the responsibility of the management of the Consulting and Audit Canada Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Consulting and Audit Canada Revolving Fund as at March 31, 2006, and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting as disclosed in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Consulting and Audit Canada Revolving Fund and the Treasury Board of Canada Secretariat to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

Consulting and Audit Canada Revolving Fund—Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

Consulting and Audit Canada (CAC) is a Special Operating Agency that provides, on an optional and fee-for-services basis, consulting and audit services to federal Government departments and agencies across Canada. Services may also be made available to foreign governments and international organizations.

CAC is financed by means of the Consulting and Audit Canada Revolving Fund, effective April 1, 1992. Under paragraph 55.5.4(3) of the *Department of Public Works and Government Services Act*, the Fund was initially provided with a line of credit to a maximum of \$30,000,000 to fund operations. This limit was later adjusted by \$4,899,387 to \$25,100,613 by the Treasury Board (TB decision #826332 dated November 5, 1998) to reflect an adjustment to the spending authority.

In 2001-2002, in accordance with Section 12 of the *Revolving Funds Act*, and through the 2001-2002 Supplementary Estimates (B) (TB decision #829420 dated December 6, 2001) the draw down authority was reduced from \$25,100,613 to \$20,000,000.

In addition, the Revolving Fund receives funding by way of a separate vote, to cover the net draw down authority used in order to comply with the Policy on Special Revenue Spending Authorities. The amount received in 2005-2006 was \$4,799,600 (2004-2005: \$nil).

2. Significant accounting policies

The financial statements have been prepared in accordance with accounting standards issued by the Treasury Board of Canada Secretariat. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles for the public sector because the expenses and liability for employee termination benefits exclude the portion not funded by the Fund.

The significant accounting policies are as follows:

(a) Use of estimates

The preparation of financial statements in accordance with the reporting requirements for revolving funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

(b) Revenues and expenses

Revenues and expenses are recorded using the accrual basis of accounting.

(c) Capital assets

Capital assets are stated at cost and are amortized commencing the month after acquisition on a straight-line basis over their estimated useful economic lives as follows:

<u>Category</u>	<u>Estimated useful economic lives</u>
Informatics hardware	3 to 5 years
Informatics software	3 years
Leasehold improvements	5 years

(d) Pension plan

Employees of CAC are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

(e) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

No accrual is made for severance entitlements on service prior to April 1, 1992. Benefits earned prior to April 1, 1992 and estimated at \$1,987,094 (2004-2005: \$2,861,305) represent an obligation of CAC and will be funded by the Treasury Board.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

	<u>103,293</u>	<u>124,752</u>

7. Contractual obligations

CAC leases its premises and office equipment under operating leases. The head office lease is being renewed on an annual basis. Future payments for the existing leases are as follows:

Year ending March 31	(in thousands of dollars)
2007	1,813
2008	515
2009	164
2010	14
	<u>2,506</u>

8. Changes in working capital

	2006	2005	Changes
	(in thousands of dollars)		
Current assets	13,495	20,888	7,393
Current liabilities	13,280	17,609	(4,329)
			<u>3,064</u>

9. Financial instruments

The Revolving Fund's financial instruments consist of cash, accounts receivable and accounts payable. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Revolving Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

CORCAN Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the CORCAN Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Fund's directorate of financial services develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are

designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Management has presented the financial statements to the Fund's external auditor, Ernst & Young, who audited them and has provided an independent opinion which has been appended to these financial statements.

CORCAN Revolving Fund—Continued**AUDITORS' REPORT**

TO THE COMMISSIONER OF CORRECTIONAL SERVICES
CANADA

We have audited the statement of financial position of CORCAN Revolving Fund as at March 31, 2006 and the statements of operations, net assets and cash flows for the year then ended. These financial statements have been prepared to comply with Section 6.4 of the Treasury Board of Canada's policy on special revenue spending authorities. These financial statements are the responsibility of CORCAN's Revolving Fund management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of CORCAN Revolving Fund as at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting as described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Revolving Fund and the Treasury Board. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

CORCAN Revolving Fund—Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

CORCAN Revolving Fund is a special operating agency within Correctional Service Canada financed by way of a Revolving Fund. The CORCAN Revolving Fund ("CORCAN" or "the Fund") was established under *Appropriation Act No. 4, 1991-92*, which authorized the operation of the Fund effective April 1, 1992 in accordance with terms and conditions prescribed by Treasury Board. CORCAN Revolving Fund's purpose is to aid in the safe reintegration of offenders into Canadian society by providing employment and training opportunities to offenders incarcerated in federal penitentiaries and, for brief periods of time, after they are released into the community. The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$5,000,000 at any time. An amount of \$15,218,000 representing net assets assumed by the Fund was charged to this authority when the Fund became operative on April 1, 1992. The Fund is a non-taxable entity.

2. Significant accounting policies

The accompanying financial statements have been prepared in accordance with the reporting requirements for revolving funds as prescribed by Treasury Board. Preparation requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles as follows: (1) The obligation for employee termination benefits is based on management's estimate of the liability and not an actuarial valuation; and (2) The liability for employee termination benefits earned prior to the creation of the Fund will not be recorded until 2008, the fifteenth anniversary of the Fund (see Note 8).

The significant accounting policies are as follows:

Recognition of revenue and expense

Except as noted below, the Fund recognizes revenue when persuasive evidence of a final agreement exists, delivery has occurred and services have been rendered, the selling price is fixed or determinable and collectibility is reasonably assured.

For multi-year construction contracts in excess of \$100,000 the percentage of completion method of accounting is used. Degree of completion is determined by comparing direct costs incurred to date to the total direct costs anticipated for the entire contract. The effect of changes to the total estimated income for each contract is

recognized in the period in which the determination is made and losses, if any, are recognized fully when anticipated. Profits on construction contracts of up to \$100,000 are recognized when the contract has been substantially completed.

Expenses are recorded in the period they are incurred.

Inventories

Raw materials, Finished Goods and Work in Process inventories are valued at the lower of cost and net realizable value. The Fund makes provisions for excess and obsolete inventory on a site by site basis.

Capital assets

Capital assets with an initial cost of \$10,000 or greater are recorded at cost and are amortized on a straight line basis over their estimated useful lives commencing on the month after they are put in service, as follows:

Equipment	10 years
Office furniture and equipment	10 years
Vehicle fleet	5 years
Computer equipment	3 years

Pension plan

Employees of CORCAN Revolving Fund are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefits assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits accounts. Pension plan expense is recognized when it is paid.

Employee future benefits

Employees of CORCAN Revolving Fund are entitled to specified termination benefits based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. Employee termination benefits earned by employees of CORCAN Revolving Fund prior to April 1, 1992 are considered a liability of the Treasury Board and, accordingly, have not been recorded in the accounts of the Fund. The financial statements of CORCAN Revolving Fund include the termination benefits earned by the employees of CORCAN since the inception of the Fund. The employee future benefits are recognized when they are earned.

CORCAN Revolving Fund—Continued**NOTES TO THE FINANCIAL STATEMENTS—Continued****Sick leave**

Employees are permitted to accumulate unused sick leave. However, such leave entitlements may only be used in the event of an illness. As per current Government practice, unused sick leave upon employee termination is not payable to the employee. Accordingly, no amount has been accrued in these financial statements.

Warranty provision

Potential warranty costs associated with products are recorded when the products are sold.

Financial instruments

The fair value of the financial instruments approximates costs unless otherwise specified. The Fund's financial instruments consist of accounts receivable, accounts payable, accrued liabilities and employee termination benefits. It is management's opinion that the Fund is not exposed to significant interest, currency or credit risks arising from those instruments.

3. Related party transactions

CORCAN Revolving Fund entered into the following transactions with the Correctional Service Canada ["CSC"], its parent organization:

	2006	2005
	(in thousands of dollars)	
Trade revenues	12,470	8,471
Training, correctional and other fees	22,598	23,631
	<u>35,068</u>	<u>32,102</u>

As at March 31, 2006, CORCAN Revolving Fund has \$262,000 (2005—\$2,065,000) receivable from CSC.

Correctional Service Canada has provided and is to continue to provide CORCAN Revolving Fund with the use of existing infrastructure including buildings, shops and farms as well as maintenance of said facilities and human resource services, free of charge.

4. Accounts receivable

	2006	2005
	(in thousands of dollars)	
Government of Canada	2,120	3,371
Outside parties	2,911	2,838
	<u>5,031</u>	<u>6,209</u>
Allowance for doubtful accounts	(278)	(414)
	<u>4,753</u>	<u>5,795</u>

5. Inventories

Inventories consist of the following:

	2006	2005
	(in thousands of dollars)	
Raw materials	4,399	3,940
Work-in-progress	545	4
Finished goods	4,099	3,076
Agribusiness inventory	1,322	1,129
	<u>10,365</u>	<u>8,149</u>
Provision for obsolete inventory	(504)	(737)
	<u>9,861</u>	<u>7,412</u>

6. Capital assets and accumulated amortization

Capital assets consist of the following:

	2006		2005	
	Cost	Accumulated amortization	Cost	Accumulated amortization
	(in thousands of dollars)			
Equipment	25,591	17,738	23,893	16,689
Vehicle fleet	1,375	667	1,045	611
Other	158	148	269	189
	<u>27,124</u>	<u>18,553</u>	<u>25,207</u>	<u>17,489</u>
Accumulated amortization	(18,553)		(17,489)	
Net book value	<u>8,571</u>		<u>7,718</u>	

The amortization expense for the year was \$1,298,000 (2005—\$1,141,000).

7. Accounts payable

	2006	2005
	(in thousands of dollars)	
Government of Canada	1,298	783
Outside parties	6,793	3,933
	<u>8,091</u>	<u>4,716</u>

8. Employee future benefits**Termination benefits**

Termination benefits earned by employees prior to the creation of CORCAN on April 1, 1992 are considered a liability of the Treasury Board and are therefore not recorded in the accounts of the Fund. As at March 31, 2006, the Treasury Board liability for benefits earned by CORCAN employees prior to April 1, 1992 is \$1,335,000 (2005—\$1,453,000). The Treasury Board will fund the payout of these benefits for a period of up to fifteen years from the establishment date of CORCAN. CORCAN will therefore become liable for these benefits starting in fiscal 2008.

CORCAN Revolving Fund—Concluded**NOTES TO THE FINANCIAL STATEMENTS—
Concluded**

The liability for benefits earned after April 1, 1992 is recorded in the accounts as the Employee Termination Benefits. As at March 31, 2006, CORCAN's liability is \$3,602,000 (2005—\$3,339,000).

CORCAN expensed \$638,000 (2005 - \$879,000) related to Employee Termination Benefits in 2005-2006.

Pension plan

During the year CORCAN has expensed \$3,680,000 (2005 - \$3,016,000) for contributions to the Public Service Pension Plan.

9. Commitments

CORCAN Revolving Fund is committed under the terms of various lease agreements. The lease commitments include an amount of \$200,000, relating to the Kingston warehouse. This lease was renewed in 2003 and expires September 30, 2006.

The minimum annual payments over the next five years are as follows:

	(in thousands of dollars)
2007	341
2008	121
2009	27
2010	16
2011	4
	<u>509</u>

10. Net assets

The net assets consist of the following:

	2006	2005
	(in thousands of dollars)	
Contributed capital	30,542	30,542
Accumulated net charge against the Fund's authority	(11,707)	(13,304)
Accumulated deficit	(9,647)	(8,739)
Net assets, end of year	<u>9,188</u>	<u>8,499</u>

11. Revenues and cost of goods sold

Year ended March 31, 2006	Revenues	Cost of goods sold	Gross margin
	(in thousands of dollars)		
Agribusiness and forestry	6,674	10,140	(3,466)
Services	5,123	4,728	395
Textile	3,836	5,180	(1,344)
Manufacturing	22,750	27,755	(5,005)
Construction	8,344	8,937	(593)
	<u>46,727</u>	<u>56,740</u>	<u>(10,013)</u>

Year ended March 31, 2005	Revenues	Cost of goods sold	Gross margin
	(in thousands of dollars)		
Agribusiness and forestry	6,448	9,779	(3,331)
Services	5,773	5,515	258
Textile	3,472	4,952	(1,480)
Manufacturing	25,273	29,706	(4,433)
Construction	12,561	12,491	70
	<u>53,527</u>	<u>62,443</u>	<u>(8,916)</u>

12. Contingencies

In the normal course of operations, CORCAN Revolving Fund becomes involved in various claims and legal proceedings. While the final outcome with respect to claims and legal proceedings pending at March 31, 2006 cannot be predicted with certainty, it is the opinion of management that their resolution will not have a material adverse effect on the Fund's financial position or results of operations.

Defence Production Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Defence Production Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds, the *Defence Production Act*, and the reporting requirements and standards of the Receiver General for Canada.

There were no transactions in the Defence Production Revolving Fund during 2005-2006 fiscal year.

Less: authority limit applied to the Defence Production Revolving Funds	100,000	100,000
Unused authority carried forward		

⁽¹⁾ Joint continuing authority limit for Defence Production Revolving Fund and Defence Production Loan Account is \$100,000,000, as explained in Note 1.

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Defence Production Revolving Fund was established by Section 15 of the *Defence Production Act*. It was established in 1951 for the purpose of:

- (a) financing the stockpiling of defence supplies or strategic materials;
- (b) making loans or advances to aid in defence procurement, such as working capital loans for advance payments on contracts, but not including loans or advance payments for capital purposes; and
- (c) permitting initial payments for defence supplies which can be promptly billed to a Government department, agency or an associated government in advance of delivery of goods.

The *Adjustment of Accounts Act* (S.C. 1980, c.17) had the effect of creating a separate Defence Production Loan Account for loans or advances authorized under the *Defence Production Act*, item (b) above.

The Fund and the Defence Production Loan Account have a continuing non-lapsing authority from the *Adjustment of Accounts Act* to make payments out of the Consolidated Revenue Fund, of which the total of these two accounts is not to exceed \$100 million at any time.

Geomatics Canada Revolving Fund

MANAGEMENT REPORT

The accompanying financial statements of the Geomatics Canada Revolving Fund have been prepared as required by and in accordance with accounting standards issued by the Treasury Board of Canada Secretariat which are consistent with Canadian generally accepted principles for the public sector. They were prepared by the management of the Fund in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfill its accounting and reporting responsibilities, the Fund maintains a set of accounts, which provides a centralized record of the Fund's financial transactions and benefits from the advice of accounting personnel of Corporate Management Sector (CMS). Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

CMS develops and disseminates financial management and accounting policies and issues specific directives, which maintain standards of accounting and financial management. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities and are properly recorded to maintain accountability of Government funds and

safeguard the Fund's assets. Financial management and internal control systems are maintained at appropriate costs and are augmented by the maintenance of internal audit programs. Management also seeks to assure the objectivity and integrity of data in its financial statements. This is accomplished by a careful selection, training and development of qualified staff, organizational arrangements that provide appropriate divisions of responsibility and communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

In order to assure maximum objectivity and freedom from bias, an external auditor has examined the financial data contained in these financial statements. Its role is to express an informed judgement as to whether the Fund's financial statements, considered in their entirety, present fairly, in conformity with stated accounting policies, the Fund's financial condition and transactions. This judgement is based on procedures described in the opinion appended to these financial statements.

Geomatics Canada Revolving Fund— Continued

AUDITORS' REPORT

TO THE DIRECTOR GENERAL, AUDIT AND REVIEW BRANCH
NATURAL RESOURCES CANADA

We have audited the statement of financial position of the Geomatics Canada Revolving Fund as at March 31, 2006 and the statements of operations and net liabilities, accumulated surplus and cash flow for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities and the Revolving Funds Act. These financial statements are the responsibility of the management of the Geomatics Canada Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Geomatics Canada Revolving Fund as at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with the accounting principles for revolving funds of the Government of Canada as described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Revolving Fund and the Treasury Board of Canada Secretariat for reporting on the use of the Fund authority. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

Geomatics Canada Revolving Fund— *Continued*

NOTES TO THE FINANCIAL STATEMENTS (in thousands of dollars)

1. Authority and purpose

The Geomatics Canada Revolving Fund (the Fund) was originally established under *Appropriation Act No. 3, 1993-94*. It was called “Surveys, Mapping and Remote Sensing Sector Revolving Fund” and approval was conditional on specified conditions. The purpose of the Fund was to shift the costs of offering goods and services from taxpayers to those specific users who directly benefit from them. Subsequently, as registered in Treasury Board Minute 822 296 dated December 8, 1994, the “Surveys, Mapping and Remote Sensing Sector Revolving Fund” was renamed the “Geomatics Canada Revolving Fund”. Having met its specified conditions, permanent continuing authority for the Fund was obtained and registered in Treasury Board Minute 822 393 dated February 9, 1995.

The Fund has received a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which at any time is not to exceed \$5,000.

2. Significant accounting policies

(a) Basis of accounting

The financial statements have been prepared in accordance with the reporting requirements for revolving funds described by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because: services received without charge from other Government departments are not reported as expenses; the expenses and liability for termination benefits excludes the portion not funded by the Fund; and contingent liabilities are disclosed rather than recorded.

(b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. These estimates are reviewed annually and as adjustments become necessary, they are recorded in the financial statements in the period in which they become known.

(c) Revenue recognition

Revenues are recognized when products are sold or services rendered. For multi-year consulting or services contracts, the percentage of completion method of accounting is used. A degree of completion is determined by comparing direct costs incurred to date to the total direct costs anticipated for the entire contract. The effect of changes to the total estimated income for each contract is recognized in the period in which a determination is made and losses, if any, are fully recognized when anticipated.

(d) Inventory

The inventory of maps is valued at the lower of cost or net realizable value, with cost being determined using the weighted average printing cost of each title. An inventory of materials is valued at the lower of cost or replacement value.

The inventory of maps on hand includes only those printed but not sold, since Fund startup. The Fund also holds on consignment maps that were printed prior to its creation. These are not accounted for in the inventory but as a sale occurs, are included in the cost of sales. Inventory of materials includes only printing unit material that was on hand at March 31.

(e) Capital assets

Capital assets purchased by the Fund since April 1, 1994 are recorded at cost. These assets are amortized on a straight-line basis over their estimated useful lives, commencing with the month subsequent to acquisition. The estimated useful life of such assets is as follows:

Computer equipment	2 to 5 years
Furniture	10 years
Instruments	10 years
Mechanical equipment	10 years
Office equipment	5 years
Vehicles	5 years
Printing equipment	8 years
Scientific equipment	10 years

(f) Pension plan

The *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act* cover employees of Natural Resources Canada whose salaries and other benefits are paid by the Fund. Government's portion of the pension cost is included in the employee benefits expenses assessed against the Fund. Actual pension payments are made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

Geomatics Canada Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS (in thousands of dollars)—Continued

(g) Employee termination benefits

Employees of the Fund are entitled to specified termination benefits, calculated based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. Employee termination benefits earned prior to the establishment of the Fund (April 1, 1994) are a liability of the Treasury Board and accordingly have not been recorded in these accounts. The costs for benefits earned after April 1, 1994, as these accrue to employees, are recorded in the accounts.

(h) Sector and corporate overheads

Sector and Corporate overheads include administrative, management and various other costs incurred in the direct provision of services to the Fund. The allocation is based on predetermined overhead rates, which vary with the number of employees (salary), or the number of business units (Sector or Corporate components).

(i) Interest

Interest is charged to the Fund at a rate set by Treasury Board. Interest charges are calculated monthly on the balance of the accumulated charge against the Fund's authority.

	2006	2005
Contributed Capital	1,438	1,438
Accumulated net charge against the Fund's authority	(7,700)	(5,110)
Reserve for the replacement of printing presses*	1,600	1,600
Accumulated surplus	3,962	1,995
Net liabilities	(700)	(77)

* In order to ensure the continuity of printing operations, Fund management established a reserve for the replacement of the printing presses in the amount of \$1,600.

9. Related party transactions

Through common ownership, the Geomatics Canada Revolving Fund is related to all Government of Canada created departments, agencies and Crown Corporations. The Fund enters into transactions with such entities in the normal course of business, which transactions have been recorded at the exchange amount.

10. Commitment

The fund has operating leases for its premises from PWGSC. Future lease payments for 2007 amount to \$191.

11. Contingencies

Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements do not vest and can be used only in the event of illness. The amount of accumulated sick leave entitlements, which will become payable in future years cannot reasonably be determined and accordingly have not been recorded in the accompanying financial statements. Payments of sick leave benefits are included in current operations as incurred.

National Film Board Revolving Fund

MANAGEMENT RESPONSIBILITY

Responsibility for the integrity and objectivity of the accompanying financial statements for the year ended March 31, 2006 and all information contained in these statements rests with National Film Board's management. These financial statements have been prepared by management in accordance with Treasury Board accounting policies which are consistent with Canadian generally accepted accounting principles for the public sector, and year-end instructions issued by the Office of the Comptroller General.

Management is responsible for the integrity and objectivity of the information in these financial statements. Some of the information in the financial statements is based on management's best estimates and judgment and gives due consideration to materiality. To fulfill its accounting and reporting responsibilities, management maintains a set of accounts that provides a centralized record of the department's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the National Film Board's Departmental Performance Report is consistent with these financial statements.

Management maintains a system of financial management and internal control designed to provide reasonable assurance that financial information is reliable, that assets are safeguarded and that transactions are executed in accordance with prescribed regulations, within Parliamentary authorities, and are properly recorded to maintain accountability of Government funds. Management also seeks to ensure the objectivity and integrity of data in its financial statements by careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that regulations, policies, standards and managerial authorities are understood throughout the Board.

The financial statements of the Board have been audited by the Auditor General of Canada.

AUDITOR'S REPORT

TO THE MINISTER OF CANADIAN HERITAGE AND STATUS
OF WOMEN

I have audited the statement of financial position of the National Film Board as at March 31, 2006 and the statements of operations, equity of Canada and cash flow for the year then ended. These financial statements are the responsibility of the Board's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Further, in my opinion, the transactions of the Board that have come to my notice during my audit of the financial statements have, in all significant respects, been in accordance with the *National Film Act* and the by-laws of the Board.

Nancy Cheng, FCA
Assistant Auditor General
for the Auditor General of Canada

Ottawa, Canada

National Film Board Revolving Fund— *Continued*

NOTES TO FINANCIAL STATEMENTS

1. Authority and purposes

The National Film Board was established in 1939 under the *National Film Act*, and is the agency responsible for administering the Act.

The National Film Board (Board) is a cultural agency named in Schedule I.1 of the *Financial Administration Act* reporting to the Minister of Canadian Heritage and Status of Women. It is administered by a Board of Trustees appointed by the Governor in Council and chaired by the Government Film Commissioner.

The Board's legislative mandate is to initiate and promote the production and distribution of films in the national interest and, in particular:

- to produce and distribute and to promote the production and distribution of films designed to interpret Canada to Canadians and to other nations;
- to represent the Government of Canada in its relations with persons engaged in commercial motion picture film activity in connection with motion picture films for the Government or any department thereof;
- to engage in research in film activity and to make available the results thereof to persons engaged in the production of films;
- to advise the Governor in Council in connection with film activities;
- to discharge such other duties relating to film activity as the Governor in Council may direct it to undertake.

2. Significant accounting policies

These financial statements have been prepared in accordance with Treasury Board accounting policies, which are consistent with Canadian generally accepted accounting principles for the public sector, and year-end instructions issued by the Office of the Comptroller General.

The most significant policies are as follows:

Parliamentary appropriations

Operations are funded through a permanent authority from Parliament (Revolving Fund) and Parliamentary appropriations voted annually.

The Revolving Fund allows the Board to make payments out of the Consolidated Revenue Fund for working capital, interim financing of operating costs and capital assets acquisitions. This authority requires that the aggregate of admissible working capital and net book value of capital assets does not exceed \$15 million.

The Board is also financed in part by the Government of Canada through Parliamentary appropriations. The appropriations are voted annually to replenish the Revolving Fund for net acquisitions of capital assets and the admissible cost of operations. The basis of the appropriations provided to the Board does not parallel the accounting principles applied in preparing the financial statements since appropriations are primarily based on cash flow requirements. Consequently, items recognized in the statement of operations and the statement of financial position are not necessarily the same as those provided through appropriations from Parliament. Note 3 provides a reconciliation between the two bases of reporting.

Net cash provided by Government

The Board operates within the Consolidated Revenue Fund (CRF), which is administered by the Receiver General for Canada. All cash receipts are deposited to the CRF and all cash disbursements are paid from the CRF. The net cash provided by Government is the difference between all cash receipts and all cash disbursements including transactions with other departments and agencies.

Due to (from) the Consolidated Revenue Fund

Due from the Consolidated Revenue Fund balance represents the amount of cash that the Board is entitled to draw from the CRF without further appropriations, in order to discharge its liabilities and the due to the Consolidated Revenue Fund balance represents the amount of cash that the Board has to pay to the CRF for the money received.

Expense recognition

All expenses are recorded on the accrual basis.

Production of films and other forms of visual presentations

All production costs are charged to operations in the year in which they are incurred and shown in the Statement of Operations as follows:

Board's program

All costs incurred for unsponsored productions, the Board's share in co-productions and the excess of costs over the sponsor's contribution for partially sponsored productions.

Sponsored production

All costs incurred for fully sponsored productions and the sponsored costs of partially sponsored productions.

National Film Board Revolving Fund— Continued

NOTES TO FINANCIAL STATEMENTS—*Continued*

Revenues

Revenues from production of films and other forms of visual presentations are accounted for at an amount equal to the sponsored production costs during the year in which these costs are incurred. Any profit is recognized in the year the production is completed.

Royalty revenues are recognized once all of the Board's obligations have been fulfilled and its expenses have been accounted for, regardless of when the acquirer actually uses the work.

Accounts receivable

Accounts receivable are stated at amounts expected to be ultimately realized. A provision is made for external accounts receivable where recovery is considered uncertain.

Inventories

Materials and supplies are carried at cost.

Film prints and other forms of visual presentations held for sale are carried at the lower of cost of production and net realizable value. The cost of other prints is expensed on a current basis.

Capital assets

Capital assets are amortized on the straight line method over the estimated useful life of the assets, as follows:

Technical equipment	from 4 to 10 years
Software and data	
processing equipment	from 5 to 10 years
Office furniture and	
equipment	from 5 to 10 years
Rolling stock	5 years
Leasehold improvements	terms of the leases

The Board has a collection of nearly 20,000 audiovisual works produced between 1895 and the present. This inestimable collection is not intended for sale and does not have a measurable value. It has, however, been assigned a nominal value of \$1 in the financial statements, appearing on the statement of financial position as capital assets to ensure that the reader is aware of its existence.

The Board enters into operating lease agreements to acquire the exclusive use of certain capital assets. These rental fees are charged to operations in the year to which they apply. The Board also enters into capital lease agreements by which substantially all the benefits and risks inherent to ownership of the assets are transferred to the Board. The Board then records an asset and an obligation corresponding to the present value of the acquisition price of the asset. The assets recorded from a capital lease agreement are amortized on the same basis as

other assets owned by the Board and the obligations are amortized over the lease term.

Employee future benefits

Pension benefits

All eligible employees participate in the Public Service Pension Plan administered by the Government of Canada. The Board's contributions reflect the full cost as employer. This amount is currently based on a multiple of an employee's required contributions and may change over time depending on the experience of the Plan. The Board's contributions are expensed during the year in which the services are rendered and represent the total pension obligation of the Board. The Board is not currently required to make contributions with respect to any actuarial deficiencies of the Public Service Pension Plan.

Severance benefits

Employees are entitled to severance benefits as provided for under labour contracts and conditions of employment. The cost of these benefits is accrued as employees render the services necessary to earn them. Management determined the accrued benefit obligation using a method based upon assumptions and its best estimates; such as, years of service, employees' status and departure statistics. These benefits represent the only obligation of the Board that entails settlement by future payment.

Measurement uncertainty

The preparation of these financial statements in accordance with Treasury Board accounting policies, which are consistent with Canadian generally accepted accounting principles for the public sector and year-end instructions issued by the Office of the Comptroller General, requires management to make estimates and assumptions that could affect the reported amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The most significant items where estimates are used are the useful life of capital assets, allowances for doubtful accounts and the liability related to employee severance benefits. Actual results could significantly differ from those estimated. The estimates are reviewed periodically and as adjustments become necessary, they are reported in net cost of operations in the period in which they become known.

National Film Board Revolving Fund— Continued

NOTES TO FINANCIAL STATEMENTS—Continued

3. Parliamentary appropriations

The Board receives most of its funding through annual Parliamentary appropriations. Items recognized in the statement of operations and the statement of financial position in one year may be funded through Parliamentary appropriations in prior, current or future years. Accordingly, the Board has different net results of operations for the year on a government funding basis than on accrual accounting basis. The differences are reconciled in the following tables:

(a) Reconciliation of Net cost of operations to current year appropriations used:

	2006	2005
	\$	\$
Net cost of operations	66,725,982	66,501,952
Acquisition of capital assets	1,307,444	1,277,917
Payments on obligation under capital leases	812,428	639,343
Gain (loss) on disposal of capital assets	71,500	(11,922)
Change in liability for vacation pay and compensatory leave	(199,963)	9,893
Net change in employee severance benefits	(483,332)	94,037
Proceeds from disposal of capital assets	(101,620)	(61,000)

Total	38,879,931	1,729,511	697,981	39,911,461	30,737,028	3,021,200	667,861	33,090,367	6,821,094	8,142,903

The above assets include equipment under capital leases for a total cost of \$4,248,313 (2005—\$4,010,400) less accumulated amortization of \$2,810,284 (2005—\$2,040,079). Current year amortization expenses relating to property under capital lease amount to \$906,237 (2005—\$719,194). Acquisitions under capital leases amounted to \$422,067 (2005—\$629,759).

5. Employee future benefits

Pension benefits

The Board and all eligible employees participate in the Public Service Pension Plan, which is sponsored and administered by the Government of Canada. Pension benefits accrue up to a maximum period of 35 years at a rate of 2 percent per year of pensionable service, times the average of the best five consecutive years of earnings. The benefits are integrated with Canada/Québec Pension Plans benefits and they are indexed to inflation.

Both the employees and the Board contribute to the cost of the Plan. The 2006 expense amounts to \$3,867,894 (2005—\$3,741,890), which represents approximately 2.8 times the contributions by employees.

The Board's responsibility with regard to the Plan is limited to its contributions. Actuarial surpluses or deficiencies are recognized in the financial statements of the Government of Canada, as the Plan's sponsor.

Severance benefits

The Board provides severance benefits to its employees based on years of service and final salary. This benefit plan is not pre-funded and thus has no assets, resulting in a plan deficit equal to the accrued benefit obligation. Benefits will be paid from future appropriations or other sources of revenue. Information about the plan, measured as at March 31, 2006, is as follows:

	2006	2005
	\$	\$
Accrued benefit obligation, beginning of year	6,174,606	6,268,643
Expense for the year	1,388,151	383,234
Benefits paid during the year	(904,819)	(477,271)
Accrued benefit obligation, end of year	6,657,938	6,174,606

6. (a) Expenses

	2006	2005
	\$	\$

7. Obligation under capital leases

The Board has entered into agreements to rent technical, data processing and office equipment under capital leases. The assets have been capitalized using implicit interest rates varying from 7 percent to 14 percent. The related obligations are paid over a 3-5 year lease term. Minimum lease payments totalled \$812,428 for the year ended March 31, 2006 (2005—payments of \$639,343). Interest of \$259,440 (2005—\$239,416) was charged to operations.

The obligation under capital leases includes the following:

	\$
Future minimum lease payments:	
2007	942,457
2008	959,764
2009	189,637
2010	<u>20,612</u>
	2,112,470
Less: imputed interest	<u>331,190</u>
	<u>1,781,280</u>

8. Related party transactions

The Board is related in terms of common ownership to all departments, agencies and Crown corporations created by the Government of Canada. The Board enters into transactions with these entities in the normal course of business. During the year ending March 31, 2006, the Board leased accommodations from the Department of Public Works and Government Services Canada (PWGSC) for the amount of \$6,883,007 (2005—\$6,817,799).

9. Fair value of financial instruments

Accounts receivable, deposits, accounts payable, accrued salaries and vacation pay and compensatory leave are incurred in the normal course of business. The carrying amounts of each of these accounts approximate their fair value because of their short-term maturity. There is no concentration of accounts receivable and, therefore, there is no significant credit risk.

The present value of the capital leases obligation based on current market interest rate of 8 percent is estimated at \$1,904,893 (2005—\$2,366,327).

10. Contractual obligations

The Board has long-term lease agreements for premises and equipment. The most significant of these agreements has been concluded with PWGSC for premises until 2016. Future minimum rental payments for the next five years are as follows:

	Premises	Equipment	Total
	\$	\$	\$
2007	6,559,000	945,000	7,504,000
2008	5,687,000	572,000	6,259,000
2009	5,139,000	168,000	5,307,000
2010	4,642,000	35,000	4,677,000
2011	4,541,000	6,000	4,547,000
2012-2016	<u>23,476,000</u>		<u>23,476,000</u>
	<u>50,044,000</u>	<u>1,726,000</u>	<u>51,770,000</u>

From the amount of \$50,044,000 for the lease for premises, agreements have been signed for \$96,000 with outside parties and \$49,948,000 with PWGSC.

11. Contingencies

The Board is subject to various legal claims arising in the normal course of its operations. In management's view, the ultimate disposition of these claims is not expected to have a material impact on the financial statements.

12. Comparative figures

Certain comparative figures have been reclassified to conform with the presentation adopted in 2006.

Optional Services Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Optional Services Revolving Fund as required by the Treasury Board Policy on Special Revenue Spending Authorities, and in accordance with relevant reporting requirements and standards of the Receiver General for Canada. The financial statements were prepared in accordance with the significant accounting policies set out in Note 2 to the financial statements, applied on a basis consistent with that of the preceding year.

Primary responsibility for the integrity and objectivity of data in these financial statements rests with management of the Fund. This responsibility is discharged by the Finance Branch which develops and disseminates financial management and accounting policies and directives to maintain appropriate standards of financial management, accounting and reporting.

Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfil its accounting and reporting responsibility, the Fund maintains a set of accounts which provide a centralized record of the Fund's financial transactions, and maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. These systems and controls are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and to safeguard assets under the Fund's administration. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection,

training and development of qualified staff, by the organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

These financial statements were audited by an external professional public accounting firm in accordance with Canadian generally accepted auditing standards. The role of the auditor was to provide an independent opinion as to whether the financial statements present fairly, in all material respects, the Fund's financial position at March 31, 2006 and the results of its operations and cash flow for the year then ended. The Auditors' Report (opinion) is appended to the financial statements.

Financial information contained in ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with information contained in these financial statements, unless otherwise indicated.

AUDITORS' REPORT

TO THE DIRECTOR GENERAL, AUDIT AND EVALUATION
BRANCH PUBLIC WORKS AND GOVERNMENT SERVICES
CANADA

We have audited the statement of financial position of the Optional Services Revolving Fund as at March 31, 2006 and the statements of operations, net assets (liabilities) and cash flows for the year then ended. These financial statements are the responsibility of the management of the Optional Services Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the

accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Optional Services Revolving Fund as at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting as disclosed in Note 2 to the financial statements.

Optional Services Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Optional Services Revolving Fund (OSRF) was established under *Appropriation Act No. 4, 1991-92* which was repealed in 1996 and replaced by Section 5.5 of the *Revolving Funds Act*. The operation of the Fund is for the purpose of Section 6(a) of the *Department of Public Works and Government Services Act* in respect of the acquisition and provision of articles, supplies, machinery, equipment and other materials; and Section 6(b) in respect of the acquisition and provision of printing and publishing services. Treasury Board approved the following programs as part of the OSRF mandate: the systems' Benchmarking Program; the Vaccine Program; the Government Travel Service; and for the recording of the Cost of Product of Traffic Management and the Buy for Lease Program. The aggregate of expenditures made for the purposes of the Fund shall not at any time exceed by more than \$200,000,000 the revenues received in respect of the purposes of the Fund.

In 2001-2002, in accordance with Section 12 of the *Revolving Funds Act*, and through the 2001-2002 Supplementary Estimates (A) (Treasury Board decision #829023-1 dated October 25, 2001), the draw down authority of the Fund was reduced from \$200,000,000 to \$75,000,000 and through the 2001-2002 Supplementary Estimates (B) (Treasury Board decision #829420 dated December 6, 2001), the draw down authority of the Fund was reduced from \$75,000,000 to \$35,000,000. The Treasury Board decision #829420 also authorized the write off of \$22,700,000 of the net draw down authority used as of March 31, 2002.

2. Significant accounting policies

The financial statements have been prepared in accordance with accounting standards issued by the Treasury Board of Canada Secretariat which are consistent with Canadian generally accepted accounting principles for the public sector.

The significant accounting policies are as follows:

(a) Use of estimates

The preparation of financial statements in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

(b) Revenues and expenses

Revenues and expenses are recorded using the accrual basis of accounting.

(c) Capital assets

Capital assets are stated at cost and are amortized commencing the month after acquisition on a straight-line basis over their estimated useful economic lives as follows:

Category	Estimated useful economic life
Informatics hardware	3 to 5 years
Machinery and equipment	5 years

(d) Pension plan

Employees are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

(e) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

			2,579

9. Financial instruments

The Revolving Fund's financial instruments consist of cash in transit, accounts receivable and accounts payable. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Revolving Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

Passport Canada Revolving Fund

MANAGEMENT REPORT

The accompanying financial statements of the Passport Canada Revolving Fund for 2005-2006 have been prepared as required by and in accordance with the policy of the Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared in accordance with the significant accounting principles for revolving funds of the Government of Canada on a basis consistent with that of the preceding year, as set out in Note 2 of the statements. Some previous year's figures have been reclassified to conform to the current year's presentation.

The primary responsibility for the integrity and objectivity of the data in these financial statements rests with the management of the Fund. Some of the information included in these financial statements is based on management's best estimates and judgements with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts that provide a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Directorate of Financial Services develops and disseminates financial management and accounting policies and issues specific directives, which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal controls which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribe regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration.

These financial statements were presented to the external auditor, who audited them and has provided an independent opinion, which has been appended to these financial statements.

Passport Canada Revolving Fund— Continued

AUDITORS' REPORT

TO THE ASSISTANT DEPUTY MINISTER, CORPORATE SERVICES, DEPARTMENT OF FOREIGN AFFAIRS AND INTERNATIONAL TRADE

We have audited the statement of financial position of the Passport Canada Revolving Fund as at March 31, 2006 and the statements of operations and net assets and cash flows for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities and the *Revolving Funds Act*. These financial statements are the responsibility of the management of the Passport Canada Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by

management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Passport Canada Revolving Fund at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with the accounting principles for revolving funds of the Government of Canada as described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Passport Office Revolving Fund and the Treasury Board of Canada Secretariat for reporting on the use of the Fund authority. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

The comparative figures for March 31, 2005 were reported on by another firm of chartered accountants.

Passport Canada Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Passport Canada Revolving Fund (the “Fund”) was established in 1969 to provide for the issue of appropriate travel documents to Canadian citizens and to certain permanent residents of Canada who are unable to obtain valid passports from their country of origin. The *Revolving Funds Act* authorized the operation of the Fund.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$4,000,000 at any time. An amount of \$746,000 representing net assets assumed by the Fund and assets contributed to the Fund were charged to this authority when the Fund became budgetary in 1981.

2. Significant accounting policies

(a) Basis of accounting

These financial statements have been prepared in accordance with the significant accounting policies set out below to comply with the requirements of Section 4 of the Treasury Board of Canada Policy on Special Revenue Spending Authorities and the reporting requirements for revolving funds prescribed by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because:

- employees’ vacation pay and termination benefits liabilities are based on management’s estimate of the liabilities rather than based on actuarial valuations;
- revenues from passport fees are recognized upon application and receipt of payment rather than when passports are issued as stated in the Canadian Passport Order; and
- funding for capital assets received from Treasury Board is recorded as contributed capital and not as a reduction of the cost of capital assets.

(b) Revenue recognition

Revenues from passport fees are recognized upon application and receipt of payment.

(c) Inventories

The inventory of materials and supplies is carried at cost using the average cost method.

(d) Capital assets

Leasehold improvements are amortized on a straight-line basis over the term of the leases. Capital

assets are recorded at cost and amortized from the year of acquisition on a straight-line basis over their estimated useful lives as follows:

<u>Asset</u>	<u>Years</u>
Leasehold improvements	Term of lease
Furniture	10 years
Electronic data processing (EDP) equipment	3-5 years
Other machines and equipment	5 years

Expenditures associated with the Technology Enhancement Plan Project (TEP) are capitalized. The project costs have been separated in four categories, which are amortized on a straight-line basis over the useful life of each category as follows:

<u>Asset</u>	<u>Years</u>
Technology enhancement plan (TEP)	
Machines and equipment	10 years
System	4 years
Furniture	10 years
Electronic data processing (EDP) equipment	4 years

All project costs for the other capital projects are amortized on a straight-line basis over the useful life of the project.

(e) Employee termination benefits

Employees of the Fund are entitled to specified termination benefits, calculated based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. The cost of these benefits is recorded in the accounts as the benefits accrue to the employees.

(f) Pension plan

Employees of Passport Canada are covered by the *Public Service Retirement Pension Plan* administered by the Government of Canada. Under present legislation, contributions made by Passport Canada to the Plan are limited to an amount equal to the employee’s contributions on account of current service. These contributions represent the total pension obligations of Passport Canada and are charged to operations on a current basis. Passport Canada is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account and/or with respect to charges to the Consolidated Revenue Fund for the indexation of payments under the *Supplementary Retirement Benefits Act*.

Passport Canada Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS— Continued

(g) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. The more significant areas requiring the use of estimates relate to employee termination benefits and to accrued liabilities. Actual results could differ from these estimates. These estimates are reviewed annually and as adjustments become necessary, they are recorded in the financial statements in the period in which they become known.

3. Capital assets and accumulated amortization

Capital assets	Balance, beginning of year	Acqui- sitions	Disposals	Balance, end of year
(in thousands of dollars)				
Technology				
Enhancement				
Plan Project	33,877			33,877
Capital projects	66,140	6,310	2,495	69,955
Furniture	2,360	7	2,283	84
EDP equipment	7,037	320	566	6,791
Other machines and equipment	355	16	81	290
	109,769	6,653	5,425	110,997
Accumulated amortization	Balance, beginning of year	Amorti- zation	Disposals	Balance, end of year
(in thousands of dollars)				
Technology				
Enhancement				
Plan Project	33,719	40		33,759
Capital projects	25,166	11,242	2,448	33,960
Furniture	2,309	29	2,282	56
EDP equipment	4,098	1,248	566	4,780
Other machines and equipment	241	54	81	214
	65,533	12,613	5,377	72,769

Capital projects category includes leasehold improvements.

4. Net assets

	2006	2005
(in thousands of dollars)		
Accumulated net charge against the Fund's authority	(30,345)	(16,683)
Accumulated surplus	39,932	41,128
Contributed capital	10,266	2,230
	19,853	26,675

Accumulated net charge against the Fund's authority:

Accumulated net charge against the Fund's authority is the cash position of the Fund, held by the Government on the Fund's behalf.

Accumulated surplus:

The accumulated surplus is an accumulation of each year's surpluses including the absorption of the opening net assets of \$746,000 upon establishment of the Fund.

Contributed capital:

In the year, Passport Canada received \$10,265,692 (2005—\$2,230,000) from Treasury Board to fund capital projects, principally for National Security Initiatives and to address Auditor General recommendations.

5. Commitments

Passport Canada rents office premises and other office equipment under long-term operating leases, which expire in 2015. Future minimum lease payments by year are approximately as follows:

	(in thousands of dollars)
2007	9,487
2008	8,053
2009	5,818
2010	2,080
2011 and thereafter	1,930
	27,368

Passport Canada signed a contract for the purchase of passport materials, which expires in May 2008. Future minimum payments by year are approximately:

	(in thousands of dollars)
2007	9,082
2008	4,919
	14,001

6. Related party transactions

Through common ownership, Passport Canada is related to all Government of Canada created departments, agencies and Crown corporations. Payments for passport operations at missions abroad, accommodation and legal services are made to related parties in the normal course of business. All related party transactions are accounted for at the exchange amount, which represents the consideration agreed to by both parties.

Passport Canada Revolving Fund— Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

As part of its operations Passport Canada, which is an agency of the Department of Foreign Affairs and International Trade (DFAIT), collects Consular fees on behalf of DFAIT Consular Affairs division. These fees are not recorded as revenues in the statement of operations. In fiscal year 2006, the Fund collected and remitted to DFAIT \$62,654,238 (2005—\$55,816,353) in consular fees.

7. Forgiveness of loan payable

During the 2005 fiscal year, the Department of Foreign Affairs and International Trade (DFAIT) authorized the forgiveness of the balance of the loan payable in the amount of \$4,477,000. This amount had been repaid by Passport Canada in June 2004 and was returned by DFAIT in March 2005.

8. Changes in current assets and liabilities

	2006	2005
	(in thousands of dollars)	
Changes in current assets and liabilities:		
Accounts receivables — Government of Canada	1,936	(3,913)
Accounts receivables — Outside parties	170	(571)
Inventories	(1,100)	32
Prepaid expenses	195	569
Accounts payable and accrued liabilities :		
Government of Canada	(4,391)	1,765
Outside parties — Accounts payable	1,924	863
Outside parties — Vacation pay	313	256
Outside parties — Contractors' holdbacks	124	(11)
	(829)	(1,010)

9. Comparative figures

Certain amounts for the 2005 fiscal year have been reclassified to make them comparative with the current year.

Real Property Disposition Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Real Property Disposition Revolving Fund as required by the Treasury Board Policy on Special Revenue Spending Authorities, and in accordance with relevant reporting requirements and standards of the Receiver General for Canada. The financial statements were prepared in accordance with the significant accounting policies set out in Note 2 to the financial statements, applied on a basis consistent with that of the preceding year.

Primary responsibility for the integrity and objectivity of data in these financial statements rests with management of the Fund. This responsibility is discharged by the Finance Branch which develops and disseminates financial management and accounting policies and directives to maintain appropriate standards of financial management, accounting and reporting.

Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfil its accounting and reporting responsibility, the Fund maintains a set of accounts which provide a centralized record of the Fund's financial transactions, and maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. These systems and controls are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and to safeguard assets under the Fund's administration. The Fund also seeks to

assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by the organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

These financial statements were audited by an external professional public accounting firm in accordance with Canadian generally accepted auditing standards. The role of the auditor was to provide an independent opinion as to whether the financial statements present fairly, in all material respects, the Fund's financial position at March 31, 2006 and the results of its operations and cash flow for the year then ended. The Auditors' Report (opinion) is appended to the financial statements.

Financial information contained in ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with information contained in these financial statements, unless otherwise indicated.

AUDITORS' REPORT

TO THE DIRECTOR GENERAL, AUDIT AND EVALUATION
BRANCH PUBLIC WORKS AND GOVERNMENT SERVICES
CANADA

We have audited the statement of financial position of the Real Property Disposition Revolving Fund as at March 31, 2006 and the statements of operations and net assets and cash flows for the year then ended. These financial statements are the responsibility of the management of the Real Property Disposition Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the

financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Real Property Disposition Revolving Fund as at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting as disclosed in Note 2 to the financial statements.

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Real Property Disposition Revolving Fund was established in 1996 through the *Revolving Funds Act*, section 5.1, to provide a mechanism within the Services Program to fund the disposal of federal real property. All proceeds of sale are deposited to the Consolidated Revenue Fund net of disposal costs and expenses. Any year-end accumulated surplus in the Real Property Disposition Revolving Fund in excess of \$5,000,000 is deposited to the Consolidated Revenue Fund, and the Department submits annual reports to Treasury Board at the time of the preparation of the Main Estimates. This is in accordance with the terms and conditions approved in Treasury Board Decision #822056, dated January 19, 1995.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for the necessary working capital, the total of which is not to exceed \$5,000,000 at any time.

2. Significant accounting policies

The financial statements have been prepared in accordance with accounting standards issued by the Treasury Board of Canada Secretariat which are consistent with Canadian generally accepted accounting principles for the public sector.

The significant accounting policies are as follows:

(a) Use of estimates

The preparation of financial statements in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

(b) Revenues and expenses

Revenues are recognized in the accounting period in which both the title is transferred to the purchaser and the full payment is received by the Crown. Expenses are recorded on the accrual basis of accounting.

(c) Work in process

Work in process includes labour and disbursements incurred for services performed or goods delivered for sales or transfers of properties not finalized at year-end.

Real Property Disposition Revolving Fund—Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

(d) Deposits on disposals

Deposits on disposals represent receipts on future disposals of properties that are not closed at year-end.

3. Net assets

	2006	2005
	(in thousands of dollars)	
Accumulated net charge against the Fund's authority	(2,439)	(3,094)
Accumulated surplus, beginning of year	5,000	5,000
Net results	3,888	7,049
Transfer of part of the accumulated surplus to the accumulated net charge against the Fund's authority account (Note 1)	(3,888)	(7,049)
Accumulated surplus, end of year	5,000	5,000
	2,561	1,906

4. Changes in working capital

	2006	2005	Changes
	(in thousands of dollars)		
Current assets	2,970	2,874	(96)
Current liabilities	409	968	(559)
			(655)

5. Financial instruments

The Revolving Fund's financial instruments consist of cash in transit and accounts payable. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Revolving Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

Real Property Services Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Real Property Services Revolving Fund as required by the Treasury Board Policy on Special Revenue Spending Authorities, and in accordance with relevant reporting requirements and standards of the Receiver General for Canada. The financial statements were prepared in accordance with the significant accounting policies set out in Note 2 to the financial statements, applied on a basis consistent with that of the preceding year.

Primary responsibility for the integrity and objectivity of data in these financial statements rests with management of the Fund. This responsibility is discharged by the Finance Branch which develops and disseminates financial management and accounting policies and directives to maintain appropriate standards of financial management, accounting and reporting.

Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfil its accounting and reporting responsibility, the Fund maintains a set of accounts which provide a centralized record of the Fund's financial transactions, and maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. These systems and controls are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and to safeguard assets under the Fund's administration. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by the organizational arrangements that provide appropriate

divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

These financial statements were audited by an external professional public accounting firm in accordance with Canadian generally accepted auditing standards. The role of the auditor was to provide an independent opinion as to whether the financial statements present fairly, in all material respects, the Fund's financial position at March 31, 2006 and the results of its operations and cash flow for the year then ended. The Auditors' Report (opinion) is appended to the financial statements.

Financial information contained in ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with information contained in these financial statements, unless otherwise indicated.

Real Property Services Revolving Fund— *Continued*

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Real Property Services Revolving Fund (RPSRF), formerly The Public Works Revolving Fund, was established by the *Adjustment of Accounts Act* (Bill C-22 dated July 22, 1980), which was repealed in 1985 and replaced by Section 5 of the *Revolving Funds Act*. It allows the Minister of Public Works and Government Services Canada (PWGSC) to make expenditures for undertakings by the department, on behalf of other Government departments and agencies, other governments, and private sector tenants of federally owned or leased property. Effective April 1, 1996, the Architectural Engineering and Realty Services Revolving Fund began operation under the name of Real Property Services Revolving Fund. The Fund looks after the activities of architectural and engineering, property management, holdings and divestiture, and support services.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for the operating expenses, necessary working capital, and capital expenditures.

Since April 1, 1988, under revised terms and conditions approved by Treasury Board (TB) Minute #805839 dated June 25, 1987, the objective of the Real Property Services (formerly Public Works) Revolving Fund is to operate as a financially self-supporting entity charging market-based service fees in accordance with the TB approved rate structure for the services provided to clients.

Effective April 1, 1999, RPSRF is used exclusively for providing services to other Government departments and third parties.

In accordance with Section 12 of the *Revolving Funds Act* R.S.C. 1985, c. R-8 to amend subsection 5(3) of the Act and through the 2001-2002 Supplementary Estimates (B) - Vote 7b and 13b (TB decision #829420 dated December 6, 2001), the draw down authority of the fund was reduced from \$450,000,000 to \$150,000,000 in addition to the write off of \$88,227,114 on the net draw down authority used as of March 31, 2002.

In addition, the Revolving Fund receives funding by way of a separate vote, to cover the net draw down authority used in order to comply with the Policy on Special Revenue Spending Authorities. The amount received in 2005-2006 was \$48,000 (2004-2005: \$15,991,000).

2. Significant accounting policies

The financial statements have been prepared in accordance with accounting standards issued by the Treasury Board of Canada Secretariat which are consistent with Canadian generally accepted accounting principles for the public sector.

The significant accounting policies are as follows:

(a) Use of estimates

The preparation of financial statements in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

(b) Revenues and expenses

Revenues and expenses are recorded on the accrual basis of accounting. Overhead chargeback expense is based on budgeted personnel costs. Corporate and administrative services expense is based on budgeted expenditures calculated using 2003-2004 actuals and adjusted for known factors such as collective agreements and service level agreements.

(c) Inventories

Inventories are valued at cost and are recorded on a first-in, first-out basis.

(d) Work in process

Work in process includes labour and disbursements incurred for services performed or goods delivered, less amounts already billed to clients.

(e) Pension plan

Employees are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

(f) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

Real Property Services Revolving Fund— Concluded

5. Contractual obligations

The Fund is engaged in contractual obligations for Property Services. Future payments are as follows:

	(in thousands of dollars)
Year ending March 31,	
2007.....	195,368
2008.....	35,385
2009.....	21,248
2010.....	19,327
2011 and thereafter.....	118,045
	<u>389,373</u>

6. Contingent liabilities

Effective April 1, 2005, contingent liabilities were decentralized from the Treasury Board Secretariat of Canada to the Real Property Services Revolving Fund. The Fund records a liability for all contingencies which are likely to result in a liability and that can be reasonably estimated. The existence and amount of liability depend upon the future outcome of these contingencies, which are not currently determinable.

A statement of claim has been filed against the Crown and other parties alleging damages of \$39.7 million. The Crown has filed an appearance but not its statement of defence. As at the date of the audit report, the Crown is unable to assess the possibility of settlement, the amount at risk or estimate the amount of any settlement.

	<u>911,478</u>	<u>797,718</u>

9. Financial instruments

The Revolving Fund's financial instruments consist of cash in transit, accounts receivable and accounts payable. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Revolving Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

Telecommunications and Informatics Common Services Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Telecommunications and Informatics Common Services Revolving Fund as required by the Treasury Board Policy on Special Revenue Spending Authorities, and in accordance with relevant reporting requirements and standards of the Receiver General for Canada. The financial statements were prepared in accordance with the significant accounting policies set out in Note 2 to the financial statements, applied on a basis consistent with that of the preceding year.

Primary responsibility for the integrity and objectivity of data in these financial statements rests with management of the Fund. This responsibility is discharged by the Finance Branch which develops and disseminates financial management and accounting policies and directives to maintain appropriate standards of financial management, accounting and reporting.

Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfil its accounting and reporting responsibility, the Fund maintains a set of accounts which provide a centralized record of the Fund's financial transactions, and maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. These systems and controls are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and to safeguard assets under the Fund's administration.

The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by the organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

These financial statements were audited by an external professional public accounting firm in accordance with Canadian generally accepted auditing standards. The role of the auditor was to provide an independent opinion as to whether the financial statements present fairly, in all material respects, the Fund's financial position at March 31, 2006 and the results of its operations and cash flow for the year then ended. The Auditors' Report (opinion) is appended to the financial statements.

Financial information contained in ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with information contained in these financial statements, unless otherwise indicated.

AUDITORS' REPORT

TO THE DIRECTOR GENERAL, AUDIT AND EVALUATION
BRANCH PUBLIC WORKS AND GOVERNMENT SERVICES
CANADA

We have audited the statement of financial position of the Telecommunications and Informatics Common Services Revolving Fund as at March 31, 2006 and the statements of operations and net liabilities and cash flows for the year then ended. These financial statements are the responsibility of the management of the Telecommunications and Informatics Common Services Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis,

evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Telecommunications and Informatics Common Services Revolving Fund as at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting as disclosed in Note 2 to the financial statements.

Telecommunications and Informatics Common Services Revolving Fund— *Continued*

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Government Telecommunications Agency (GTA) Revolving Fund was established in 1963 to plan and provide telecommunications facilities and services for federal departments and agencies. Section 5.2 of the *Revolving Funds Act* authorizes the Minister to make payments out of the Consolidated Revenue Fund for working capital, capital equipment and temporary financing of operating requirements, the total of which was not to exceed \$8,000,000 at any time. The authority was increased intermittently over the years. In 1991-1992, the authority was increased by \$34,000,000, which brought the authority to \$64,000,000 as per *Appropriation Act No. 4, 1991-92* which was repealed in 1996 and replaced by Section 5.5 of the *Revolving Funds Act*. As per Treasury Board decision #827175, on April 1, 1999 the draw down authority of the GTIS Revolving Fund was reduced from \$64,000,000 to \$45,000,000 and the accumulated surplus was reduced by \$20,000,000.

In 2001-2002, in accordance with Section 12 of the *Revolving Funds Act*, and through the 2001-2002 Supplementary Estimates (B) (Treasury Board decision #829420 dated December 6, 2001), the draw down authority of the Fund was reduced from \$45,000,000 to \$20,000,000.

As part of the restructuring announced June 25, 1993, GTA was merged with the informatics groups from the former Supply and Services Canada (SSC) and Public Works Canada (PWC) to form what was called Government Telecommunications and Informatics Services (GTIS). As of April 1, 1994, all balances in the GTA Revolving Fund were transferred to the GTIS Revolving Fund. The 1998-1999 Planning, Reporting and Accountability Structure (PRAS) exercise transferred the activities providing internal support to PWGSC from the GTIS Revolving Fund to the Vote effective April 1, 1998.

In 2002-2003, the Revolving Fund changed its name to Telecommunications and Informatics Common Services Revolving Fund.

In 2004-2005 the fund received an authorization (Treasury Board decision #831746 dated January 31st, 2005) to use a portion of their accumulated surplus in order to contribute to the transformation planning and development of IT products, services, systems and infrastructure initiative for a maximum amount of \$12,664,240 (\$5,704,220 in 2004-2005; \$6,960,020 in 2005-2006). This initiative will increase shared services capacity through the Information Technology Services Branch (ITSB) and will meet the department's growing service requirements to directly

benefit the Revolving Fund. The actual costs paid by the Revolving Fund to the ITSB in 2005-2006 were \$6,959,988 (\$2,528,518 in 2004-2005). ITSB is part of the Government Services Program Operating Expenditures Vote.

2. Significant accounting policies

The financial statements have been prepared in accordance with accounting standards issued by the Treasury Board of Canada Secretariat which are consistent with Canadian generally accepted accounting principles for the public sector.

The significant accounting policies are as follows:

(a) Use of estimates

The preparation of financial statements in accordance with the reporting requirements for revolving funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

(b) Revenues and expenses

Revenues and expenses are recorded using the accrual basis of accounting.

(c) Capital assets

Capital assets are stated at cost and are amortized commencing the month after acquisition on a straight line basis over the estimated useful economic lives as follows:

<u>Category</u>	<u>Estimated useful economic lives</u>
Informatics hardware	3 to 5 years
Informatics software	3 years

(d) Pension plan

Employees are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

Telecommunications and Informatics Common Services Revolving Fund— Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

(e) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

8. Financial instruments

The Revolving Fund's financial instruments consist of cash in transit, accounts receivable and accounts payable. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Revolving Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

Translation Bureau Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Translation Bureau Revolving Fund as required by the Treasury Board Policy on Special Revenue Spending Authorities, and in accordance with relevant reporting requirements and standards of the Receiver General for Canada. The financial statements were prepared in accordance with the significant accounting policies set out in Note 2 to the financial statements, applied on a basis consistent with that of the preceding year.

Primary responsibility for the integrity and objectivity of data in these financial statements rests with management of the Fund. This responsibility is discharged by the Finance Branch which develops and disseminates financial management and accounting policies and directives to maintain appropriate standards of financial management, accounting and reporting.

Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfil its accounting and reporting responsibility, the Fund maintains a set of accounts which provide a centralized record of the Fund's financial transactions, and maintains systems of financial management and internal control which give due consideration to costs, benefits and risks. These systems and controls are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and to safeguard assets under the Fund's administration. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by

the careful selection, training and development of qualified staff, by the organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

These financial statements were audited by an external professional public accounting firm in accordance with Canadian generally accepted auditing standards. The role of the auditor was to provide an independent opinion as to whether the financial statements present fairly, in all material respects, the Fund's financial position at March 31, 2006 and the results of its operations and cash flow for the year then ended. The Auditors' Report (opinion) is appended to the financial statements.

Financial information contained in ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with information contained in these financial statements, unless otherwise indicated.

AUDITORS' REPORT

TO THE DIRECTOR GENERAL, AUDIT AND EVALUATION
BRANCH PUBLIC WORKS AND GOVERNMENT SERVICES
CANADA

We have audited the statement of financial position of the Translation Bureau Revolving Fund as at March 31, 2006 and the statements of operations and net assets (liabilities) and cash flows for the year then ended. These financial statements are the responsibility of the management of the Translation Bureau Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting

principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Translation Bureau Revolving Fund as at March 31, 2006 and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting as disclosed in Note 2 to the financial statements.

The accompanying notes are an integral part of the financial statements.

Translation Bureau Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Translation Bureau was established in 1934, when the *Translation Bureau Act* came into effect. In April 1993, Treasury Board approved the establishment of the Bureau as a Special Operating Agency effective April 1, 1995. This decision was confirmed in the 1994-1995 Supplementary Estimates (D).

The Revolving Fund was created on April 1, 1995 and accounts for the following services: translation, interpretation and terminology to clients. Pursuant to Section 29.1(2) of the *Financial Administration Act*, the Fund has a continuing non-lapsing authority to make expenditures out of the Consolidated Revenue Fund and to spend for the purposes of the Fund any revenues received for those purposes. The aggregate of expenditures made for the purposes of the Fund shall not at any time exceed by more than \$75 million the revenues received in respect of the purposes of the Fund.

Treasury Board (TB) decision #822560 dated February 22, 1995, TB decision #824299 dated July 10, 1996 and TB decision #825830 dated December 11, 1997 gave the Translation Bureau the authority to delete operating losses for the first six years of operating under the Revolving Fund. No amount was written-off in 2000-2001 nor in 1999-2000 since the Revolving Fund was showing a surplus.

In accordance with Section 29.1 of the *Financial Administration Act*, and through the 2001-2002 Supplementary Estimates (B), (Treasury Board decision #829357 dated November 8, 2001), the drawdown authority was reduced from \$75,000,000 to \$10,000,000.

2. Significant accounting policies

The financial statements have been prepared in accordance with accounting standards issued by the Treasury Board of Canada Secretariat which are consistent with Canadian generally accepted accounting principles for the public sector.

The significant accounting policies are as follows:

(a) Use of estimates

The preparation of financial statements in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

(b) Revenues and expenses

Revenues and expenses are recorded using the accrual basis of accounting.

(c) Capital assets

Capital assets consisting of machinery and equipment, informatics hardware and informatics software are stated at cost and are amortized on a straight line basis over the estimated economic life commencing the month after acquisition. Leasehold improvements are amortized over the lesser of the remaining term of the lease or the useful life of the improvement.

<u>Category</u>	<u>Estimated useful economic lives</u>
Machinery and equipment	10 to 15 years
Informatics hardware	3 to 5 years
Informatics software	3 to 5 years

(d) Pension plan

Employees are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

(e) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

An accrual was made for severance entitlements on service prior to April 1, 1995. The asset account "Deferred employee termination benefits" represents benefits earned prior to April 1, 1995. The account is drawn down as benefits are paid to the related employees and become recoverable from the Treasury Board. The Treasury Board will continue to reimburse for termination benefits paid by the Bureau, for service prior to April 1, 1995, until March 31, 2010. After March 31, 2010, the Treasury Board has no further obligation to reimburse for benefits paid.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

			<u>(31)</u>

9. Comparative figures

Certain of the prior years' figures have been reclassified in order to conform to the presentation adopted in the current year.

10. Financial instruments

The Revolving Fund's financial instruments consist of cash, accounts receivable and accounts payable. The carrying values of these financial instruments approximate their fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Revolving Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

Enactment of the firearms fees remission order which provides for the reimbursement of \$35 to anyone who paid the full price for a "possession-only" firearms licence between December 1, 1999 and June 9, 2000.	220	PC 1997-2058, December 29, 1997, remission of Customs duties and GST on outerwear fabrics to a manufacturer of outerwear fabrics during the period January 1, 1998 to December 31, 2004.	374
Total	<u>402</u>	PC 1998-1456, August 26, 1998, remission of Customs duties on apparel, fabric and made-up goods and spun yarn from Mexico or the United States.	25,210
PURSUANT TO SECTION 115 OF THE CUSTOMS TARIFF		PC 2001-2283, December 13, 2001, remission of Customs duties and GST on certain Canadian fashion designers of men's and women's apparel.	715,855
PUBLIC SAFETY AND EMERGENCY PREPAREDNESS		PC 2003-415, March 27, 2003, remission of Customs duties pursuant to the Costa Rica Tariff on aggregate quantities of goods.	107,368
Canada Border Services Agency		PC 2005-1507, August 31, 2005, remission of the Excise taxes and the goods and services tax on goods imported temporarily into Canada by a Championship's family member.	666
PC 1995-132, January 31, 1995, remission of GST and Excise tax on certain goods imported into Canada by scientific or exploratory expeditions.	17,317	Total	<u>131,527,395</u>
PC 1995-1202, July 26, 1995, remission of GST on printed material imported for use by foreign carriers.	107,814		
PC 1997-830, June 17, 1997, remission of Customs duties and GST to a manufacturer on tailored collar shirts imported during the period July 1, 1997 to December 31, 2004.	23,566,260		
PC 1997-952, July 4, 1997, remission of Customs duties and GST under section 20 of the Customs Tariff on distilled spirits entitled to the benefit of the United States Tariff, the Mexico Tariff or the Chile Tariff and imported into Canada by distillers for the purpose of bottling in bond.	78,506,414		

Debts, obligations and claims written off or forgiven

The types of approval/authority for the write-off or forgiveness (including waivers and remissions) of debts, obligations and claims are as follows:

- (i) Ministerial approval represents authority given to Ministers under the *Financial Administration Act* (FAA) or other Acts of Parliament as described in (i)(a), (b) and (c)—
 - (a) Section 25(1) of the FAA gives Ministers, through Treasury Board regulations, general authority to approve the write-off of any debt, obligation or claim other than accountable advances or overpayments of salaries, wages, or employment-related allowances that would not result in a charge to an appropriation.
 - (b) Section 155.1(4) of the FAA gives Ministers, through Treasury Board regulations, authority to waive interest on overdue amounts owing to Her Majesty and to waive administrative charges for dishonoured instruments (e.g. NSF cheques) imposed under section 155.1 of the FAA.
 - (c) Other Acts of Parliament (e.g. *Bankruptcy and Insolvency Act*) give Ministers general authority to approve the write-off or forgiveness of specific debts, obligations or claims.
- (ii) Treasury Board approval— Section 25(1) of the FAA, through Treasury Board regulations, allows a Minister, with specific Treasury Board approval, to write-off any debt, obligation or claim arising from accountable advances or overpayments of salaries, wages or employment-related allowances that would not result in a charge to an appropriation.
- (iii) Governor in Council and Parliamentary authority—
 - (a) Section 23(2.1) of the FAA states that the Governor in Council may, on the recommendation of the Treasury Board, remit any other debt, including any interest paid or payable thereon, where the Governor in Council considers that the collection of the other debt is unreasonable or unjust or that it is otherwise in the public interest to remit the other debt.
 - (b) Section 24.1 of the FAA requires that where a debt or obligation included in the Statement of Financial Position is to be forgiven, and which would result in a charge to an appropriation, the amount to be forgiven must be authorized pursuant to an Act of Parliament, including an *Appropriation Act*.
 - (c) Section 25(2) of the FAA requires that where a debt, obligation or claim included in the Statement of Financial Position is to be written off, and which would result in a charge to an appropriation, the amount to be written off must be authorized by Parliament as a budgetary expenditure in an *Appropriation Act* or some other Act.

* Order in Council remissions of other debts as defined in section 23(2.1) of the FAA. Additional details regarding remissions of taxes, fees, penalties and other debts are provided beginning on page 2.3 of this section.

(1) See introduction above.

(2) Vote L103b, *Appropriation Act No. 1, 1969* authorizes the Minister, in the current and subsequent years, to forgive the repayment of a loan or any part thereof made to parolees for assistance in their rehabilitation.

(3) Forgiveness related to the Fairness Package that emanates from the identified statutes.

Accountable advances

Information on accountable advances is required by section 38(3) of the *Financial Administration Act*.

SECTION 3

2005-2006

PUBLIC ACCOUNTS OF CANADA

Professional and Special Services

CONTENTS

	<i>Page</i>
Professional and special services.....	3.2

PROFESSIONAL AND SPECIAL SERVICES

The following statement presents the total amount spent in the current fiscal year for each main classification of services allocated by department and agency under each ministry. Amounts reported include both internal and external expenditures. Whereas external expenditures result from

transactions between the Government and outside parties, internal expenditures result from transactions involving organizations that are part of the Government of Canada as a reporting entity.

PUBLIC ACCOUNTS OF CANADA

Acquisition of Land, Buildings and Works

CONTENTS

	<i>Page</i>
Acquisition of land, buildings and works	4.2

ACQUISITION OF LAND, BUILDINGS AND WORKS

The following statement presents the total amount spent in the current fiscal year by department and agency under each ministry. Amounts reported include both internal and external expenditures. Whereas external expenditures result from transactions between the Government and outside parties, internal expenditures result from transactions involving organizations that are part of the Government of Canada as a reporting entity.

Certain information not published in the *Public Accounts of Canada* is available on the web in a PDF (Acrobat) format at

the following URL address:
<http://www.pwgsc.gc.ca/recgen/text/pub-acc-e.html>. This information includes for each Government program:

- the total amount spent in the current fiscal year; and,
- details for contracts of \$250,000 or over (\$25,000 or over for cost plus contracts). Such details include the name and location of the contractor, a brief description and location of the project, the amount contracted, the current year's expenditures (i.e. cash payments and accrued charges) and the total expenditures to date.

SECTION 6

2005-2006
PUBLIC ACCOUNTS OF CANADA

Transfer Payments

CONTENTS

	<i>Page</i>
Transfer payments	6.2

TRANSFER PAYMENTS

The following statement presents the total amount spent as transfer payments in the current fiscal year by department and agency under each ministry. A transfer payment is a grant, contribution or other payment made by the Government for which no goods or services are received. Amounts reported include both internal and external expenditures. Whereas external expenditures result from transactions between the Government and outside parties, internal expenditures result

from transactions involving organizations that are part of the Government of Canada as a reporting entity.

Certain information not published in the *Public Accounts of Canada* is available on the web in a PDF (Acrobat) format at the following URL address: <http://www.pwgsc.gc.ca/recgen/text/pub-acc-e.html>. This information includes for each Government program:

⁽¹⁾ Term to maturity is 20 years, or such lesser period as may from time to time be fixed by the Minister of Finance on recommendations of the Chief Actuary of the Office of the Superintendent of Financial Institutions, redeemable in whole or in part before maturity only at the option of the Minister of Finance.

⁽²⁾ Interest is distributed to the provinces of Ontario and Quebec on the basis of population.

⁽³⁾ Additional information on Deferred revenue specified purpose accounts is provided in Section 5 of Volume I.

⁽⁴⁾ No amount of principal is shown since the closing balance of this liability account is reported with the Foreign Exchange Accounts in Section 8 of Volume I.

This page has been intentionally left blank.

SECTION 8

2005-2006

PUBLIC ACCOUNTS OF CANADA

Payments of Claims Against the Crown, Ex Gratia Payments and Court Awards

CONTENTS

	<i>Page</i>
Payments of claims against the Crown	8.2
Ex gratia payments	8.17
Court awards	8.27

PAYMENTS OF CLAIMS AGAINST THE CROWN

This statement provides, by ministry, details for all payments of claims against the Crown of \$1,000 or over. Claims of less than \$1,000 are reported as one

amount at the end of each ministry, together with the total number of such claims.

EX GRATIA PAYMENTS

This statement provides, by ministry, details for all ex gratia payments of \$100 or over. Payments of less than \$100 are reported as one amount at the end of each department and agency, together with the total number of such payments. For

the purposes of this statement, an ex gratia payment is a discretionary payment, made as an act of benevolence in the public interest, free of any legal obligation, whether or not any value or service has been received.

FEDERAL-PROVINCIAL SHARED-COST PROGRAMS

This statement presents, by province and territory, and for each federal-provincial shared-cost program, the current year and previous year expenditures and the expenditures from inception of the program. Programs are reported year after year until completion, and this even if there is no expenditure in a given year. An (f) adjacent to the total expenditures from inception indicates the programs

completed in the current year. An (a) adjacent to the total expenditures from inception indicates that the previous year's *Public Accounts of Canada* have been amended. In this statement, amounts in roman type represent current year expenditures, amounts in **bold face** type represent previous year expenditures and amounts in *italic* type represent expenditures from inception.

Commission of Inquiry into the Sponsorship Program and Advertising Activities		7,123	1,513,141	8,693,283	10,213,547
<p>This Commission was established by Order in Council (PC 2004-110 dated February 19, 2004) pursuant to Part I of the <i>Inquiries Act</i>. The Commission was to investigate and report on questions raised, directly or indirectly, by Chapters 3 and 4 to the November 2003 Report of the Auditor General to the House of Commons with regard to the sponsorship program and advertising activities of the Government of Canada. The Commission was also to make any recommendations to prevent mismanagement of sponsorship programs or advertising activities in the future, taking into account the initiatives announced by the Government of Canada on February 10, 2004. The Commission published its final report on February 1, 2006.</p>					
Commission of Inquiry into the Actions of Canadian Officials in Relation to Maher Arar		52,227	804,596	5,732,035	6,588,858
<p>This Commission was established by Order in Council (PC 2004-48 dated February 5, 2004) pursuant to Part I of the <i>Inquiries Act</i>. The Commission is investigating and reporting on the actions of Canadian officials in relation to Maher Arar. The Commission is also to make any recommendations on an independent, arm's length review mechanism for the activities of the Royal Canadian Mounted Police with respect to national security.</p>

PUBLIC SAFETY AND EMERGENCY PREPAREDNESS

Department

Commission for public complaints against the RCMP	266,377	38,123			304,500
---	---------	--------	--	--	---------

This Commission was established by Order in Council (PC 1986-2904) pursuant to the *Financial Administration Act* and the *Public Service Employment Act*. The Commission is an independent agency of the federal government established in 1986 by amendments to the *Royal Canadian Mounted Police Act*. Part VI of the *RCMP Act* sets out the structure of the Commission and the duties and responsibilities of its members, who are appointed by Order of the Governor in Council. Part VII sets out the process for the receipt and review of complaints from the public concerning the conduct of members of the RCMP. This process includes the power of the Commission to receive complaints and to send them to the RCMP for investigation and disposition. Part VII also provides complainants with the right to have the RCMP's disposition of their complaints reviewed by the Commission. The review process as set out in Part VII gives the Chairman the power to investigate complaints as well as to hold public hearings to inquire into complaints. The Chairman also has the power to initiate complaints when he is satisfied there are reasonable grounds to do so.

* For details related to current year expenditures, see following statement called—"Travel and living expenses by commission".

Travel and living expenses by commission

The following statement presents the total travel and living expenses paid to each commission's member.

Education costs

This statement provides details of education costs incurred in the current year. For the purpose of this statement, an education cost represents the cost of any long-term education activity. A long-term education activity is any training or development activity given to a Government employee and conducted at an educational institution outside of the Public Service that amounted or will amount to a total of 65 working days or more over a maximum period of three (3) years, or that involved or will involve total expenditures in excess of \$25,000 (including salary).

Return on investments

This statement provides details for the current year of the category of other revenues called return on investments. Return on investments consists mainly of interest from loans and advances, dividends from investments, and transfer of profits, as recorded by departments before any adjustments are made. For the purposes of presentation in the financial

statements, amounts shown here for foreign exchange accounts and enterprise Crown corporations have been respectively reclassified to foreign exchange revenues and Crown corporation revenues in Sections 2 and 3 of Volume I and Table 4a of Volume II.

Travel expenses of ministers and parliamentary secretaries

This statement provides details of the travel expenses of ministers and parliamentary secretaries incurred in the current year while on official departmental business. For the purpose of this statement, travel expenses include transportation, accommodation, meals and other expenses. The following items are excluded from this statement:

- travel expenses of ministers' staff, or of other persons travelling with ministers and parliamentary secretaries;
- hospitality costs extended on behalf of the Government where it is considered to be essential, as a matter of courtesy, or to facilitate the conduct of Government business;
- travel expenses of Members of the House of Commons serving on various parliamentary committees;

- any moving, transportation and travel expenses paid for by the House of Commons on behalf of its Members. These expenses are reported in a separate statement in Section 11 of this volume entitled "House of Commons—Statement of sessional allowances and travel expenses paid in 2005-2006";
- any Department of National Defence charges for the use of Government aircraft; and
- any travel expenses of Members of the House of Commons for Canadian representation at international conferences and meetings. These expenses are reported in a separate statement in Section 11 of this volume entitled "Foreign Affairs and International Trade—Travel expenses for Canadian representation at international conferences and meetings".

Salary and benefits recovered and returned to other Government departments from 3 rd party settlements	345,174		345,174
Payments of residual amount to a claimant from a 3 rd party settlement under the <i>Government Employees Compensation Act</i>	386,206		386,206
Claim cost payment in respect of <i>Merchant Seamen Compensation Act</i>	3,840		3,840
Legal, medical, professional expenses related to Workers' Compensation - 3 rd party claims	72,088		72,088
Claim cost payments to locally engaged employees outside Canada (Section 7)	188,035		188,035
	107,730,307	26,419,888	134,150,195
Less: recoveries			
Claim and administration expenses recovered from Crown agencies	37,556,550	9,730,992	47,287,542
Claim and administration expenses recovered from other Government departments	23,857,967	4,618,240	28,476,207
Claim and administration expenses recovered from the EI account	554,167	110,833	665,000
Recoveries from responsible third parties (subrogation)	792,345		792,345
	62,761,028	14,460,066	77,221,094
Net expenditures ⁽⁴⁾	44,969,279	11,959,822	56,929,101 ⁽⁴⁾

⁽¹⁾ These payments and expenses are charged to a statutory spending authority called "Payments of compensation respecting Government employees (*Government Employees Compensation Act*) and merchant seamen (*Merchant Seamen Compensation Act*)" (see Ministry Summary, section 14 of Volume II).

⁽²⁾ Includes the net payments of compensation respecting:

(a) Government employees (*Government Employees Compensation Act*);

(b) merchant seamen (*Merchant Seamen Compensation Act*); and,

(c) employees of mines now operated by Cape Breton Development Corporation who contracted silicosis prior to acquisition of mines by the Corporation.

⁽³⁾ Represents the federal government's net share of administration expenses of provincial boards.

The claims of federal employees eligible for compensation are dealt with and paid by the provincial workers' compensation boards from funds advanced by the federal government.

⁽⁴⁾ Claims of employees resident in the Yukon, Northwest Territories and Nunavut are processed by the Workers' Compensation Board of Alberta.

⁽⁴⁾ Net expenditures agree with the Payments of compensation respecting Government employees and merchant seamen.

⁽¹⁾ Bill C-30, assented to on April 21, 2005, amended the allowances and salaries paid to Members of Parliament retroactive to April 1, 2004.

⁽²⁾ This column excludes:

- the travel expenses of ministers and parliamentary secretaries while on official departmental business. These expenses are reported in a separate statement in Section 11 of this volume entitled "Travel expenses of ministers and parliamentary secretaries";
- the travel expenses of Members serving on various parliamentary committees;
- any Department of National Defence charges for the use of Government aircraft; and
- any travel expenses of Members for Canadian representation at international conferences and meetings. These expenses are reported in a separate statement in this section entitled "Foreign Affairs and International Trade - Travel expenses for Canadian representation at international conferences and meetings".

⁽³⁾ Removal, winding-up, resettlement and other expenses.
