INTRODUCTION TO THE PUBLIC ACCOUNTS OF CANADA

Nature of the Public Accounts of Canada

The *Public Accounts of Canada* is the report of the Government of Canada prepared each fiscal year by the Receiver General as required by section 64 of the *Financial Administration Act*.

The report covers the fiscal year of the Government, which ends on March 31, and is prepared from data contained in the accounts of Canada and from more detailed records maintained in departments and agencies. The accounts of Canada is the centralized record of the Government's financial transactions maintained by the Receiver General in which the transactions of all departments and agencies are summarized. Each department and agency is responsible for reconciling its accounts to the control accounts of the Receiver General, and for maintaining detailed records of the transactions in their accounts.

The report covers the financial transactions of the Government during the year. In certain cases, parliamentary authority to undertake transactions was provided by legislation approved in earlier years.

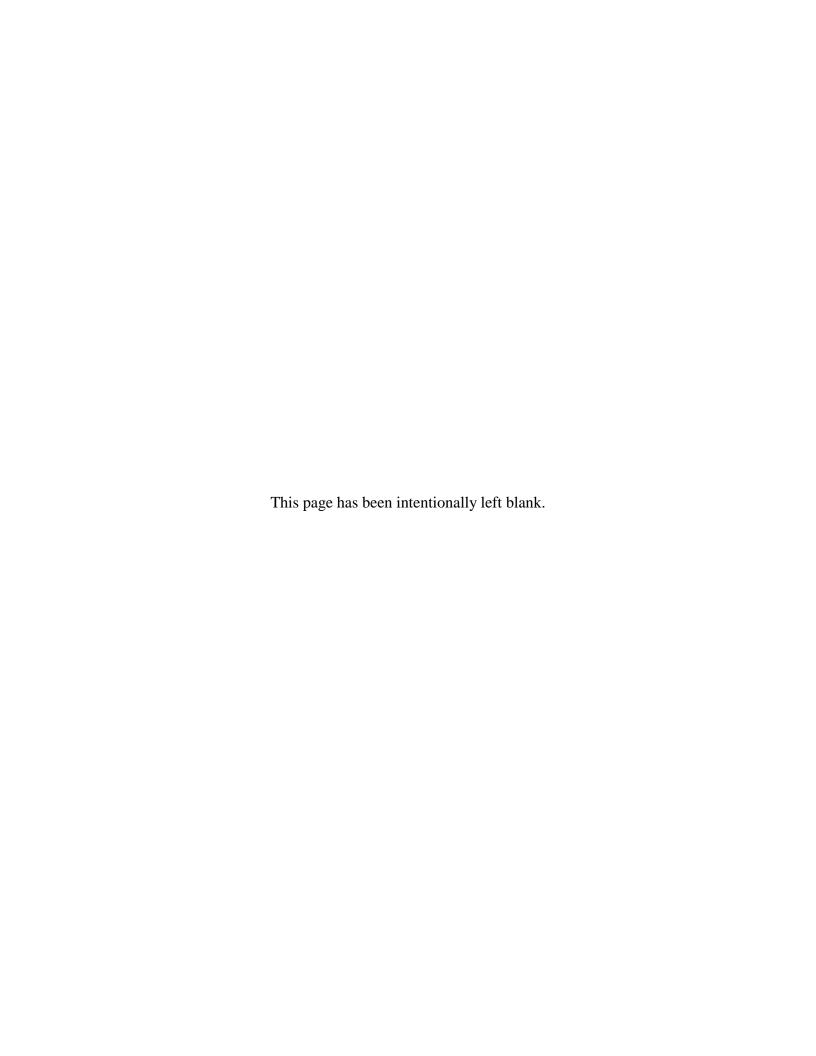

Format of the Public Accounts of Canada

The *Public Accounts of Canada* is produced in three volumes.

Volume I presents a summary analysis of the financial transactions of the Government.

Volume II presents the financial operations of the Government segregated by ministry while Volume III presents additional information and analyses. The content of Volume III is summarized as follows:

- financial statements of revolving funds (Section 1);
- financial statements of departmental corporations (Section 2);
- supplementary information required by the *Finan-cial Administration Act* (Section 3);
- professional and special services (Section 4);
- acquisition of land, buildings and works (Section 5);
- acquisition of machinery and equipment (Section 6);
- transfer payments (Section 7);
- public debt charges (Section 8);
- payments of claims against the Crown, ex gratia payments and Court awards (Section 9);
- federal-provincial shared-cost programs (Section 10);
- other Government-wide information (Section 11); and,
- other miscellaneous information (Section 12).

Canadian Grain Commission Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Canadian Grain Commission Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by management of the Fund in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimate and judgment with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Canadian Grain Commission's financial services develops and disseminates financial management and accounting policies and issues, specific directives which maintains standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded so as to maintain

accountability of Government funds and safeguard the assets under the Fund's administration. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organization arrangements that provide appropriate divisions of responsibility and by communicating programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

In order to assure maximum objectivity and freedom from bias, these financial statements have been examined by external auditors. The auditors' role is to express an independent opinion as to whether the financial statements present fairly the financial position of the Fund as at March 31, 2004 and the results of operations and the change in financial position for the year ended in accordance with the accounting principles for revolving funds of the Government of Canada. This opinion has been appended to these financial statements. The audit committee of the Fund has approved the issuance of the financial statements.

The costing model has been in place for three years and will assist in the costing of fees to comply with Bill C212 requirements.

Approved by:

CHRIS HAMBLIN Chief Commissioner SHARON McSHANE Chief Financial Officer July 12, 2004

1.2 FINANCIAL STATEMENTS OF REVOLVING FUNDS

AUDITORS' REPORT

TO THE CHIEF COMMISSIONER AND COMMISSIONERS OF THE CANADIAN GRAIN COMMISSION REVOLVING FUND

We have audited the statement of financial position of the Canadian Grain Commission Revolving Fund as at March 31, 2004 and the statements of operations, accumulated surplus and cash flow for the year then ended. These financial statements are the responsibility of the Revolving Fund's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Revolving Fund as at March 31, 2004 and the results of its operations and its cash flow for the year then ended in accordance with the accounting principles for Revolving Funds of the Government of Canada as described in Note 2.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the Chief Commissioner, Commissioners of the Canadian Grain Commission Revolving Fund, Public Works and the Auditor General. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

NOTES TO THE FINANCIAL STATEMENTS

1. Purpose and authority

The Canadian Grain Commission was established under the *Canada Grain Act* in 1912. The objectives of the Canadian Grain Commission are to establish and maintain standards of quality for Canadian grain, regulate grain handling in Canada and ensure a dependable commodity for domestic and export markets in the interests of grain producers.

The Canadian Grain Commission is a separate Government department funded by a combination of an ongoing appropriation, special appropriation, authority to re-spend fees collected and a revolving line of credit of \$2,000,000. The revolving line of credit is currently frozen pending funding issues. The anticipated resolution of the funding issue is expected in late fall of 2004.

2. Significant accounting policies

The financial statements have been prepared in accordance with the reporting requirements for revolving funds established by the Receiver General. The basis of accounting used in these financial statements for property and equipment assumed on April 1, 1995, and pension costs materially differs from Canadian generally accepted accounting principles. The significant accounting policies used to prepare these financial statements are as follows:

Allowance for doubtful accounts

Allowances are established for individual accounts for which interest or principal payments are 90 days past due.

Revenue and expense recognition

Revenue is recognized in the accounting period in which it is earned through the provision of goods or services, or when an event giving rise to a claim has taken place. Unless otherwise disclosed, expenses are recorded in the period they are incurred.

Parliamentary appropriation

The ongoing parliamentary appropriation received for the Appointments by the Governor in Council of Assistant Commissioners and Grain Research Laboratory expenditures has been recorded as revenue of the Canadian Grain Commission Revolving Fund (the Revolving Fund).

Parliamentary appropriations relating to employee severance entitlements earned prior to April 1, 1995 are recorded as an account receivable from the Treasury Board when paid by the Canadian Grain Commission.

Property and equipment

Certain property and equipment previously under the custodianship of the Department of Agriculture and Agri-Food Canada were assumed by the Revolving Fund on April 1, 1995. The assumed assets were considered to be

contributed capital and recorded at the Crown's estimated net book value. Property and equipment acquired subsequent to April 1, 1995 are recorded at cost.

Proceeds from the disposal of contributed assets revert to the Consolidated Revenue Fund. Proceeds from the disposal of other are retained by the Revolving Fund.

Assets are amortized on a straight-line basis over their estimated useful lives, commencing in the month after acquisitions, as follows:

Scientific equipment	5 years
Office equipment and furnishings	5 years
Operational equipment	5-10 years
Computer equipment and software	3 years
Leasehold improvements	5 years
Intangible assets	5 years

Employee termination benefits

Termination benefits accrue to employees over their years of service with the Government of Canada as stipulated in their employment contracts. The Canadian Grain Commission provides for the severance entitlements earned by employees subsequent to March 31, 1995. No accrual has been made in these financial statements for severance entitlements earned by employees up to March 31, 1995. They represent an obligation of the Canadian Grain Commission that will be funded by the Treasury Board.

Vacation pay

Vacation benefits earned are recorded in the Revolving Fund's accounts at year end based on employee records.

Pension plan

Employees of the Canadian Grain Commission are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefit charge assessed against the Revolving Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

Interest on drawdown

Interest is charged to the Revolving Fund at a rate set by the Treasury Board. Interest charges are calculated monthly on the balance of the accumulated net charge against the Fund's authority. The Treasury Board does not pay interest when a surplus arises that results in no drawdown against the authority.

4. Special appropriations

The Federal Government's funding arrangement with the Canadian Grain Commission provided total interim parliamentary appropriations of \$83 million for the years up to and including the year ending March 31, 2004. The arrangement provided additional appropriation as follows:

(in	thousands	of dol	lars)

2000	20,000
2001	14,000
2002	15,000
2003	19,300
2004	14,700

For the year ended March 31, 2004, the Canadian Grain Commission received additional special appropriation of approximately \$1.8 million.

The Federal Government announced changes to the Canadian Grain Commission's funding arrangement with an additional special parliamentary appropriation of \$30 million over two years. In 2003-2004, \$15 million was recognized and the remaining \$15 million will be recognized in 2004-2005.

5. Parliamentary appropriations

Grain Research Laboratory

A portion of the costs incurred by the Revolving Fund for the Grain Research Laboratory were covered by parliamentary appropriation. These amounts are included in the financial statements and are summarized as follows:

	2004	2003
	(in thousands	of dollars)
Salaries and employee benefits	3,477	3,501
Rent	571	552
Repairs, supplies and miscellaneous	702	643
Travel and relocation	118	97
Professional and special services	81	130
Communications	91	58
Employee termination benefits	39	55
Postage and freight	37	39
Grain Research Laboratory parliamentary appropriation revenue	5,116	5,075
appropriation revenue	964	1,005
Total parliamentary appropriation revenue	6,080	6,080

Appointments

The costs associated with the appointments by the Governor in Council of the Assistant Commissioners are covered by parliamentary appropriation. These amounts are included in the financial statements and are summarized as follows:

	2004	2003
	(in thousands	of dollars)
Salaries and employee benefits	752	780
Rent	31	35
Repairs, supplies and miscellaneous	15	13
Travel and relocation	93	102
Professional and special services	16	22
Communications	43	37
Employee termination benefits	11	12
Postage and freight	3	4
Appointments parliamentary appropriation		
revenue	964	1,005

NOTES TO THE FINANCIAL STATEMENTS— Concluded

Accumulated net charge against the Revolving Fund's authority

Accumulated net charge against the Revolving Fund's authority is comprised of the following amounts:

	2004	2003
	(in thousands	s of dollars)
Money held in trust for bankruptcy		950
termination benefits	4,556	3,999
purposes	12,224	4,853
Total accumulated net charge against the Fund's authority	16,780	9,802

7. Lease commitments

Lease commitments under operating leases for office accommodation have been primarily entered into with Public Works and Government Services Canada. Future minimum lease payments over the next four years are as follows:

(in	thousands	of	dol	llars
-----	-----------	----	-----	-------

2005	3,456
2006	2,833
2007	2,744
2008	164

8. Contingency

Employees are permitted to accumulate unused sick leave. However, such leave entitlements do not vest and may only be used in the event of illness. The amount of accumulated sick leave entitlements that will become payable in future years cannot reasonably be determined. Accordingly, no amount has been accrued in these financial statements. Payments of sick leave benefits are included in current operations as incurred.

9. Insurance

In accordance with the Government's policy of self-insurance, the Canadian Grain Commission does not carry its own insurance.

10. Income taxes

The Canadian Grain Commission is not subject to income taxes.

11. Comparative figures

Certain comparative figures have been restated to conform to the current year's presentation.

Canadian Intellectual Property Office Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Canadian Intellectual Property Office Revolving Fund (the "Fund") as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in Note 2 of the financial statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts, which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Fund's directorate of financial services develops and disseminates financial management and accounting policies and issues specific directives, which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are

PUBLIC ACCOUNTS OF CANADA, 2003-2004

Canadian Intellectual Property Office Revolving Fund—Continued

AUDITORS' REPORT

TO THE DEPUTY MINISTER, INDUSTRY CANADA

We have audited the statement of financial position of the Canadian Intellectual Property Office Revolving Fund as at March 31, 2004 and the statements of operations, accumulated surplus and cash flow for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities. These financial statements are the responsibility of the management of the Canadian Intellectual Property Office Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Canadian Intellectual Property Office Revolving Fund as at March 31, 2004 and the results of its operations and its cash flows for the year then ended in accordance with the accounting principles for revolving funds of the Government of Canada as described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Revolving Fund and the Treasury Board of Canada Secretariat for reporting on the use of the Fund authority. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

Canadian Intellectual Property Office Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS

1. Purpose and authority

The Canadian Intellectual Property Office Revolving Fund (the "Fund") grants or registers exclusive ownership of intellectual property in Canada. In exchange, the Fund acquires intellectual property information and state-of-the-art technology which it disseminates to Canadian firms, industries and individuals to improve economic performance, competitiveness and to stimulate further invention and innovation.

The Fund was established on April 1, 1994. The authority to make expenditures out of the Consolidated Revenue Fund, was granted on February 22, 1994 and has an authorized limit of \$15,000,000. During the fiscal year ended March 31, 2002, the Fund's authorized limit was reduced from \$15,000,000 to \$5,000,000. The Fund has continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits. The Fund may retain surpluses to continue to automate operations.

2. Significant accounting policies

Basis of accounting

The financial statements have been prepared in accordance with the reporting requirements for revolving funds described by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because: services received without charge from other government departments are not reported as expenses; the expenses and liability for termination benefits excludes the portion not funded by the fund; and contingent liabilities are disclosed rather than recorded. The significant accounting policies are as follows:

Revenue recognition

Revenue derived from processing patent, trade-mark and industrial design applications is recognized using the percentage of completion method as work progresses. Fees received in advance of work being completed are recorded as deferred revenues. When work is completed prior to the receipt of the fee, the amount is recorded as unbilled revenue. Maintenance fees and other revenue are recognized upon receipt. Fees are prescribed by various Orders in Council.

Capital assets and amortization

Capital assets are recorded at cost. Capital assets are amortized on a straight-line basis over their estimated useful lives, beginning in the month after acquisition, as follows:

Software	3 years
Hardware	3-5 years
Furniture	10 years
Equipment	10 years
Leasehold improvements	5 years
Systems	estimated useful life,
	beginning in the year
	of deployment

Deferred capital assistance

The Fund received \$63,848,000 from the Crown for the development of the Techsource automation project, which was implemented in 1997-98. The deferred capital assistance is amortized on a straight-line basis over the estimated useful life of the Techsource system.

Employee termination benefits

Employees of the Fund are entitled to specified termination benefits, calculated based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. Employee termination benefits earned prior to an employee joining the Revolving Fund are a liability of the Treasury Board and accordingly have not been recorded in the accounts. As at March 31, 2004, the Treasury Board liability for the Fund's employees is \$4.4 million (2003—\$4.1 million). The liability for benefits earned after an employee joins the Revolving Fund is recorded in the accounts as the benefits accrue to employees.

Pension plan

Employees of the Fund are covered by the Public Service Superannuation Plan administered by the Government of Canada. Under present legislation, contributions made by the Fund to the Plan are limited to an amount equal to the employee's contributions on account of current service. These contributions represent the total pension obligations of the Fund and are charged to operations on a current basis. The Fund is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account and/or with respect to charges to the Consolidated Revenue Fund for the indexation of payments under the *Supplementary Retirement Benefits Act*.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Capital assets.

Canadian Intellectual Property Office Revolving Fund—Continued

NOTES TO FINANCIAL STATEMENTS— Continued

revenues and human resource related accrued liabilities are the most significant items for which estimates are used. Actual results could differ from those estimates. These estimates are reviewed annually and as adjustments become necessary, they are recorded in the financial statements in the period in which they become known.

3. Capital assets and accumulated amortization

	Cost March 31, 2003	Additions	Cost March 31, 2004	Accumulated amortization	Net carrying value

5. Equity of Canada

Accumulated net charge against the Fund's authority

Accumulated net charge against the Fund's authority is the cash position of the Revolving Fund, held by the Government on behalf of the Revolving Fund.

Accumulated surplus

The accumulated surplus is an accumulation of each year's surpluses including the absorption of the opening deficit of \$9,448,000 upon establishment of the Revolving Fund.

6. Commitments

TechSource

The Fund has contracted Government Telecommunication and Informatics Services to provide maintenance services for the TechSource System. Amounts committed are:

	(in thousands of dollars)
2005	*
	5,017

(in thousands of dollars)

The Fund has operating leases for its premises from PWGSC. Future lease payments are as follows:

7. Changes in working capital

Components of the changes in current assets and liabilities include:

	2004	2003
	(in thousands	of dollars)
Accounts receivable	(622)	(277)
Unbilled revenues (short term) Prepaid expenses	(1,412) (50)	(1,719) (26)
Deposit accounts	93	252
Accounts payable Deferred revenues (short term)	(431) 1,615	(147) 2,902
zoronea revenues (snort term)		
	(807)	985

8. Related party transactions

Through common ownership, the Fund is related to all Government of Canada created departments, agencies and Crown corporations. Payments for accommodation, translation, legal services, compensation and benefits services, mail services, security services and mainframe and computing services are made to related parties in the normal course of business.

9. Insurance

The Fund does not carry insurance on its property. This is in accordance with the Government of Canada policy of self-insurance.

10. Contingencies

Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements do not vest and can be used only in the event of illness. The amount of accumulated sick leave entitlements which will become payable in future years cannot reasonably be determined and accordingly have not been recorded in the accompanying financial statements. Payments of sick leave benefits are included in current operations as incurred.

11. Income taxes

The Fund is not subject to income taxes.

Canadian Pari-Mutuel Agency Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Canadian Pari-Mutuel Agency Revolving Fund as required by and in accordance with the policy of Treasury Board on Revolving Funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by the management of the Fund in accordance with significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year. Some previous years' figures have been reclassified to conform to the current year's presentation.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. To assure maximum objectivity and freedom from bias, the financial data contained in these financial statements has been examined by the Finance Team of the Department. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Fund's directorate of financial services develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administration. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Canadian Pari-Mutuel Agency Revolving Fund was established under Appropriation Act No. 1, 1970, which authorized the operation of the Fund in the current and subsequent fiscal years in accordance with terms and conditions prescribed by Treasury Board for the purpose of providing race track supervision in Canada. The Appropriation Act No. 1, 1970 was repealed and replaced by section 2 of the Revolving Funds Act in 1985.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$2,000,000 at any time.

Charges to the Fund are to include administration expenses of the Agency and costs of research relating to the use of drugs on horses and race surveillance techniques including the publication, distribution and sale of the results of such research. All revenues from activities approved by Treasury Board are to be credited to the Fund.

The use of the Fund's authority is monitored through the accumulated net charge against the Fund's authority account. Its balance, shown on the statement of financial position under "Equity of Canada", represents the financial position of the Revolving Fund. It is composed of the cumulative net cash transactions through the Consolidated Revenue Fund, the original net assets transferred to the Fund at inception and any subsequent write-offs of deficit or surplus. The change in this account during the year represents the net financial resources used or provided by the Fund.

2. Significant accounting policies

(a) Capital assets

Capital assets, acquired from parliamentary appropriations prior to April 1, 1970 are recorded in the Fund in accordance with Treasury Board Circular 1970-7 at values determined as at that date by officers of the Department. Subsequent acquisitions are recorded in the Fund at cost and are amortized from the year of the acquisition on a straight-line basis over their estimated useful lives as follows:

Furniture and equipment	10 years
Electronic data processing	
equipment	5 years
Automotive	3 years
Buildings	25 years

(b) Pension plan

Employees of the Canadian Pari-Mutuel Agency operating the Supervision Revolving Fund are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government's portion of the pension cost is included in the employee benefits assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and the Supplementary Retirement Benefits Account.

(c) Vacation pay

The accrued liability on the balance sheet represents the amount of vacation pay credits outstanding at the end of the year.

Canadian Pari-Mutuel Agency Revolving Fund—Concluded

NOTES TO THE FINANCIAL STATEMENTS—Concluded

(d) Employee termination benefits

Employees leaving Government service generally receive termination benefits at the rate of one week's pay for each complete year of continuous service to a maximum of twenty eight weeks' pay. However, upon resignation, benefits are generally payable only to those with ten or more years of continuous service and the entitlement is reduced to one half week's pay for each year of continuous employment to a maximum of thirteen weeks' pay.

The allowance at the end of the year consists of one half week's pay at current salary rates for each complete year of service to a maximum of thirteen weeks' pay.

Consulting and Audit Canada Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Consulting and Audit Canada Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada.

These financial statements were prepared in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year. Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfil this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts of Canada is consistent with that in these financial statements, unless indicated otherwise.

These financial statements have been audited by external auditors, their role being to express an opinion as to whether the financial statements present fairly the financial position of the Fund as at March 31, 2004 and the results of its operations and its cash flow for the year ended in accordance with the accounting principles for revolving funds of the Government of Canada.

The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund. This responsibility is discharged by the Finance Sector which develops and disseminates financial management and accounting policies and issues specific directives necessary to maintain standards of accounting and financial management.

Furthermore, the Fund maintains internal controls designed to indicate accountability, provide assurance that assets are safeguarded and that reliable financial records are kept. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by the organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Consulting and Audit Canada Revolving Fund—Continued

AUDITORS' REPORT

TO THE DIRECTOR GENERAL, AUDIT AND ETHICS BRANCH PUBLIC WORKS AND GOVERNMENT SERVICES CANADA

We have audited the statement of financial position of the Consulting and Audit Canada Revolving Fund as at March 31, 2004, the statements of operations, accumulated surplus and cash flow for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities. These financial statements are the responsibility of the management of the Consulting and Audit Canada Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Consulting and Audit Canada Revolving Fund as at March 31, 2004, and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting as disclosed in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Consulting and Audit Canada Revolving Fund and the Treasury Board of Canada Secretariat for reporting on the use of the Fund authority. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

Consulting and Audit Canada Revolving Fund—Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

Consulting and Audit Canada (CAC) is a Special Operating Agency that provides, on an optional and fee-for-services basis, consulting and audit services to federal Government departments and agencies across Canada. Services may also be made available to foreign governments and international organizations.

CAC is financed by means of the Consulting and Audit Canada Revolving Fund, effective April 1, 1992. Under paragraph 55.5.4(3) of the *Department of Public Works and Government Services Act*, the Fund was initially provided with a line of credit to a maximum of \$30,000,000 to fund operations. This limit was later adjusted by \$4,899,387 to \$25,100,613 by the Treasury Board (TB decision #826332 dated November 5, 1998) to reflect an adjustment to the spending authority.

In 2001-2002, in accordance with Section 12 of the *Revolving Funds Act*, and through the 2001-2002 Supplementary Estimates (B) (TB decision #829420 dated December 6, 2001) the draw down authority was reduced from \$25,100,613 to \$20,000,000.

2. Significant accounting policies

The financial statements have been prepared in accordance with the reporting requirements for revolving funds described by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because:

- The services received without charge from other government departments are not reported as expenses;
- The expenses and liability for employee termination benefits excludes the portion not funded by the Fund; the liabilities for employee termination benefits are based on management's estimates rather then actuarial valuation; also vacation pay and time-off in lieu are based on management's estimates; and
- The contributions to the Pension plan are based on Treasury Board's rates representing an estimate of what the cost is likely to be for the Government in the upcoming year; also actuarial surpluses or deficiencies are not accounted for in the Fund.

The significant accounting policies are as follows:

(a) Revenues and expenses

Revenues and expenses are recorded on the accrual basis of accounting.

(b) Capital assets

Capital assets are stated at cost and are amortized commencing the month after acquisition on a straight-line basis over their estimated useful economic lives as follows:

Category	Estimated usefu economic lives
Informatics hardware	3 to 5 years
Informatics software	3 years
Leasehold improvements	5 years

(c) Pension plan

Employees of CAC are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee fringe benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

(d) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

No accrual is made for severance entitlements on service prior to April 1, 1992. Benefits earned prior to April 1, 1992 and estimated at \$2,990,350 (2002-2003—\$3,143,000) represent an obligation of CAC and will be funded by the Treasury Board.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

(e) Insurance

CAC does not carry insurance on its property. This is consistent with the Government's policy of self-insurance.

Current assets	19,784	23,242	3,458
Current liabilities	18,647	19,372	(725)
			2,733

8. Financial instruments

The Revolving Fund's financial instruments consist of cash in transit, accounts receivable, accounts payable and accrued liabilities. The carrying values of these financial instruments approximate fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Revolving Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

9. Use of estimates

The preparation of the financial statements in accordance with the reporting requirements for the Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

CORCAN Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the CORCAN Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. These financial statements were prepared by the management of the Fund in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year. Any differences in the comparative amounts from the amounts in the financial statements for the year ended March 31, 2004 are solely the results of reclassifications for comparative purposes.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfil this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Fund's directorate of financial services develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament, are executed in accordance with prescribed regulations, and are properly recorded to maintain accountability of Government funds and safeguard the assets under the Fund's administrations. Financial management and internal control systems are augmented by the performance of internal control reviews. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Management has presented the financial statements to the Fund's external auditor, Ernst & Young, who audited them and has provided an independent opinion which has been appended to these financial statements.

Approved by:

CORINNE HAGERMAN

Chief Executive Officer

AUDITORS' REPORT

TO THE ADVISORY BOARD OF CORCAN REVOLVING FUND

We have audited the statement of financial position of CORCAN Revolving Fund as at March 31, 2004 and the statements of operations, accumulated deficit and cash flows for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's policy on special revenue spending authorities. These financial statements are the responsibility of CORCAN's Revolving Fund management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of CORCAN Revolving Fund as at March 31, 2004 and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting as described in note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Revolving Fund and the Treasury Board. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

CORCAN Revolving Fund is an agency within Correctional Service Canada financed by way of a Revolving Fund. The CORCAN Revolving Fund (the "Fund") was established under Appropriation Act No. 4, 1991-92, which authorized the operation of the Fund effective April 1, 1992 in accordance with terms and conditions prescribed by Treasury Board. CORCAN Revolving Fund's purpose is to aid in the safe reintegration of offenders into Canadian society by providing employment and training opportunities to offenders incarcerated in federal penitentiaries and, for brief periods of time, after they are released into the community. The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$5,000,000 at any time. An amount of \$15,218,000, representing net assets assumed by the Fund was charged to this authority when the Fund became operative on April 1, 1992.

2. Significant accounting policies

The financial statements have been prepared in accordance with the reporting requirements for revolving funds prescribed by Treasury Board. Since a precise determination of many assets and liabilities is dependent upon future events, the preparation of financial statements for a period necessarily involves the use of estimates and approximations which have been made with careful judgment. These financial statements present the assets, liabilities and results of operations of the Fund and have been prepared with reasonable limits of materiality and within the framework of the accounting policies summarized below. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because services received without charge from Correctional Services Canada are not reported as expenses, the obligation for employee termination benefits is based on management's estimate of the liability rather than an actuarial valuation and the liability for employee termination benefits to be assumed in future years [see note 9] is not reflected.

The significant accounting policies are as follows:

Recognition of revenue and expense

Except as noted below, revenues are recognized when goods are sold or services rendered.

For multi-year construction contracts in excess of \$100,000 the percentage of completion method of accounting is used. Degree of completion is determined by comparing direct costs incurred to date to the total direct

costs anticipated for the entire contract. The effect of changes to the total estimated income for each contract is recognized in the period in which the determination is made and losses, if any, are recognized fully when anticipated. Profits on construction contracts of up to \$100,000 are recognized when the contract has been substantially completed.

Expenses are recorded in the period they are incurred.

Inventories

Raw materials are valued at cost. Other inventories are valued at the lower of cost and net realizable value.

Capital assets

Capital assets are recorded at cost and are amortized commencing the month following the month of acquisition on a straight-line basis over their estimated useful lives as follows:

Equipment	10 years
Office furniture and equipment	10 years
Computer equipment	3 years
Vehicle fleet	5 years
Livestock	3-5 years

Pension plan

Employees of CORCAN Revolving Fund are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefits assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits accounts. Pension plan expense is recognized when it is paid.

Employee future benefits

Employees of CORCAN Revolving Fund are entitled to specified termination benefits based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. Employee termination benefits earned by employees of CORCAN Revolving Fund prior to April 1, 1992 are considered a liability of the Treasury Board and, accordingly, have not been recorded in the accounts. The financial statements of CORCAN Revolving Fund include the termination benefits earned by the employees of CORCAN since the inception of the Fund. The employee future benefits are recognized when they are earned.

NOTES TO THE FINANCIAL STATEMENTS— Continued

Sick leave

Employees are permitted to accumulate unused sick leave. However, such leave entitlements may only be used in the event of an illness. As per current Government practice, unused sick leave upon employee termination is not payable to the employee. Accordingly, no amount has been accrued in these financial statements.

Warranty provision

Potential warranty costs associated with products are recorded when the products are sold.

Financial instruments

The fair value of financial instruments approximates costs unless otherwise specified. The Fund's financial instruments consist of accounts receivable, accounts payable, accrued liabilities and long-term debt. It is management's opinion that the Fund is not exposed to significant interest, currency or credit risks arising from those instruments.

3. Related party transactions

CORCAN Revolving Fund entered into the following transactions with the Correctional Service Canada ["CSC"], its parent organization:

	2004	2003
	(in thousands	s of dollars)
Trade revenues	8,967	12,390
and other fees	21,824	21,716
	30,791	34,106

As at March 31, 2004, CORCAN Revolving Fund has \$1,054,000 [2003 - \$1,052,000] receivable from CSC.

Correctional Service Canada has provided and will continue to provide CORCAN Revolving Fund with the use of existing infrastructure including buildings, shops and farms as well as maintenance of said facilities, free of charge.

4. Accounts receivable

2007	4
	46
Financing charges included	
therein at 10.95 percent	(4)
	42
Current portion	(18)
Long term portion	24

9. Employee future benefits

Termination benefits

Termination benefits earned by employees prior to the creation of CORCAN on April 1, 1992 are considered a liability of the Treasury Board and are therefore not recorded in the accounts. As at March 31, 2004, the Treasury Board liability for benefits earned by CORCAN employees prior to April 1, 1992 is \$1,362,000 [2003—\$1,515,000]. The Treasury Board will fund the payout of these benefits for a period of up to 15 years from the establishment date of CORCAN. CORCAN will therefore become liable for these benefits within the next three years. The liability for benefits earned after April 1, 1992 is recorded in the accounts as the Employee Termination Benefits. As at March 31, 2004, CORCAN's liability is \$2,773,000 [2003—\$2,626,000].

CORCAN expensed \$478,000 related to Employee Termination Benefits in 2003-2004.

Pension plan

During the year CORCAN has expensed \$3,908,000 [2003—\$3,832,000] for employee benefits including \$2,783,000 [2003—\$2,694,000] of contributions to the Public Service Superannuation Pension Plan.

10. Commitments

CORCAN Revolving Fund is committed under the terms of various lease agreements. The lease commitments includes an amount of \$1,000,000 through 2007, relating to the Kingston warehouse. This lease was renewed in 2003 and expires September 30, 2006.

The minimum annual payments over the next five years are as follows:

	(in thousands of dollars)
2005	443
2006	426
2007	208
2008	2
2009	2
	1,081

Interest on capital		
lease obligations	5	37

CORCAN Revolving Fund—Concluded

NOTES TO THE FINANCIAL STATEMENTS—Concluded

13. Contingencies

In the normal course of operations, CORCAN Revolving Fund becomes involved in various claims and legal proceedings. While the final outcome with respect to claims and legal proceedings pending at March 31, 2004 cannot be predicted with certainty, it is the opinion of management that their resolution will not have a material adverse effect on the Fund's financial position or results of operations. A provision for these expenses has been established according to the best estimates of management.

14. Contributed capital

In 2001-2002, Treasury Board and CORCAN Revolving Fund negotiated a new revolving fund level to reduce CORCAN's Accumulated Net Charge against the Fund's Authority from \$45,000,000 to \$5,000,000. As part of the agreement, Treasury Board wrote off \$20,456,000 of CORCAN's Accumulated Net Charge against the Fund's Authority balance and therefore increased CORCAN's Contributed Capital.

Defence Production Revolving Fund— Concluded

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Defence Production Revolving Fund was established by Section 15 of the *Defence Production Act*. It was established in 1951 for the purpose of:

- (a) financing the stockpiling of defence supplies or strategic materials;
- (b) making loans or advances to aid in defence procurement, such as working capital loans for advance payments on contracts, but not including loans or advance payments for capital purposes; and
- (c) permitting initial payments for defence supplies which can be promptly billed to a Government department, agency or an associated Government in advance of delivery of goods.

The Adjustment of Accounts Act (S.C. 1980, c.17) had the effect of creating a separate Defence Production Loan Account for loans or advances authorized under the Defence Production Act, item (b) above.

The Fund and the Defence Production Loan Account have a continuing non-lapsing authority from the *Adjustment of Accounts Act* to make payments out of the Consolidated Revenue Fund, of which the total of these two accounts is not to exceed \$100 million at any time.

Geomatics Canada Revolving Fund

MANAGEMENT REPORT

The accompanying financial statements of the Geomatics Canada Revolving Fund have been prepared as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. They were prepared by the management of the Fund in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. The information included in these financial statements is based on management's best estimates and judgement with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts, which provides a centralized record of the Fund's financial transactions and benefits from the advice of accounting personnel of Corporate Services Sector (CSS). Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

CSS develops and disseminates financial management and accounting policies and issues specific directives, which maintain standards of accounting and financial management. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities and are properly recorded to maintain accountability of Government funds and

safeguard the Fund's assets. Financial management and internal control systems are maintained at appropriate costs and are augmented by the maintenance of internal audit programs. Management also seeks to assure the objectivity and integrity of data in its financial statements. This is accomplished by a careful selection, training and development of qualified staff, organizational arrangements that provide appropriate divisions of responsibility and communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

In order to assure maximum objectivity and freedom from bias, an external auditor has examined the financial data contained in these financial statements. His role is to express an informed judgement as to whether the Fund's financial statements, considered in their entirety, present fairly, in conformity with stated accounting policies, the Fund's financial condition and transactions. This judgement is based on procedures described in the opinion appended to these financial statements.

Geomatics Canada Revolving Fund— Continued

AUDITORS' REPORT

TO THE DIRECTOR GENERAL, AUDIT AND REVIEW BRANCH NATURAL RESOURCES CANADA

We have audited the statement of financial position of the Geomatics Canada Revolving Fund as at March 31, 2004 and the statements of operations, accumulated surplus (deficit) and cash flow for the year then ended. These financial statements are the responsibility of the management of the Geomatics Canada Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Geomatics Canada Revolving Fund as at March 31, 2004 and the results of its operations and its cash flows for the year then ended in accordance with the accounting principles for revolving funds of the Government of Canada as described in Note 2.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Revolving Fund and the Treasury Board of Canada Secretariat for reporting on the use of the Fund authority. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

The comparative figures for March 31, 2003 were reported on by another firm of chartered accountants.

Geomatics Canada Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Geomatics Canada Revolving Fund (the Fund) was originally established under Appropriation Act No. 3, 1993-94. It was called "Surveys, Mapping and Remote Sensing Sector Revolving Fund" and approval was conditional on specified conditions. The purpose of the Fund was to shift the costs of offering goods and services from taxpayers to those specific users who directly benefit from them. Subsequently, as registered in Treasury Board Minute 822 296 dated December 8, 1994, the "Surveys, Mapping and Remote Sensing Sector Revolving Fund" was renamed the "Geomatics Canada Revolving Fund". Having met its specified conditions, permanent continuing authority for the Fund was obtained and registered in Treasury Board Minute 822 393 dated February 9, 1995.

The Fund has received a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which at any time is not to exceed \$5,000,000.

2. Significant accounting policies

(a) Basis of accounting

The financial statements have been prepared in accordance with the reporting requirements for revolving funds described by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because: services received without charge from other Government departments are not reported as expenses; the expenses and liability for termination benefits excludes the portion not funded by the Fund; and contingent liabilities are disclosed rather than recorded.

(b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(c) Revenue recognition

Revenues are recognized when goods are sold or services rendered. For multi-year consulting or services contracts, the percentage of completion method of accounting is used. A degree of completion is determined by comparing direct costs incurred to date to the total direct costs anticipated for the entire contract. The effect of changes to the total estimated income for each contract is recognized in the period in which a determination is made and losses, if any, are fully recognized when anticipated.

(d) Inventory

The inventory of maps is valued at the lower of cost or net realizable value, with cost being determined using the weighted average printing cost of each title. An inventory of materials is valued at the lower of cost or replacement value.

(e) Capital assets

Capital assets purchased by the Fund since April 1, 1994 are recorded at cost. These assets are amortized on a straight-line basis over their estimated useful lives, commencing with the month subsequent to acquisition. The estimated useful life of such assets is as follows:

Computer equipment	2 to 5 years
Furniture	10 years
Instruments	10 years
Mechanical equipment	10 years
Office equipment	5 years
Vehicles	5 years
Printing equipment	8 years
Scientific equipment	10 years

(f) Pension plan

The Public Service Superannuation Act and the Supplementary Retirement Benefits Act cover employees of Natural Resources Canada whose salaries and other benefits are paid by the Fund. Government's portion of the pension cost is included in the employee benefits expenses assessed against the Fund. Actual pension payments are made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

(g) Employee termination benefits

Employees of the Fund are entitled to specified termination benefits, calculated based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. Employee termination benefits earned prior to the establishment of the Fund (April 1, 1994) are a liability of the Treasury Board and accordingly have not been recorded in these accounts. The costs for benefits earned after April 1, 1994, as these accrue to employees, are recorded in the accounts.

Geomatics Canada Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS— Continued

(h) Sector and corporate overheads

Sector and Corporate overheads include administrative, management and various other costs incurred in the direct provision of services to the Fund. The allocation is based on predetermined overhead rates which vary with the number of employees (salary), or the number of business units (Sector or Corporate components).

(i) Interest

Interest is charged to the Fund at a rate set by Treasury Board. Interest charges are calculated monthly on the balance of the accumulated charge against the Fund's authority.

8. Reserve for the replacement of printing presses

In order to ensure the continuity of printing operations, Fund management established a reserve for the replacement of the printing presses. Since March 31, 1998 an amount of \$800,000 had been transferred annually for that purpose. However, no annual supplements of \$800,000 have been transferred since the March 31, 2000 year, and the reserve balance has accordingly been maintained at \$1,600,000.

9. Related party transactions

Through common ownership, the Geomatics Canada Revolving Fund is related to all Government of Canada created departments, agencies and Crown Corporations. The Fund enters into transactions with such entities in the normal course of business, which transactions have been recorded at the exchange amount.

10. Comparative figures

Certain 2003 comparative figures have been reclassified to conform with the financial statement presentation adopted for 2004.

National Film Board Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the National Film Board Revolving Fund. These financial statements were prepared by the management of the Fund in accordance with Treasury Board of Canada accounting standards based on Canadian generally accepted accounting principles. Some previous year's figures have been restated and reclassified to conform to the current year's presentation.

Responsibility for the integrity and objectivity of these financial statements rests with the management of the Fund. In order to assure maximum objectivity and freedom from bias, the financial data contained in these financial statements has been examined by the Audit and Finance Committee and presented to the Board of Trustees. The information included in these financial statements is based on management's best estimates and judgment with due consideration given to materiality. To fulfil its accounting and reporting responsibilities, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Director, Administration, develops and disseminates financial management and accounting policies and issues specific directives which maintain standards of accounting and financial management. The Fund maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to

provide reasonable assurance that transactions are properly authorized, are executed in accordance with prescribed regulations, and are properly recorded so as to maintain accountability of Government funds and safeguard the assets under the Fund's administration. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Management has presented the financial statements to the Auditor General, who audited them and has provided an independent opinion which has been appended to these financial statements.

National Film Board Revolving Fund— Continued

AUDITOR'S REPORT

TO THE MINISTER OF CANADIAN HERITAGE

I have audited the statement of financial position of the National Film Board as at March 31, 2004 and the statements of operations, net assets and cash flow for the year then ended. These financial statements are the responsibility of the Board's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at March 31, 2004 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Further, in my opinion, the transactions of the Board that have come to my notice during my audit of the financial statements have, in all significant respects, been in accordance with the *National Film Act* and the by-laws of the Board.

Nancy Cheng, FCA Assistant Auditor General for the Auditor General of Canada

Ottawa, Canada May 31, 2004

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purposes

The National Film Board was established in 1939 under the *National Film Act*, and is the agency responsible for administering the Act.

The National Film Board (Board) is a cultural agency named in Schedule I.1 of the *Financial Administration Act* reporting to the Minister of Canadian Heritage. It is administered by a Board of Trustees appointed by the Governor in Council and chaired by the Government Film Commissioner.

The Board's legislative mandate is to initiate and promote the production and distribution of films in the national interest and, in particular:

- to produce and distribute and to promote the production and distribution of films designed to interpret Canada to Canadians and to other nations;
- to represent the Government of Canada in its relations with persons engaged in commercial motion picture film activity in connection with motion picture films for the Government or any department thereof;
- to engage in research in film activity and to make available the results thereof to persons engaged in the production of films;
- to advise the Governor in Council in connection with film activities; and
- to discharge such other duties relating to film activity as the Governor in Council may direct it to undertake.

2. Significant accounting policies

These financial statements have been prepared in accordance with Treasury Board of Canada accounting standards based on Canadian generally accepted accounting principles. The most significant accounting policies are as follows:

Parliamentary appropriation

Operations are funded through a permanent authority for Parliament (Revolving Fund) and a parliamentary appropriation voted annually.

The Revolving Fund allows the Board to make payments out of the Consolidated Revenue Fund for working capital, interim financing of operating costs and property and equipment acquisitions. This authority requires that the aggregate of admissible working capital and net book value of property and equipment does not exceed \$15 million.

The Board is also financed in part by the Government of Canada through a parliamentary appropriation. The appropriation is voted annually to replenish the Revolving Fund for net acquisitions of property and equipment and the admissible cost of operations. The basis of the appropriation provided to the Board do not parallel the accounting principles applied in preparing the financial statements since appropriation is primarily based on cash flow requirements. Consequently, items recognized in the statement of operations and the statement of financial position are not necessarily the same as those provided through an appropriation from Parliament. Note 5 provides a reconciliation between the two bases of reporting.

Net cash provided by Government

The Board operates within the Consolidated Revenue Fund (CRF), which is administered by the Receiver General for Canada. All cash receipts are deposited to the CRF and all cash disbursements are paid from the CRF. The net cash provided by Government is the difference between all cash receipts and all cash disbursements including transactions with other departments and agencies.

Due from the Consolidated Revenue Fund

Due from the Consolidated Revenue Fund balance represents the amount of cash that the Board is entitled to draw from the CRF without further appropriation, in order to discharge its liabilities.

Expense recognition

All expenses are recorded on the accrual basis.

Production of films and other forms of visual presentations

All production costs are charged to operations in the year in which they are incurred and shown in the Statement of Operations as follows:

Board's program

All costs incurred for unsponsored productions, the Board's share in co-productions and the excess of costs over the sponsor's contribution for partially sponsored productions.

Sponsored production

All costs incurred for fully sponsored productions and the sponsored costs of partially sponsored productions.

NOTES TO THE FINANCIAL STATEMENTS— Continued

Revenues

Revenues from production of films and other forms of visual presentations are accounted for at an amount equal to the sponsored production costs during the year in which these costs are incurred. Any profit is recognized in the year the production is completed.

Royalty revenues are recognized once all of the Board's obligations have been fulfilled and its expenses have been accounted for, regardless of when the acquirer actually uses the work.

Accounts receivable

Accounts receivable are stated at amounts expected to be ultimately realized. A provision is made for external accounts receivable where recovery is considered uncertain.

Inventories

Materials and supplies are carried at cost.

Film prints and other forms of visual presentations held for sale are carried at the lower of cost of production and net realizable value. The cost of other prints is expensed on a current basis.

Property and equipment

Property and equipment are amortized on the straight-line method over the estimated useful life of the assets, as follows:

Technical equipment from 4 to 10 years

Software and Data

processing equipment from 5 to 10 years

Office furniture and

equipment from 5 to 10 years Rolling stock 5 years

Assets under capital leases and

leasehold improvements terms of the leases

The Board has a collection of nearly 20,000 audio-visual works produced between 1895 and the present. This inestimable collection is not intended for sale and does not have a measurable value. It has, however, been assigned a nominal value of \$1 in the financial statements, appearing on the statement of financial position as property and equipment to ensure that the reader is aware of its existence.

The Board enters into operating lease agreements to acquire the exclusive use of certain property and equipment. These rental fees are charged to operations in the year to which they apply. The Board also enters into capital lease agreements by which almost all the benefits and risks inherent to ownership of the assets are transferred to the Board. The Board then records an asset

and an obligation corresponding to the present value of the acquisition price of the asset. The assets recorded from a capital lease agreement are amortized on the same basis as other assets owned by the Board and the obligations are amortized over the lease term.

Contributions to the Public Service Pension Plan

Employees participate in the Public Service Pension Plan sponsored by the Government of Canada. Both the employees and the Board contribute to the cost of the plan. Contributions by the Board are recorded on an accrual basis in the year the corresponding service is rendered by the employees. The Board's responsibility with regard to the pension plan is limited to its contributions. The Board is not required to make contributions with respect to any actuarial surpluses or deficiencies.

Employee severance benefits

Employees are entitled to severance benefits as provided for under their conditions of employment. The Board recognizes the cost of future severance benefits over the periods in which the employees render services to the entity and the liability for these benefits is recorded in the accounts as the benefits accrue to employees.

Foreign currency transactions

Transactions involving foreign currency are translated into Canadian dollar equivalents using rates of exchange in effect at the time of those transactions. Monetary assets and liabilities denominated in a foreign currency are translated into Canadian dollars using the rate of exchange in effect on 31 March.

Measurement uncertainty

The preparation of these financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that could affect the reported amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The most significant items where estimates are used are the useful life of property and equipment, allowances for doubtful accounts and the liability related to employee severance benefits. The estimates are reviewed periodically and as adjustments become necessary, they are reported in net cost of operations in the period in which they become known.

NOTES TO THE FINANCIAL STATEMENTS— Continued

3. Changes in accounting policy

In prior years the Board complied with the accounting principles for Revolving Funds of the Government of Canada and has now changed its presentation in order to conform with Treasury Board of Canada accounting standards based on Canadian generally accepted accounting principles. The Board made the following changes:

The Board's financial statements previously consisted of a Balance Sheet, a Statement of Operations and Accumulated Deficit, a Statement of Cash Flows and Notes to Financial Statements. The Board's financial statements for the year ended March 31, 2004 contain a Statement of Financial Position, a Statement of Operations, a Statement of Net Assets, a Statement of Cash Flow and Notes to Financial Statements.

The Board now reports net cash provided by the Government of Canada in the Statement of Net Assets and the Statement of Cash Flow. Previously, Parliamentary appropriation received from the Government of Canada was presented in the Statement of Operations and Accumulated Deficit. The Net assets no longer presents the "Accumulated net charge against the Revolving Fund's authority" (ANCAFA). The ANCAFA was composed of two elements: "Due from the Consolidated Revenue Fund" and "Net funding for property and equipment". Rather than grouped together in Net assets, the "Net funding for property and equipment" is now presented in the Statement of Net Assets and the "Due from the Consolidated Revenue Fund" is presented as a Financial asset.

The changes in the presentation of the financial statements have no effect on the net cost of operations for the year (2003-Nil). The changes in accounting policies have been applied retroactively, therefore certain comparative figures have been reclassified to conform to current year's presentation.

4. Participation

During the 2004 fiscal year, the Board continued to participate in a long-term partnership with The Documentary Channel, acquiring 14 percent of the specialty service (14 x \$1 units). Pursuant to the investment agreement, the NFB's obligations with respect to debts, liabilities and other obligations are limited to the capital invested. The NFB also agreed to provide a specific number of hours of documentary programming each year at a set price, 50 percent of it recoverable as short-term receivables and 50 percent converted to a long-term interest-bearing loan repayable under certain conditions. The loan will be accounted for once these conditions are met.

5. Parliamentary appropriation

The Board receives funding through parliamentary appropriation.

Carrying cost	4,080,430	4,195,537	195,005		1	1,377,721	9,848,694

The above assets include equipment under capital leases for a total cost of \$3,542,642 (2003—\$1,752,767) less accumulated amortization of \$1,406,440 (2003—\$1,462,860). Current year amortization expenses relating to property under capital lease amount to \$792,364 (2003—\$425,926). Acquisitions under capital leases amounted to \$2,429,053 (2003—\$291,956).

7. Employee benefits

Pension benefits

The Public Service Superannuation Plan required the Board to contribute at a rate of 2.14 times (2003—2.14) the employees' contributions. The Board's contribution to the Plan during the year is \$3,378,698 (2003—\$3,158,984).

Severance benefits

The Board provides post-employment benefits to its employees through a severance benefit plan. This benefit plan is not pre-funded and thus has no assets.

	2004	2003
	\$	\$
Liability for severance benefits,		
beginning of year	6,221,308	6,041,331

Miscellaneous	594,195 (57,232)	428,264 387,096
equipment	77,881,836	

9. Obligation under capital leases

The Board has entered into agreements to rent technical, data processing and office equipment under capital leases. The assets have been capitalized using implicit interest rates varying from 7 percent to 14 percent. The related obligations are liquidated over a 3-5 years lease term. Minimum lease payments totalled \$781,874 for the year ended March 31, 2004 (2003—payments of \$585,543 and adjustment of \$66,199). Interest of \$40,021 (2003—\$90,418) was charged to operations.

NOTES TO THE FINANCIAL STATEMENTS— Concluded

The obligation under capital leases includes the following:

	\$
Future minimum lease payments:	
2005	811,023
2006	716,415
2007	650,904
2008	647,135
2009	83,800
	2,909,277
Less: interest	728,052
_	2,181,225
=	2,181,225

10. Related party transactions

The Board is related in terms of common ownership to all departments, agencies and Crown corporations created be the Government of Canada. The Board enters into transactions with these entities in the normal course of business. During the year ended March 31, 2004, the Board entered into the following related party transactions:

- a) The Board leased accommodations from the Department of Public Works and Government Services Canada (PWGSC) for the amount of \$6,857,932 (2003—\$6,603,922).
- b) the Board received a Web site from a Crown corporation without consideration.

11. Fair value of financial instruments

Accounts receivable, deposits, accounts payable and obligation under capital leases are incurred in the normal course of business. The carrying amounts of each of these accounts approximate their fair value because of their short-term maturity. There is no concentration of accounts receivable and, therefore, there is no significant credit risk.

12. Commitments

The Board has long-term lease agreements for premises and equipment. The most significant of these agreements has been concluded with PWGSC for premises until 2016. Future minimum rental payments for the next five years are as follows:

	Premises Equipm		Total
	\$	\$	\$
2005	6,854,000	598,000	7,452,000
2006	6,558,000	221,000	6,779,000
2007	6,080,000	16,000	6,096,000
2008	5,290,000		5,290,000
2009	5,192,000		5,192,000
2010-2016	32,157,000		32,157,000
	62,131,000	835,000	62,966,000

From the amount of \$62,131,000 for the lease for premises, agreements have been signed for \$408,000 with outside parties and \$61,723,000 with PWGSC.

13. Contingencies

In the normal course of business, the Board is the defendant in pending claims or lawsuits. It is the opinion of Management that these actions will not result in any substantial liabilities for the Board.

14. Comparative figures

Certain comparative figures have been reclassified to conform with the presentation adopted in 2004.

Optional Services Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Optional Services Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada.

These financial statements were prepared in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year. Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfil this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

These financial statements have been audited by external auditors, their role being to express an opinion to whether the financial statements present fairly the financial position of the Fund as at March 31, 2004 and the results of its operations and its cash flow for the year ended in accordance with the accounting principles for revolving funds of the Government of Canada.

The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund. This responsibility is discharged by the Finance Sector which develops and disseminates financial management and accounting policies and issues specific directives necessary to maintain standards of accounting and financial management.

Furthermore, the Fund maintains internal controls designed to indicate accountability, provide assurance that assets are safeguarded and that reliable financial records are kept. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by the organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

PUBLIC ACCOUNTS OF CANADA, 2003-2004

Optional Services Revolving Fund— Continued

AUDITORS' REPORT

TO THE DIRECTOR GENERAL, AUDIT AND ETHICS BRANCH PUBLIC WORKS AND GOVERNMENT SERVICES CANADA

We have audited the statement of financial position of Optional Services Revolving Fund as at March 31, 2004, the statements of operations, accumulated surplus, and cash flow for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities. These financial statements are the responsibility of the management of Optional Services Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Optional Services Revolving Fund as at March 31, 2004 and the results of its operations and its cash flow for the year then ended in accordance with the basis of accounting as disclosed in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Optional Services Revolving Fund and the Treasury Board of Canada Secretariat for reporting on the use of the Fund authority. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

Optional Services Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Optional Services Revolving Fund (OSRF) was established under Appropriation Act No. 4, 1991-92 which was repealed in 1996 and replaced by Section 5.5 of the Revolving Funds Act. The operation of the Fund is for the purpose of Section 6(a) of the Department of Public Works and Government Services Act in respect of the acquisition and provision of articles, supplies, machinery, equipment and other materials; and Section 6(b) in respect of the acquisition and provision of printing and publishing services. Treasury Board approved the following programs as part of the OSRF mandate: the systems' Benchmarking and Software Brokerage Programs; the Vaccine Program; the Government Travel Service; and for the recording of the Cost of Product of Traffic Management and the Buy for Lease Program. The operation of the Fund is also for the purpose of section 6 of the Surplus Crown Assets Act for the distribution and disposal of surplus Crown assets; including: authority for the Minister to spend for the purposes of the Fund any revenues received in respect of those purposes; and the aggregate of expenditures made for the purposes of the Fund shall not at any time exceed by more than \$200,000,000 the revenues received in respect of the purposes of the Fund.

In 2001-2002, in accordance with Section 12 of the *Revolving Funds Act*, and through the 2001-2002 Supplementary Estimates (A) (Treasury Board decision #829023-1 dated October 25, 2001), the draw down authority of the Fund was reduced from \$200,000,000 to \$75,000,000 and through the 2001-2002 Supplementary Estimates (B) (Treasury Board decision #829420 dated December 6, 2001), the draw down authority of the Fund was reduced from \$75,000,000 to \$35,000,000. The Treasury Board decision #829420 also authorized the write off of \$22,700,000 of the net draw down authority used as of March 31, 2002.

2. Significant accounting policies

The financial statements have been prepared in accordance with the reporting requirements for revolving funds described by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because:

- The services received without charge from other Government departments are not reported as expenses;
- The liabilities for employee termination benefits are based on management's estimates rather than actuarial valuation; also vacation pay and time-off in lieu are based on management's estimates; and

 The contributions to the Pension plan are based on Treasury Board's rates representing an estimate of what the cost is likely to be for the Government in the upcoming year; also actuarial surpluses or deficiencies are not accounted for in the Fund.

The significant accounting policies are as follows:

(a) Revenues and expenses

Revenues and expenses are recorded on the accrual basis of accounting.

(b) Capital assets

Assets having a purchase cost of \$10,000 or more are capitalized. Capital assets are stated at cost and are amortized on a straight-line basis over their estimated useful economic lives as follows:

	Estimated
	useful
Category	economic life
Informatics hardware	3 to 5 years
Informatics software	3 to 5 years

Assets are amortized commencing the month after acquisition.

(c) Pension plan

Employees are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

(d) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

An accrual was made for severance entitlements on service prior to April 1, 1992. This accrual represented a net liability assumed by the Fund and thus was charged to the Fund's accumulated net charge against the Fund's authority.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

Optional Services Revolving Fund— Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

(e) Insurance

The Fund does not carry insurance on its property. This is consistent with the Government's policy of self insurance.

_			4,796
-			

8. Comparative figures

Certain of the prior years' figures have been reclassified in order to conform to the presentation adopted in the current year.

9. Financial instruments

The Revolving Fund's financial instruments consist of cash in transit, accounts receivable, accounts payable and accrued liabilities. The carrying values of these financial instruments approximate fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Revolving Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

10. Use of estimates

The preparation of financial statements in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

Passport Office Revolving Fund

MANAGEMENT REPORT

The accompanying financial statements of the Passport Office Revolving Fund have been prepared as required by and in accordance with the policy of the Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of the data in these financial statements rests with the management of the Fund.

The financial statements were prepared in accordance with the significant accounting policies on a basis consistent with that of the preceding year, as set out in Note 2. Some of the information included in these financial statements is based on management's best estimates and judgements and gives due consideration to materiality. To fulfil this reporting responsibility, the Fund maintains a set of accounts that provide a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

The Finance Administration Division of the Passport Office Revolving Fund complies with departmental financial management and accounting policies, develops those specific to the Fund's requirements and issues manuals and directives that maintain these policies and which describe procedures. The Fund maintains systems of financial management and internal accounting controls that provide management with reasonable assurance that transactions are recorded and executed in accordance with its authorizations and that its assets are safeguarded.

AUDITORS' REPORT

TO THE ASSISTANT DEPUTY MINISTER, CORPORATE SERVICES PASSPORT AND CONSULAR AFFAIRS

We have audited the statement of financial position of Passport Office Revolving Fund as at March 31, 2004 and the statements of operations, accumulated surplus and cash flow for the year then ended. These financial statements have been prepared to comply with the *Revolving Funds Act*. These financial statements are the responsibility of the management of the Passport Office Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Passport Office Revolving Fund as at March 31, 2004 and the results of its operations and its cash flows for the year then ended in accordance with the basis of accounting for revolving funds of the Government of Canada as described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the Assistant Deputy Minister, Corporate Services, Passport and Consular affairs and for complying with the *Revolving Funds Act*. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

Passport Office Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Passport Office Revolving Fund (the "Fund") was established in 1969 to provide for the issue of appropriate travel documents to Canadian citizens and to certain permanent residents of Canada who are unable to obtain valid passports from their country of origin. The *Revolving Funds Act* authorized the operation of the Fund.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for working capital, capital acquisitions and temporary financing of accumulated operating deficits, the total of which is not to exceed \$4,000,000 at any time. An amount of \$746,000 representing net assets assumed by the Fund and assets contributed to the Fund was charged to this authority when the Fund became budgetary in 1981. The Passport Office is a non-taxable entity.

2. Significant accounting policies

(a) Basis of accounting

These financial statements have been prepared in accordance with the significant accounting policies set out below to comply with accounting requirements prescribed by the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada for financial statements prepared under the *Revolving Funds Act*. The basis of accounting used in these financial statements materially differs from Canadian generally accepted accounting principles because:

- employees' vacation pay and termination benefits liabilities are based on management's estimate of the liabilities rather than based on actuarial valuations;
- it excludes the actuarial liabilities related to the Pension plan and therefore, the financial statements do not purport to show the adequacy of the assets to meet its pension obligations;
- write-off of accumulated surplus is possible and only requires Treasury Board approval; and
- revenues from passport fees are recognized upon application and receipt of payment rather than when passports are issued.

(b) Revenue recognition

Revenues from passport fees are recognized upon application and receipt of payment.

(c) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. The more significant areas requiring the use of estimates relate to employee termination benefits and to accrued liabilities. Actual results could differ from those estimates. These estimates are reviewed annually and as adjustments become necessary, they are recorded in the financial statements in the period in which they become known.

(d) Inventories

The inventory of materials and supplies is carried at cost using the average cost method.

(e) Capital assets

Leasehold improvements are amortized on a straight-line basis over the term of the leases. Capital assets are recorded at cost and amortized from the year of acquisition on a straight-line basis over their estimated useful lives as follows:

Years
Term of lease
10 years
3-5 years
5 years

Passport Office Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS— Continued

Effective April 1, 1994, all expenditures associated with the Technology Enhancement Plan (TEP) were capitalized. The project costs have been separated in four categories, which are amortized on a straight-line basis over the useful life of each category as follows:

Asset	Years
Technology enhancement plan (TEP)	
Machines and equipment	10 years
System	4 years
Furniture	10 years
Electronic data processing (EDP)	
equipment	4 years

All project costs for the other capital projects are amortized on a straight-line basis over the useful life of the project.

(f) Insurance

The Passport Office does not carry insurance on its properties. This is in accordance with the Government of Canada policy of self-insurance.

(g) Employee termination benefits

Employees of the Fund are entitled to specified termination benefits, calculated based on salary levels in effect at the time of termination as provided for under collective agreements and conditions of employment. The cost of these benefits is recorded in the accounts as the benefits accrue to the employees.

(h) Pension plan

Employees of the Passport Office are covered by the *Public Service Superannuation Plan* administered by the Government of Canada. Under present legislation, contributions made by the Passport Office to the Plan are limited to an amount equal to the employee's contributions on account of current service. These contributions represent the total pension obligations of the Passport Office and are charged to operations on a current basis. The Passport Office is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account and/or with respect to charges to the Consolidated Revenue Fund for the indexation of payments under the *Supplementary Retirement Benefits Act*.

(i) Financial instruments

The fair value of the Fund's financial instruments, including accounts receivable, accounts payable and accrued liabilities and loan payable, approximates carrying value.

3. Capital assets and accumulated amortization

Other machine and				
equipment	2,701	(8)	2,510	183
equipment				

Other capital projects category includes leasehold improvements.

4. Deferred lease inducement

In return for entering into a long-term lease, the Fund received an inducement from the lessor in the form of payment for leasehold improvements. This inducement is being recognized as a reduction of expenses over the term of the lease. In fiscal year 2004, \$253,228 (2003—\$85,000) was recognized as a reduction of rent expense since the lease has been terminated.

Passport Office Revolving Fund— Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

5. Loan payable

Pursuant to Treasury Board Decision # 828716 dated February 8, 2001, the Passport Office received an amount of \$7,800,000 as a loan from the Department of Foreign Affairs and International Trade and bearing interest at an annual rate of 5.42 percent. The initial amount and interest in the amount of \$1,177,000 are repayable as follows:

	\$
2003-2004	4,500,000
2004-2005	4,477,000

6. Equity of Canada

(a) Accumulated net charge against the Fund's authority

Accumulated net charge against the Fund's authority is the cash position of the Fund, held by the Government on the Fund's behalf.

(b) Accumulated surplus

The accumulated surplus is an accumulation of each year's surpluses including the absorption of the opening net assets of \$746,000 upon establishment of the Fund.

7. Commitments

The Passport Office rents office premises and other office equipment under long-term operating leases, which expire in 2010. Future minimum lease payments by year are approximately as follows:

	(in thousands of dollars)	
2005	9,943	
2006	7,453	
2007	6,235	
2008	5,669	
2009 and thereafter	3,782	
	33,082	

The Passport Office signed a contract for the purchase of passport materials, which expires in May 2008. Future minimum payments by year are approximately as follows:

(in thousands of dollars)

	(
2005	6,991
2006	6,924
2007	6,923
2008	6,923
2009	1,154
	28,915

8. Related party transactions

Through common ownership, the Passport Office is related to all Government of Canada created departments, agencies and Crown corporations. Payments for passport operations at missions abroad, accommodation and legal services are made to related parties in the normal course of business. All related party transactions are accounted for at the exchange amount, which represents the consideration agreed to by both parties. As part of its operations the Passport Office, which is an agency of the Department of Foreign Affairs Canada (FAC), collects Consular fees on behalf of FAC Consular Affairs division. These fees are not recorded as revenues in the statement of operations. In fiscal year 2004, the Fund collected and remitted to FAC \$51,594,200 (2003—\$45,587,385).

Real Property Disposition Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Real Property Disposition Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada.

These financial statements were prepared in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year. Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfil this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

These financial statements have been audited by external auditors, their role being to express an opinion as to whether the financial statements present fairly the financial position of the Fund as at March 31, 2004 and the results of its operations and its cash flow for the year ended in accordance with the accounting principles for Revolving Funds of the Government of Canada.

The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund. This responsibility is discharged by the Finance Sector which develops and disseminates financial management and accounting policies and issues specific directives necessary to maintain standards of accounting and financial management.

Furthermore, the Fund maintains internal controls designed to indicate accountability, provide assurance that assets are safeguarded and that reliable financial records are kept. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by the organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

AUDITORS' REPORT

TO THE DIRECTOR GENERAL, AUDIT AND ETHICS BRANCH PUBLIC WORKS AND GOVERNMENT SERVICES CANADA

We have audited the statement of financial position of the Real Property Disposition Revolving Fund as at March 31, 2004, the statements of operations, accumulated surplus and cash flow for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities. These financial statements are the responsibility of the management of the Real Property Disposition Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Real Property Disposition Revolving Fund as at March 31, 2004 and the results of its operations and its cash flow for the year then ended in accordance with the basis of accounting as disclosed in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Real Property Disposition Revolving Fund and the Treasury Board of Canada Secretariat for reporting on the use of the Fund authority. The financial statements are not intended to be and should not be used by anyone other than the specified users or any other purpose.

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Real Property Disposition Revolving Fund was established in 1996 through the *Revolving Funds Act*, section 5.1, to provide a mechanism within the Services Program to fund the disposal of federal real property. All proceeds of sale are deposited to the Consolidated Revenue Fund net of disposal costs and expenses. Any year-end accumulated surplus in the Real Property Disposition Revolving Fund in excess of \$5,000,000 is deposited to the Consolidated Revenue Fund, and the department submits annual reports to Treasury Board at the time of the preparation of the Main Estimates. This is in accordance with the terms and conditions approved in Treasury Board Decision #822056, dated January 19, 1995

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for the necessary working capital, the total of which is not to exceed \$5,000,000 at any time.

2. Significant accounting policies

The financial statements have been prepared in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because:

• The services received without charge from other Government departments are not reported as expenses.

The significant accounting policies are as follows:

(a) Revenues and expenses

Revenues are recognized in the accounting period in which both the title is transferred to the purchaser and the full payment is received by the Crown. Expenses are recorded on the accrual basis of accounting.

(b) Work in process

Work in process includes labour and disbursements incurred for services performed or goods delivered for sales or transfers of properties not finalized at year-end.

(c) Deposits on disposals

Deposits on disposals represent receipts on future disposals of properties that are not closed at year-end.

(d) Insurance

The Fund does not carry insurance on its property. This is consistent with the Government's policy of self-insurance.

Real Property Disposition Revolving Fund—Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

3. Changes in working capital

	2004	2003	Changes
	(in tl	nousands of d	ollars)
Current assets	3,169	6,929	3,760
Current liabilities	218	782	(564)
			3,196

4. Comparative figures

Certain of the prior years' figures have been reclassified in order to conform to the presentation adopted in the current year.

5. Financial instruments

The Revolving Fund's financial instruments consist of accounts receivable, accounts payable and accrued liabilities. The carrying values of these financial instruments approximate fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Revolving Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

6. Use of estimates

The preparation of financial statements in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

Real Property Services Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Real Property Services Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada.

These financial statements were prepared in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year. Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfil this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

These financial statements have been audited by external auditors, their role being to express an opinion as to whether the financial statements present fairly the financial position of the Fund as at March 31, 2004 and the results of its operations and its cash flow for the year ended in accordance with the accounting principles for revolving funds of the Government of Canada.

The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund. This responsibility is discharged by the Finance Sector which develops and disseminates financial management and accounting policies and issues specific directives necessary to maintain standards of accounting and financial management.

Furthermore, the Fund maintains internal controls designed to indicate accountability, provide assurance that assets are safeguarded and that reliable financial records are kept. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by the organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Real Property Services Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Real Property Services Revolving Fund (RPSRF), formerly The Public Works Revolving Fund, was established by the Adjustment of Accounts Act (Bill C-22 dated July 22, 1980), which was repealed in 1985 and replaced by Section 5 of the Revolving Funds Act. It allows the Minister of Public Works and Government Services Canada (PWGSC) to make expenditures for undertakings by the department, on behalf of other Government departments and agencies, other governments, and private sector tenants of federally owned or leased property. Effective April 1, 1996, the Architectural Engineering and Realty Services Revolving Fund began operation under the name of Real Property Services Revolving Fund. The Fund looks after the activities of architectural and engineering, property management, holdings and divestiture, and support services.

The Fund has a continuing non-lapsing authority from Parliament to make payments out of the Consolidated Revenue Fund for the operating expenses, necessary working capital, and capital expenditures.

In accordance with the former Section 33 of the *Adjustment of Accounts Act*, and through the 1983-84 Supplementary Estimates (B), the authority of the Fund was amended to include charges on behalf of other Public Works Canada's departmental programs and to increase the financial authority from \$55,000,000 to \$150,000,000. In the 1984-85 Supplementary Estimates (C) the authority was increased from \$150,000,000 to \$300,000,000. Through the 1987-88 Supplementary Estimates (E), the authority was further increased from \$300,000,000 to \$450,000,000.

The Services Program operated as a Revolving Fund on a direct cost recovery basis from April 1, 1985 to March 31, 1988, supplemented by a payment vote to cover non-recoverable operating expenses from clients, as well as a vote to cover capital acquisitions of the Program. Since April 1, 1988, under revised terms and conditions approved by Treasury Board (TB) Minute #805839 dated June 25, 1987, the objective of the Real Property Services (formerly Public Works) Revolving Fund is to operate as a financially self-supporting entity charging market-based service fees in accordance with the TB approved rate structure for the services provided to clients.

In addition, the Revolving Fund receives funding by way of a separate vote, to cover operating expenses in support of activities serving broader government objectives, which are not recovered by revenues. The amount received in 1997-98 and 1996-97 was \$2,589,000.

Through the 2000-2001 Annual Reference Level Update (ARLU) exercise, which was approved on December 9, 1999 (TB Minute #827730), the Revolving Fund presented a revision to its Financial Framework whereby it will no longer be used as a business tool to manage the costs related to the appropriated funding of the Federal Accommodation and Holding Service Line. Effective April 1, 1999, RPSRF is used exclusively for providing services to other Government departments and third parties.

In accordance with Section 12 of the *Revolving Funds Act* R.S.C. 1985, c. R-8 to amend subsection 5(3) of the Act and through the 2001-2002 Supplementary Estimates (B)—Vote 7b and 13b (TB decision #829420 dated December 6, 2001), the draw down authority of the Fund was reduced from \$450,000,000 to \$150,000,000 in addition to the write-off of \$88,227,114 on the net draw down authority used as of March 31, 2002.

In addition, the Revolving Fund receives funding by way of a separate vote, to cover the net draw down authority used in order to comply with the Policy on Special Revenue Spending Authorities. The amount received in 2003-2004 is \$12,503,000 (2002-2003: \$6,528,000).

2. Significant accounting policies

The financial statements have been prepared in accordance with the reporting requirements for revolving funds described by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because:

- The services received without charge from other Government departments are not reported as expenses;
- The liabilities for employee termination benefits are based on management's estimates rather than actuarial valuation; also vacation pay and time-off in lieu are based on management's estimates; and
- The contributions to the Pension plan are based on Treasury Board' rates representing an estimate of what the cost is likely to be for the Government in the upcoming year; also actuarial surpluses or deficiencies are not accounted for in the Fund.

The significant accounting policies are as follows:

(a) Revenues and expenses

Revenues and expenses are recorded on the accrual basis of accounting. Overhead chargeback and corporate and administrative services are based on budgeted expenditures calculated as a percentage of budgeted net revenues.

Real Property Services Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS—

(b) Inventories

Inventories are valued at the lower of cost and net realization value and are recorded on a first-in, first-out basis.

(c) Work in process

Work in process includes labour disbursements incurred for services performed or goods delivered, less amounts already billed to clients.

(d) Pension plan

Employees are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

(e) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

An accrual was made for severance entitlements on service prior to April 1, 1988. This accrual represented a net liability assumed by the Fund and thus was charged to the Fund's accumulated net charge against the Fund's authority as described in the annex of Treasury Board Minute #805839 dated June 25, 1987.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

(f) Insurance

The Fund does not carry insurance on its property. This is consistent with the Government's policy of self-insurance.

3. Other assets

	2004	2003

7. Comparative figures

Certain of the prior years' figures have been reclassified in order to conform to the presentation adopted in the current year.

8. Financial instruments

The Revolving Fund's financial instruments consist of cash in transit, accounts receivable, accounts payable and accrued liabilities. The carrying values of these financial instruments approximate fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Revolving Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

Real Property Services Revolving Fund— Concluded

NOTES TO THE FINANCIAL STATEMENTS—

9. Use of estimates

The preparation of financial statements in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

Staff Development and Training Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Staff Development and Training Revolving Fund as required by and in accordance with the policy of the Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada. The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund.

These financial statements were prepared in accordance with the stated accounting policies, on a basis consistent with that of the preceding year. Some of these policies are further explained in the notes which form part of these statements. Some of the information included in these financial statements is based on management's best estimates and judgement and with due consideration given to materiality. To fulfil this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with the information presented in these financial statements, unless otherwise indicated.

The Finance and Administration Directorate and the Fund's financial management officers, who report functionally to the senior full-time financial officer, develop and disseminate financial management and accounting policies, and issue specific directives which maintain standards of accounting and financial management. Systems of financial management and internal control are maintained for the Fund at appropriate cost. Transactions are executed in accordance with prescribed regulations, within

parliamentary authorities, and are properly recorded to maintain accountability of Government funds and safeguard the Fund's assets.

Financial management and internal control systems are augmented by the activities of internal audit and by on-going monitoring activities by the Fund's financial management officers, financial services officers and by the Finance and Administration Directorate. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

Management has presented the financial statements to the external auditors, who audited them and have provided an independent opinion which has been appended to these financial statements.

AUDITORS' REPORT

TO THE DIRECTOR GENERAL, FINANCE AND ADMINISTRATION CORPORATE MANAGEMENT, PUBLIC SERVICE COMMISSION

We have audited the statement of financial position of the Public Service Commission—Staff Development and Training Revolving Fund ("Revolving Fund") as at March 31, 2004 and the statements of operations, accumulated surplus and cash flow for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities. These financial statements are the responsibility of the Revolving Fund's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by

management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Revolving Fund as at March 31, 2004 and the results of its operations and its cash flow for the year then ended in accordance with the accounting policies as described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Revolving Fund and the Treasury Board of Canada Secretariat for reporting on the use of the Fund authority. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

Staff Development and Training Revolving Fund—Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Staff Development and Training Revolving Fund was established by Vote L120, *Appropriation Act No. 3, 1971*, for the purpose of providing training and development to the Public Service.

The Revolving Fund has a continuing non-lapsing authority under the *Adjustment of Accounts Act*, S.C. 1980, c.17, to make payments out of the Consolidated Revenue Fund for working capital and temporary financing of accumulated operating deficits, the total of which is not to exceed \$2,000,000 at any time. The *Adjustment of Accounts Act* has been repealed and replaced by Section 7 of the *Revolving Funds Act*.

Effective April 1, 2004, Training and Development Canada has received the authorization to terminate the Fund. This has been communicated in the *Public Service Modernization Act*. The Canadian Centre for Management Development, Training and Development Canada and the Language Training Canada will be amalgamated to form the new Canada School of Public Service. All assets, liabilities and commitments, will be transferred to the new Canada School of Public Service as of April 1, 2004.

2. Significant accounting policies

(a) Basis of accounting

The financial statements have been prepared in accordance with the significant accounting policies set out below to comply with accounting requirements prescribed by the policy of Treasury Board on Revolving Funds and the reporting requirements and standards of the Receiver General for Canada for financial statements prepared under the *Revolving Funds Act*. The basis of accounting used in these financial statements materially differs from Canadian generally accepted accounting principles because:

- employees' vacation pay and termination benefits liabilities are based on management's estimate of the liabilities rather than based on actuarial valuation;
- it excludes the actuarial liabilities related to the Pension plan and therefore, the financial statements do not purport to show the adequacy of the assets to meet its pension obligations; and
- write-off of the accumulated surplus is possible and only requires Treasury Board approval.

(b) Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The most significant item where estimates are used is amortization of capital assets and provision for employee termination benefits.

(c) Pension plan

Employees of the Department whose salaries and other benefits are paid by the Revolving Fund are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the fringe benefit charge assessed against the Revolving Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts. The amount contributed in 2003-2004 and recorded in the Statement of Operations amounted to \$592,636.

(d) Employee termination benefits

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements. The cost of these benefits is recorded in the accounts as the benefits accrue to the employees.

(e) Capital assets and amortization

Only assets having a purchase cost of \$10,000 or more are capitalized. Capital assets are recorded at cost and are amortized on a straight-line basis over their estimated economic lives as follows:

Category	economic life
Office and classroom furnitur	re 17 years
Office and classroom equipm	ent 10 years
Electronic data processing (E equipment	DP) 3-5 years
Leasehold improvement	Term of lease for up to 10 years

Staff Development and Training Revolving Fund—Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

(f) Prepaid expenses

The operations of the Revolving Fund are charged with expenses corresponding with the provision of services. Prepaid expenses include the inventory of course material and supplies.

(g) Financial instruments

The Revolving Fund's financial instruments includes accounts receivables, accounts payables and accrued liabilities. The carrying amount of the Revolving Fund's financial instruments included in current assets and current liabilities approximate fair value due to their short-term nature.

3. Subsidized operations

In 2003-2004, appropriation funds in the amount of \$2,686,006 (\$2,726,500 in 2002-2003) were recorded in the Revolving Fund to fund activities necessary to carry out the roles and responsibilities assigned to the Commission, which cannot be recovered through user fees.

4. Equity of Canada

(a) Accumulated net charge against the Fund's authority:

Accumulated net charge against the Fund's authority is the cash position of the Fund, held by the Government on the Fund's behalf.

(b) Accumulated surplus:

The accumulated surplus is an accumulation of each year's surpluses including the absorption of the opening net assets upon establishment of the Fund.

5. Related party transactions

Staff Development and Training Revolving Fund entered into the following transactions with the Public Service Commission, its parent organization:

	2004	2003
	(in thousands	of dollars)
Course fees and services revenue	396	323
Subsidies revenue	2,686	2,727
Corporate services expenditure	219	219
Total	3,301	3,269

As at March 31, 2004, Staff Development and Training Revolving Fund has \$101,565 (2003—\$13,980) receivable and no outstanding payable with Public Service Commission.

6. Capital assets and accumulated amortization

Capital assets	Balance at beginning of year	Acqui- sitions in thousands	Disposals of dollars)	Balance at end of year

Telecommunications and Informatics Common Services Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Telecommunications and Informatics Common Services Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada.

These financial statements were prepared in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year. Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfil this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

These financial statements have been audited by external auditors, their role being to express an opinion as to whether the financial statements present fairly the financial position of the Fund as at March 31, 2004 and the results of its operations and its cash flow for the year ended in accordance with the accounting principles for revolving funds of the Government of Canada.

The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund. This responsibility is discharged by the Finance

Sector which develops and disseminates financial management and accounting policies and issues specific directives necessary to maintain standards of accounting and financial management.

Furthermore, the Fund maintains internal controls designed to indicate accountability, provide assurance that assets are safeguarded and that reliable financial records are kept. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by the organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

AUDITORS' REPORT

TO THE DIRECTOR GENERAL, AUDIT AND ETHICS BRANCH PUBLIC WORKS AND GOVERNMENT SERVICES CANADA

We have audited the statement of financial position of the Telecommunications and Informatics Common Services Revolving Fund as at March 31, 2004, the statements of operations, accumulated surplus and cash flow for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's Policy on Special Revenue Spending Authorities. These financial statements are the responsibility of the management of the Telecommunications and Informatics Common Services Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Telecommunications and Informatics Common Services Revolving Fund as at March 31, 2004 and the results of its operations and its cash flow for the year then ended in accordance with the basis of accounting as disclosed in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be, prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Telecommunications and Informatics Common Services Revolving Fund and the Treasury Board of Canada Secretariat for reporting on the use of the Fund authority. The financial statements are not intended to be and should not be used by anyone other than specified users or for any other purpose.

Telecommunications and Informatics Common Services Revolving Fund —

Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Government Telecommunications Agency (GTA) Revolving Fund was established in 1963 to plan and provide telecommunications facilities and services for federal departments and agencies. Section 5.2 of the Revolving Funds Act authorizes the Minister to make payments out of the Consolidated Revenue Fund for working capital, capital equipment and temporary financing of operating requirements, the total of which was not to exceed \$8,000,000 at any time. The authority was increased intermittently over the years. In 1991-1992, the authority was increased by \$34,000,000, which brought the authority to \$64,000,000 as per Appropriation Act No. 4, 1991-92 which was repealed in 1996 and replaced by Section 5.5 of the Revolving Funds Act. As per Treasury Board decision #827175, on April 1, 1999 the draw down authority of the GTIS Revolving Fund was reduced from \$64,000,000 to \$45,000,000 and the accumulated surplus was reduced by \$20,000,000.

In 2001-2002, in accordance with Section 12 of the *Revolving Funds Act*, and through the 2001-2002 Supplementary Estimates (B) (Treasury Board decision #829420 dated December 6, 2001), the draw down authority of the Fund was reduced from \$45,000,000 to \$20,000,000.

As part of the restructuring announced June 25, 1993, GTA was merged with the informatics groups from the former Supply and Services Canada (SSC) and Public Works Canada (PWC) to form what was called Government Telecommunications and Informatics Services (GTIS). As of April 1, 1994, all balances in the GTA Revolving Fund were transferred to the GTIS Revolving Fund. The 1998-99 Planning, Reporting and Accountability Structure (PRAS) exercise transferred the activities providing internal support to PWGSC from the GTIS Revolving Fund to the Vote effective April 1, 1998.

In 2002-2003, the Revolving Fund changed its name to Telecommunications and Informatics Common Services Revolving Fund.

2. Significant accounting policies

The financial statements have been prepared in accordance with reporting requirements for revolving funds described by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because:

 The services received without charge from other Government departments are not reported as expenses;

- The liabilities for employee termination benefits are based on management's estimates rather then actuarial valuation; also vacation pay and time-off in lieu are based on management's estimates; and
- The contributions to the Pension plan are based on Treasury Board's rates representing an estimate of what the cost is likely to be for the Government in the upcoming year; also actuarial surpluses or deficiencies are not accounted for in the Fund.

The significant accounting policies are as follows:

(a) Revenues and expenses

Revenues and expenses are recorded on the accrual basis of accounting.

(b) Inventories

Inventories are valued at the lower of cost or the net realization value and are recorded on a first-in, first-out basis.

(c) Capital assets

Assets having a purchase cost of \$10,000 or more are capitalized. Capital assets are stated at cost and are amortized on a straight-line basis over their estimated useful economic lives as follows:

Category	Estimated useful economic lives
Informatics hardware	3 years
Informatics software	3 years

Assets are amortized commencing the month after acquisition.

(d) Pension plan

Employees are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee fringe benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

Telecommunications and Informatics Common Services Revolving Fund —

Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

(e) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

An accrual is made for severance entitlements on service prior to April 1, 1994. This accrual represents a net liability assumed by the Fund and thus was charged to the Fund's accumulated net charge against the Fund's authority.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

(f) Insurance

The Fund does not carry insurance on its property. This is consistent with the Government's policy of self-insurance.

7. Comparative figures

Certain of the prior years' figures have been reclassified in order to conform to the presentation adopted in the current year.

8. Financial instruments

The Revolving Fund's financial instruments consist of accounts receivable, accounts payable and accrued liabilities. The carrying values of these financial instruments approximate fair value because of their short terms to maturity. Unless otherwise noted, it is management's opinion that the Revolving Fund is not exposed to significant interest, currency or credit risk arising from these financial instruments.

9. Use of estimates

The preparation of financial statements in accordance with the reporting requirements for Revolving Funds described by the Receiver General for Canada requires management to make estimates and assumptions that the reported amounts of assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from these estimates.

Translation Bureau Revolving Fund

MANAGEMENT REPORT

We have prepared the accompanying financial statements of the Translation Bureau Revolving Fund as required by and in accordance with the policy of Treasury Board on revolving funds and the reporting requirements and standards of the Receiver General for Canada.

These financial statements were prepared in accordance with the significant accounting policies set out in Note 2 of the statements, on a basis consistent with that of the preceding year. Some of the information included in these financial statements is based on management's best estimates and judgement and gives due consideration to materiality. To fulfil this reporting responsibility, the Fund maintains a set of accounts which provides a centralized record of the Fund's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with that in these financial statements, unless indicated otherwise.

These financial statements have been audited by external auditors, their role being to express an opinion as to whether the financial statements present fairly the financial position of the Fund as at March 31, 2004 and the results of its operations and its cash flows for the year ended in accordance with the accounting principles for revolving funds of the Government of Canada.

The primary responsibility for the integrity and objectivity of data in these financial statements rests with the management of the Fund. This responsibility is discharged by the Finance Sector which develops and disseminates financial management and accounting policies and issues specific directives necessary to maintain standards of accounting and financial management.

Furthermore, the Fund maintains internal controls designed to indicate accountability, provide assurance that assets are safeguarded and that reliable financial records are kept. The Fund also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by the organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

AUDITORS' REPORT

TO THE DIRECTOR GENERAL, AUDIT AND ETHICS BRANCH PUBLIC WORKS AND GOVERNMENT SERVICES CANADA

We have audited the statement of financial position of Translation Bureau Revolving Fund as at March 31, 2004 and the statements of operations, accumulated surplus and cash flow for the year then ended. These financial statements have been prepared to comply with Section 4 of the Treasury Board of Canada's policy on Special Revenue Spending Authorities. These financial statements are the responsibility of the management of the Translation Bureau Revolving Fund. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In our opinion, these financial statements present fairly, in all material respects, the financial position of the Translation Bureau Revolving Fund as at March 31, 2004 and the results of its operations and its cash flow for the year then ended in accordance with the accounting policies as described in Note 2 to the financial statements.

These financial statements, which have not been, and were not intended to be prepared in accordance with Canadian generally accepted accounting principles, are solely for the information and use of the management of the Revolving Fund and the Treasury Board of Canada Secretariat for reporting on the use of the Fund authority. The financial statements are not intended to be and should not be used by anyone other than the specified users or for any other purpose.

Translation Bureau Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Translation Bureau was established in 1934, when the *Translation Bureau Act* came into effect. In April 1993, Treasury Board approved the establishment of the Bureau as a Special Operating Agency effective April 1, 1995. This decision was confirmed in the 1994-1995 Supplementary Estimates (D).

The Revolving Fund was created on April 1, 1995 and accounts for the following services: translation, interpretation and terminology to clients. Pursuant to Section 29.1(2) of the *Financial Administration Act*, the Fund has a continuing non-lapsing authority to make expenditures out of the Consolidated Revenue Fund and to spend for the purposes of the Fund any revenues received for those purposes. The aggregate of expenditures made for the purposes of the Fund shall not at any time exceed by more than \$75 million the revenues received in respect of the purposes of the Fund.

Treasury Board (TB) decision #822560 dated February 22, 1995, TB decision #824299 dated July 10, 1996 and TB decision #825830 dated December 11, 1997 gave the Translation Bureau the authority to delete operating losses for the first six years of operating under the Revolving Fund. No amount was written-off in 2000-2001 nor in 1999-2000 since the Revolving Fund was showing a surplus.

In accordance with Section 29.1 of the *Financial Administration Act*, and through the 2001-2002 Supplementary Estimates (B), (Treasury Board decision #829357 dated November 8, 2001), the drawdown authority was reduced from \$75,000,000 to \$10,000,000.

2. Significant accounting policies

The financial statements have been prepared in accordance with the reporting requirements for revolving funds described by the Receiver General for Canada. The basis of accounting used in these financial statements differs from Canadian generally accepted accounting principles because:

- The services received without charge from other Government departments are not reported as expenses;
- The expenses and liability for employee termination benefits excludes the portion not funded by the Fund; the liabilities for employee termination benefits are based on management's estimates rather than actuarial valuation; also vacation pay and time-off in lieu are based on management's estimates; and

• The contributions to the Pension plan are based on Treasury Board's rates representing an estimate of what the cost is likely to be for the Government in the upcoming year; also actuarial surpluses or deficiencies are not accounted for in the Fund.

The significant accounting policies are as follows:

(a) Revenues and expenses

Revenues and costs on contracts are accounted for by the percentage of completion method based on expenses incurred. Revenue is recorded at the estimated realizable value of work completed to date. Revenues are recognized in the current year of billings. Expenses are recorded on the accrual basis of accounting.

(b) Capital assets

Assets having a purchase cost of \$10,000 or more are capitalized. Capital assets consisting of machinery and equipment, informatics hardware and informatics software are stated at cost and are amortized on a straight-line basis over the estimated economic life commencing the month after acquisition:

Category	Estimated useful economic lives
Machinery and equipment	10 to 15 years
Informatics hardware	3 to 5 years
Informatics software	3 to 5 years

(c) Pension plan

Employees are covered by the *Public Service Superannuation Act* and the *Supplementary Retirement Benefits Act*. The Government of Canada's portion of the pension cost is included in the employee fringe benefit charge assessed against the Fund. The actual payment of the pension is made from the Public Service Superannuation and Supplementary Retirement Benefits Accounts.

 (d) Employee termination benefits, vacation pay and time-off in lieu

Termination benefits accrue to employees over their years of service with the Government of Canada as provided for under collective agreements, and the estimated costs of these benefits are recorded in the accounts as they are earned by the employees.

Translation Bureau Revolving Fund— Continued

NOTES TO THE FINANCIAL STATEMENTS— Continued

An accrual is made for severance entitlements on service prior to April 1, 1995. The asset account "Deferred employee termination benefits" represents benefits earned prior to April 1, 1995. The account is drawn down as benefits are paid to the related employees and become recoverable from the Treasury Board. The Treasury Board will continue to reimburse for termination benefits paid by the Bureau, for service prior to April 1, 1995, until March 31, 2010. After March 31, 2010, the Treasury Board has no further obligation to reimburse for benefits paid.

The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and time-off in lieu benefits accruing to employees.

(e) Insurance

The Fund does not carry insurance on its property. This is consistent with the Government's policy of self-insurance.

3. Recovery of collective bargaining agreement

The Fund received an authorization after March 31, 2004 from Treasury Board through the Access to Vote 5 of \$28,326,000 (\$25,920,000 relating to pay equity; \$2,406,000 relating to collective bargaining) upon signing the Translator's collective agreement dated February 23, 2004. An account receivable of \$28,326,000 and an account payable of \$22,328,800 relating to previous years' pay equity and collective bargaining, which were paid after March 31, 2004 was accounted for in the fiscal year 2003-2004 in the Statement of Financial Position and in the accounts shown below. The remaining amount of \$5,997,200 was paid in the current fiscal year.

Canada Customs and Revenue Agency

STATEMENT OF MANAGEMENT RESPONSIBILITY

We have prepared the accompanying financial statements of the Canada Customs and Revenue Agency according to the accounting principles consistent with those applied in preparing the financial statements of the Government of Canada. Significant accounting policies are set out in Note 2 to the financial statements.

The Agency's management is responsible for the integrity and objectivity of data in these financial statements. To assure objectivity and freedom from bias, these financial statements have been approved by the Agency's Finance Committee on behalf of the Board of Management. The Finance Committee is independent of management and meets with management, the internal auditors, and the Auditor General of Canada on a regular basis. The auditors have full and free access to the Finance Committee.

Some of the information included in the financial statements, such as accruals, and the allowance for doubtful accounts, is based on management's best estimates and judgments with due consideration to materiality. To fulfill its accounting and reporting responsibilities, management maintains sets of accounts, which provide a record of the Agency's financial transactions. Financial information submitted to the *Public Accounts of Canada* and included in the Agency's Annual Report is consistent with these financial statements.

The Agency maintains financial management and internal control systems that take into account costs, benefits and risks. They are designed to provide reasonable assurance that transactions are within the authorities provided by Parliament and by others such as the provinces and territories, and executed in accordance with prescribed regulations and properly recorded to maintain the accountability of funds and the safeguarding of assets. Financial management and internal control systems are reinforced by the maintenance of internal audit programs. The Agency also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training, and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards, and managerial authorities are understood throughout the organization.

The Auditor General of Canada conducts an independent audit and expresses opinions on the accompanying financial statements

AUDITOR'S REPORT

TO THE BOARD OF MANAGEMENT OF THE CANADA CUSTOMS AND REVENUE AGENCY AND THE MINISTER OF NATIONAL REVENUE

I have audited the statement of financial position-Agency Activities of the Canada Customs and Revenue Agency as at March 31, 2004 and the statements of operations, net liabilities and cash flow for the year then ended. These financial statements are the responsibility of the Agency's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis,

evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Agency Activities of the Canada Customs and Revenue Agency as at March 31, 2004 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Sheila Fraser, FCA Auditor General of Canada

NOTES TO THE FINANCIAL STATEMENTS—AGENCY ACTIVITIES

1. Authority and purpose

The Canada Customs and Revenue Agency (the "Agency") was established effective November 1, 1999, under the Canada Customs and Revenue Agency Act. The Agency was originally established to support the evolution of tax administration and customs services in Canada. This role has changed in respect of the provision of customs services as a result of the creation of Canada Border Services Agency (CBSA).

On December 12, 2003, the Government announced a restructuring, which resulted in the creation of the CBSA. Prior to this announcement, the CCRA had been identified as being responsible for the appropriations established in the 2003-2004 Main and Supplementary Estimates. Therefore, the Agency Activities include the portion of expenses, revenue, assets and liabilities applicable to the CBSA as at March 31, 2004 (Note 15).

The Agency is a departmental corporation named in Schedule II of the *Financial Administration Act* and reports to Parliament through the Minister of National Revenue. The Agency's expenditures are funded by the Government of Canada through appropriations.

The Agency administers, on behalf of others, income taxes and sales taxes. Canada Pension Plan (CPP) contributions, Employment Insurance (EI) premiums, as well as amounts collected for other groups or organizations. The Agency is responsible for the administration and enforcement of the following acts or portions of these acts and certain other acts for which the Minister of National Revenue has a mandated role including: the Air Travellers Security Charge Act, the Canada Customs and Revenue Agency Act, the Children's Special Allowances Act, Part V.1 of the Customs Act, the Excise Act, the Excise Tax Act (includes GST/HST), the Excise Act, 2001, the Income Tax Act, and others. As a result of the creation of the CBSA, Acts that were formerly administered by the CCRA such as the Customs Tariff and those portions of the Customs Act other than Part V.1 are administered by the CBSA.

The Agency's mandate is to provide support, advice and services when:

- (a) supporting the administration and enforcement of program legislation;
- (b) implementing agreements between the Government of Canada or the Agency and the government of a province or other public body performing a function of government in Canada to carry out an activity or administer a tax or program;

- (c) implementing agreements or arrangements between the Agency and departments or agencies of the Government of Canada to carry out an activity or administer a program; and
- (d) implementing agreements between the Government of Canada and Aboriginal governments to administer a tax.

In delivering its mandate, the Agency operates under the following business lines:

- (a) Tax Services: assesses and collects taxes on behalf of federal, provincial (except Quebec) and territorial governments and promotes compliance with Canada's tax laws.
- (b) Benefit Programs and Other Services: delivers certain income-based benefits, credits and other services to low- and moderate-income Canadians on behalf of federal, provincial (except Quebec), and territorial governments.
- (c) Appeals: provides clients an impartial review of their disagreements with CCRA decisions involving tax, customs, employment insurance, Canada Pension Plan, and trade administration issues. It manages the Voluntary Disclosure Program and coordinates initiatives relating to the fairness of Agency programs.
- (d) Corporate Management and Direction: provides the following internal services: financial, administration, information technology, human resources, communications, legal, internal audit and program evaluations.
- (e) Customs Services: facilitates the flow of legitimate trade and travel, while securing Canada's borders against external threats. Customs Services also seeks to protect Canadian industry from unfair trade practices and injury caused by dumping or subsidizing of goods imported into Canada.

The Minister of National Revenue is responsible for the Agency and remains accountable to Parliament for the administration and the enforcement of the various tax and customs programs' legislation.

2. Summary of significant accounting policies

For financial reporting purposes, the activities of the Agency have been divided into two sets of financial statements: Agency Activities and Administered Activities. The financial statements—Agency Activities include those operational revenue and expenses, which are controlled by the Agency and utilized in running the organization. The financial statements—Administered Activities include those

NOTES TO THE FINANCIAL STATEMENTS—AGENCY ACTIVITIES—Continued

revenues and expenses which are controlled by someone other than the Agency, such as the federal government, a province or territory, or another group or organization, and managed by the Agency on their behalf. The purpose of the distinction between Agency and Administered activities is to facilitate, among other things, the assessment of the administrative efficiency of the Agency in achieving its mandate.

As required by section 88(2)(a) of the Canada Customs and Revenue Agency Act, the Financial Statements—Agency Activities have been prepared using accounting principles consistent with those applied in the preparation of the financial statements of the Government of Canada. These accounting principles are based on Canadian generally accepted accounting principles. The purpose of these financial statements is to present operational non-tax revenue and expenses and assets and liabilities that are controlled by the Agency and utilized in running the organization. A summary of significant accounting policies follows:

(a) Parliamentary appropriations

The Agency is financed by the Government of Canada through funding voted annually by Parliament. This funding, referred to as appropriations, is primarily based on cash flow requirements. The financial statements are prepared in accordance with accounting principles consistent with those applied in preparing the financial statements of the Government of Canada. Consequently, items recognized in the statement of operations and the statement of financial position are not necessarily the same, or on the same basis, as those provided through appropriations from Parliament. The statement of operations does not include budgetary information.

(b) Expense recognition

All expenses are recorded on the accrual basis.

(c) Revenue recognition

Non-tax revenue reported in this statement excludes administered revenues collected under the authority of the *Income Tax Act*, the *Customs Act*, the *Excise Act*, the *Excise Tax Act* and other similar legislation. Non-tax revenue is recorded on the accrual basis.

(d) Consumable supplies

Consumable supplies consist of forms, publications and uniforms. These assets are recorded at the lower of cost (determined by using the weighted average cost method) or net realizable value. The cost of consumable supplies is charged to operations in the period in which the items are used.

(e) Capital assets

All costs of \$ 10,000 or more incurred in acquiring and developing land, buildings, equipment and other capital property (including leasehold improvements) are capitalized as tangible capital assets and amortized over the useful lives of the assets. Similar items under \$10,000 are included in the statement of operations and are disclosed as equipment purchases in note 5. The capitalization of software and leasehold improvements has been done on a prospective basis from April 1, 2001. Capital assets do not include intangibles, works of art and historical treasures that have cultural, aesthetic or historical value, and museum collections. Amortization of capital assets is done on a straight-line basis over the estimated useful lives of assets as follows:

Asset	Useful life
Border crossings infrastructure	
(Roads, sewers and works)	40 years
Buildings	30 years
Machinery, equipment and furniture	10 years
In house developed software	7 years
Vehicles and other means of transportation	on 5 years
Information technology equipment	5 years
Purchased software	3 years
Capital leases and leasehold	
improvements Te	rm of the lease

Assets under construction/development are not amortized until completed and put into operation (Note 8).

(f) Services provided without charge by other Government departments

Estimates of amounts for services provided without charge by other Government departments are included in expenses. Those amounts include:

- accommodation provided by Public Works and Government Services Canada;
- employer's contributions to the health insurance plan and employee benefit plan provided by Treasury Board;
- legal services provided by Justice Canada;
- audit services provided by the Office of the Auditor General of Canada;
- workers' compensation benefits provided by Human Resources and Skills Development Canada; and
- payroll services provided by Public Works and Government Services Canada.

2.6 FINANCIAL STATEMENTS OF DEPARTMENTAL CORPORATIONS

NOTES TO THE FINANCIAL STATEMENTS— AGENCY ACTIVITIES—Continued

(g) Net cash provided by Government of Canada

The Agency operates within the Consolidated Revenue Fund (CRF). The CRF is administered by the Receiver General for Canada. All cash receipts are deposited to the CRF and all cash disbursements are paid from the CRF. The net cash provided by government is the difference between all cash receipts and all cash disbursements including transactions with departments and agencies.

(h) Due from the Consolidated Revenue Fund (CRF)

Due from the CRF represents the amount of cash that the Canada Customs and Revenue Agency is entitled to draw from the CRF without further appropriations to discharge its liabilities. These amounts have been charged to current or prior years' appropriations but will be paid in the future and include items such as accrued employee salaries, accounts payable and accrued liabilities.

(i) Employee severance benefits, vacation pay, and compensatory leave

Employee severance benefits, vacation pay, and compensatory leave are expensed as the benefits accrue to employees under their respective terms of employment. The employee severance benefits liability is estimated using the Government of Canada's demographic population characteristics and assumptions. The liability for vacation pay and compensatory leave is calculated at the salary levels in effect at the end of the year for all unused vacation pay and compensatory leave benefits accruing to employees. Employee severance benefits and vacation pay liabilities payable on cessation of employment are Agency obligations that are normally funded through future years' appropriations.

(j) Contributions to Public Service Superannuation Plan

Most Agency employees participate in the Public Service Superannuation Plan administered by the Government of Canada. The employees and the Agency contribute to the cost of the Plan. The Agency's contributions are charged to expenses in the year incurred and represent the total Agency pension obligation to the Plan. Current legislation does not require the Agency to make contributions for any actuarial deficiencies of the Public Service Superannuation Account.

(k) Employee benefit plan

The federal government sponsors an employee benefit plan (health and dental) in which the Agency participates. The Agency's contributions to the plan are recorded at cost and charged to personnel expenses in the year incurred. They represent the Agency's total obligation to the plan. Current legislation does not require the Agency to make contributions for any future unfunded liabilities of the plan.

(l) Measurement uncertainty

The preparation of these financial statements according to the accounting principles applied in preparing the financial statements of the Government of Canada requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Employee severance benefits, contingencies, and the useful life of capital assets are the most significant items where estimates are used. Actual results could differ from these current estimates. The estimates are reviewed periodically and, as adjustments become necessary, they are reported in net results of operations in the period in which they become known.

3. Parliamentary appropriations

The Agency receives most of its funding through Parliamentary appropriations. Items recognized in the statement of operations and the statement of financial position in one year may be funded through Parliamentary appropriations in prior, current or future years. Accordingly, the Agency has different net results of operations for the year on a government funding basis than on an accrual accounting basis. These differences are reconciled below:

NOTES TO THE FINANCIAL STATEMENTS—AGENCY ACTIVITIES—Continued

(a) Reconciliation of net cost of operations to total Parliamentary appropriations used:

	2004	2003
	(in thousands	s of dollars)
Net costs of operations	3,928,129	4,094,081

Other services	38,380	39,760
assets (Note 8)	37,850	27,419
Equipment and other rentals	10,838	14,189
Advertising, printing and		ŕ
related services	6,280	6,051
of capital assets	4,652	15,888
Utilities	610	510
Other expenses	19,285	3,566
Total expenses	4,142,143	4,290,689
Expenses as presented on the Statement of Operations Expenses from		
continuing operations	3,260,687	3,368,591
operations	881,456	922,098
Total expenses	4,142,143	4,290,689

6. Accounts receivable

The following table presents details of accounts receivable:

	2004	2003
	(in thousands	of dollars)
Accounts receivable—From Government departments and agencies	30,705	18,925
External to the Government	1,810 2,365 3,259	1,254 2,218 3,228
Other	38,178	25,659
Less: allowance for doubtful accounts	38,051	(162) 25,497

7. Net liabilities

Net liabilities represent the excess of the liabilities relating to Agency activities over its assets.

Included in the liabilities are \$562,615,000 (2003—\$590,478,000), which represent transactions incurred by the Agency in providing services that will require future funding. Significant components of the future funding requirements amounts are employee severance benefits and vacation pay and compensatory leave liabilities. These amounts are expected to be funded by appropriations in future years as they are paid.

NOTES TO THE FINANCIAL STATEMENTS— AGENCY ACTIVITIES—Continued

8. Capital assets

The following table presents details of capital assets:

			Asset Cla	iss		
	Land, buildings (owned and under construction), roads, sewers, works and infrastructure		Vehicles and other means of transportation	Software (purchased and in house developed and/or in development)	Information technology equipment including capital leases (note 12)	Total
			(in thousand	ds of dollars)		
Opening (April 1, 2003)						
Cost	147,214	49,362	17,390	126,106	143,430	483,502
Accumulated amortization	(28,628)	(19,792)	(8,551)	(2,262)	(94,306)	(153,539)
Carrying cost	118,586	29,570	8,839	123,844	49,124	329,963
In-year transactions						
Additions	6,492	18,221	1,515	136,047	19,721	181,996
Disposals/Write-off	(1,030)	(2,787)	(26)	(754)	(72)	(4,669)
Amortization	(3,871)	(4,555)	(2,633)	(8,537)	(18,254)	(37,850)
Closing (March 31, 2004)						
Cost	152,678	63,531	17,337	262,015	158,842	654,403
Accumulated amortization	(32,501)	(23,082)	(9,642)	(11,415)	(108,323)	(184,963)
Carrying cost	120,177	40,449	7,695	250,600	50,519	469,440

Certain amounts above are shown on a net basis.

The cost of assets under construction or development, which are not amortized, are \$23,586,000 in buildings works and infrastructure, \$1,284,000 in equipment, \$98,625,000 in software and \$1,277,000 in information technology equipment as at March 31, 2004 (\$50,310,000; \$1,350,000; \$87,826,000; and \$599,000 respectively as at March 31, 2003).

9. Board of Management

Pursuant to the Canada Customs and Revenue Agency Act, a Board of Management is appointed to oversee the organization and administration of the Agency and the management of its resources, services, property, personnel and contracts. Expenses relating to the Board's activities during the year total \$811,000 (2003—\$937,000) and are included in the net costs of operations. This includes payments to the Board of Management, secretariat staff personnel expenses, travel and other expenses.

10. Related party transactions

The Agency is related in terms of common ownership to all Government of Canada departments, agencies, and Crown corporations. The Agency enters into transactions with these entities in the normal course of business and on normal trade terms applicable to all individuals and enterprises. Also, during the year, the Agency received services, which were obtained without charge from other Government departments as presented in part (a). Transactions with enterprise Crown corporations and other government business enterprises that are not dependent on

the government for financing their activities are not considered to be related party transactions.

(a) Services provided without charge by other Government departments:

During the year, the Agency received accommodation and professional services without charge from other Government departments and agencies. Employer's health insurance plan contributions, employee benefit plans and workers' compensation benefits were also provided by other Government departments without charge. Significant services provided without charge have been recognized in the Agency's Statement of Operations as follows:

	2004	2003
	(in thousands	of dollars)
Accommodation	250,080	241,016
Employer's contribution to the health insurance plan and		
employee benefit plans	216,794	187,134
Legal services	69,461	69.362
Audit services.	4,700	4,089
Workers' compensation benefits	2,327	2,940
Payroll services	1,900	2,072
	545,262	506,613

NOTES TO THE FINANCIAL STATEMENTS—AGENCY ACTIVITIES—Continued

(b) Payables and receivables outstanding at year end with related parties:

	2004	2003
	(in thousands	s of dollars)
Accounts receivable—From		
other Government		
departments and agencies	30,705	18,925
Accounts payable—To		
other Government departments		
and agencies	16,125	87,244

11. Contingent liabilities

In connection with its operations, the Agency is a defendant in certain cases of litigation and has contingencies for contaminated sites. It is estimated that, at March 31, 2004, there are \$10 million (\$6 million at March 31, 2003) in potential liabilities arising from claims and contaminated sites. A contingent liability will be recorded as an actual liability with a corresponding charge to expenses when it becomes likely that a payment will be made and the amount of that payment may be reasonably and reliably estimated.

12. Capital lease obligations

The Agency has entered into agreements to rent information technology equipment under capital leases with a cost of \$9,690,000 and accumulated amortization of \$6,559,000 as at March 31, 2004 (\$12,214,000 and \$6,424,000 respectively as at March 31, 2003) (Note 8). The obligations for the upcoming years include the following:

	2004	2003
	(in thousands	of dollars)
Year 1	2,906	3,231
Year 2	480	2,594
Year 3		480
Year 4		
Year 5		
Total future minimum		
lease payments	3,386	6,305
Less: imputed interest		
(2.36 percent - 6.17 percent)	105	337
Balance of obligations under		
capital leases	3,281	5,968

13. Commitments

The nature of the Agency's activities can result in multi-year contracts and obligations whereby the Agency will be committed to make future payments when the services/goods are received. Significant commitments that can be reasonably estimated are as follows:

					2009 and there-	1
	2005	2006	2007	2008	after	Total
		(in th	ousand	s of do	llars)	
Capital leases	2.006	400				2.206
(Note 12) Operating	2,906	480				3,386
leases	1,235	1,115	940	703	117	4,110
Total	4,141	1,595	940	703	117	7,496

14. Transfer payments

The following table presents details of transfer payments as reported in note 5:

(in tho	usands	of dollars)
Contributions to the Province of Quebec in respect of the joint administration costs of federal and provincial sales taxes	,855	108,826
information campaign	72	481
119	,927	109,307

NOTES TO THE FINANCIAL STATEMENTS— AGENCY ACTIVITIES—Concluded

15. Transferred operations

On December 12, 2003, the Government announced a restructuring, which resulted in the creation of the Canada Border Services Agency (CBSA). The border operations managed by the Canada Customs and Revenue Agency were transferred to the new CBSA at that date as a result of this change. The transferred border operations have been included in these financial statements in order to be consistent with the authorities established in the 2003-2004 main and supplementary estimates. Border operations expenses include an allocation of costs related to corporate management and direction. The following table presents the revenue and expenses:

to Dec. 11, 2003	Dec. 12, 2003 to March 31, 2004	Total
(in tho	usands of d	ollars)
4,973	7,957	12,930
644,778	236,678	881,456
639,805	228,721	868,526
	Dec. 11, 2003 (in tho 4,973 644,778	Dec. 11, March 31, 2003 2004 (in thousands of do 4,973 7,957 644,778 236,678

The information required to segregate the border services assets and liabilities were not available as at the reporting

16. Employee future benefits

The following Agency expenses with respect to employee future benefits are included in the Statement of Operations and in note 5 as other allowances and benefits.

	2004	2003
	(in thousands	of dollars)
Contributions to the Public Service Superannuation Plan	340.015	352,748
Employee severance benefits	,	60,163
	352,367	412,911

17. Comparative figures

Certain comparative figures have been reclassified to conform with the presentation used in the current year.

PUBLIC ACCOUNTS OF CANADA, 2003-2004

Canada Customs and Revenue Agency— Continued

AUDITOR'S REPORT

TO THE BOARD OF MANAGEMENT OF THE CANADA CUSTOMS AND REVENUE AGENCY AND THE MINISTER OF NATIONAL REVENUE

I have audited the statement of administered assets and liabilities of the Canada Customs and Revenue Agency as at March 31, 2004 and the statements of administered revenues, administered expenses and recoveries and administered cash flows for the year then ended. This financial information is the responsibility of the Agency's management. My responsibility is to express an opinion on this financial information based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial information is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the

financial information. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial information.

In my opinion, these statements present fairly, in all material respects, the administered assets and liabilities of the Canada Customs and Revenue Agency as at March 31, 2004 and the results of its administered operations and cash flows for the year then ended in accordance with the accounting policies set out in Note 2 to the statements.

Sheila Fraser, FCA Auditor General of Canada

Ottawa, Canada September 7, 2004

STATEMENT OF ADMINISTERED ASSETS AND LIABILITIES AS AT MARCH 31 $\,$

NOTES TO THE FINANCIAL STATEMENTS—ADMINISTERED ACTIVITIES

1. Authority and purpose

The Canada Customs and Revenue Agency (the "Agency") was established effective November 1, 1999, under the *Canada Customs and Revenue Agency Act*. The Agency was originally established to support the evolution of tax administration and customs services in Canada. This role has changed in respect of the provision of customs services as a result of the creation of Canada Border Services Agency (CBSA).

On December 12, 2003 the government announced a restructuring, which resulted in the creation of the Canada Border Services Agency. While responsibility for the administration of the *Customs Act* has been transferred in large part to the CBSA, the responsibility for the collection of amounts owing or payable under Part V.1 of the *Customs Act* was not transferred to the CBSA. These amounts, and all other revenues, expenses, assets, and liabilities applicable to the customs program, are included in these financial statements.

The Agency is a departmental corporation named in Schedule II of the *Financial Administration Act* and reports to Parliament through the Minister of National Revenue. The Agency's expenses are funded by the Government of Canada through appropriations.

The Agency administers, on behalf of others, income taxes and sales taxes, Canada Pension Plan (CPP) contributions, Employment Insurance (EI) premiums, as well as amounts collected for other groups or organizations. The Agency is responsible for the administration and enforcement of the following acts or portions of these acts and certain other acts for which the Minister of National Revenue has a mandated role including: the Air Travellers Security Charge Act, the Canada Customs and Revenue Agency Act, the Children's Special Allowances Act, Part V.1 of the Customs Act, the Excise Act, the Excise Tax Act (includes GST/HST), the Excise Act, 2001, the Income Tax Act, and others. As a result of the creation of the CBSA, Acts that were formerly administered by the CCRA such as the Customs Tariff and those portions of the Customs Act other than Part V.1 are administered by the CBSA.

The Agency's mandate is to provide support, advice and services when:

- (a) supporting the administration and enforcement of the program legislation;
- (b) implementing agreements between the Government of Canada or the Agency and the government of a province or other public body performing a function of government in Canada to carry out an activity or administer a tax or program;

NOTES TO THE FINANCIAL STATEMENTS—ADMINISTERED ACTIVITIES—Continued

- (c) implementing agreements or arrangements between the Agency and departments or agencies of the Government of Canada to carry out an activity or administer a program; and
- (d) implementing agreements between the Government of Canada and Aboriginal governments to administer a tax.

In delivering its mandate, the Agency:

- collects revenues and administers tax and other legislation for the Federal Government and for certain provinces and territories and others, including First Nations; and
- delivers certain federal and provincial governments' social and economic benefit programs to Canadians, through the tax system.

The Minister of National Revenue is responsible for the Agency and is accountable to Parliament for the administration and the enforcement of the various tax programs' legislation.

In the province of Quebec, the Ministère du Revenu du Québec (MRQ) acts as an agent of the Agency for the administration of the GST. The Agency monitors cash transfers made by MRQ, reports the GST revenues administered on its behalf, authorizes refunds and transfers funds out of the Consolidated Revenue Fund to MRQ for the purpose of issuing refunds.

2. Summary of significant accounting policies

For financial reporting purposes, the activities of the Agency have been divided into two financial statements: Administered Activities and Agency Activities. The financial statements—Administered Activities include those revenues and expenses which are controlled by someone other than the Agency, such as the Federal Government, a province or territory, or another group or organization, and managed by the Agency on their behalf. The financial statements—Agency Activities include those operational revenues and expenses which are controlled by the Agency and utilized in running the organization. The purpose of the distinction between Agency and Administered activities is to facilitate, among other things, the assessment of the administrative efficiency of the Agency in achieving its mandate.

As required by section 88(2)(a) of the Canada Customs and Revenue Agency Act, the financial statements of the Agency have been prepared with accounting principles consistent with those applied in the preparation of the financial statements of the Government of Canada. The purpose of these financial statements is to present the tax and

tax-related revenues, expenses, assets and liabilities that the Agency administers on behalf of the Federal Government, provincial governments and other organizations. The most significant accounting policies are as follows:

(a) Revenue recognition

Revenues are recognized in the period in which the event that generates the revenue occurs.

The following policies are applied for specific revenue streams:

(i) Income taxes, Canada Pension Plan contributions and Employment Insurance premiums:

For income taxes, revenue is recognized when the taxpayer has earned and received the income producing the tax. This is done by determining income earned net of tax deductions and credits allowed under the *Income Tax Act*, including refundable taxes resulting from current year activity. For Canada Pension Plan contributions (CPP), revenue is recognized when the employee or the self-employed person has earned pensionable income. For Employment Insurance premiums (EI), revenue is recognized when the employee has earned insurable earnings.

Revenues for the fiscal year are based on actual amounts assessed/reassessed at the time of preparation of the financial statements and estimates of income tax, CPP contributions and EI premiums not yet assessed/reassessed. The vast majority of these estimates are based on cash payments received at the time of preparation of the financial statements that relate to the fiscal year ended March 31 that have not been assessed or that are awaiting reassessment. Actual results may differ significantly from these estimates. The difference will be recorded in the fiscal year in which the actual assessment/reassessment is completed. No additional estimate of future reassessments is made.

Reassessments include changes made to previously assessed net income at the request of the taxpayer, for example to claim a subsequent loss carry back, or are initiated by the Agency as a result of applying reporting compliance procedures such as taxpayer audits.

(ii) GST and HST, Excise and Customs:

The determination of these revenues is based on the taxes and duties assessed and estimates of amounts not yet assessed that relate to the fiscal year ended March 31. These estimates are based on cash payments received at the time of preparation of the

NOTES TO THE FINANCIAL STATEMENTS—ADMINISTERED ACTIVITIES—Continued

financial statements that relate to the fiscal year ended March 31 that have not been assessed.

For the Goods and Services Tax (GST) and Harmonized Sales Tax (HST) on domestic goods and services, revenue is recognized at the time of the sale of goods or the provision of services. Revenue is determined net of the input tax credits (ITC), GST rebates and the GST quarterly tax credit. ITC is the recovery of GST/HST paid or owed on purchases related to commercial activities of the taxpayer. The GST quarterly tax credit for lower-income families is recorded in the period to which it relates. It is intended to offset the cost of the tax for lower-income individuals and families.

For Excise duties, revenue is recognized when the taxpayer manufactures goods taxable under the *Excise Act*. For Excise taxes, revenue is recognized when a taxpayer sells goods taxable under the *Excise Act*. For GST/HST on imports and Customs duties, revenue is recognized when goods are authorized by the Agency to enter Canada.

(iii) Other revenue recognition:

Other revenues are recorded in the period to which they relate. All interest and penalty revenues are recorded as revenues administered for the Federal Government as per the terms of the tax collection agreements with the provinces and territories. Interest and penalties are recorded net of amounts forgiven under the various tax acts.

(iv) Assessment definition:

An assessment (or reassessment) of tax is defined as all decisions and other steps made or taken by the Minister of National Revenue and officials of the Agency under the federal, provincial and territorial acts or sections of the acts administered by the Agency to determine tax payable by taxpayers. When verifying a taxpayer's return, the Agency uses applicable provisions of the various tax acts it administers as well as other internally developed criteria which are designed to substantially meet the provisions of these acts.

(v) Completeness of tax revenues:

The Canadian tax system is predicated on self-assessment where taxpayers are expected to understand the tax laws and comply with them. This has an impact on the completeness of tax revenues when taxpayers fail to comply with tax laws, for example, if they do not report all of their income. The Agency has implemented systems and controls in order to detect and correct situations where

taxpayers are not complying with the various acts it administers. These systems and controls include performing audits of taxpayer records where determined necessary by the Agency. Such procedures cannot be expected to identify all sources of unreported income or other cases of non-compliance with tax laws. The Agency does not estimate the amount of unreported tax. However, such amounts are included in revenues when assessed.

(b) Expenses

(i) Interest expense:

The Agency incurs interest expenses as a result of late refund payments. These are in large part due to the resolution of long standing corporate tax cases which have been appealed and which are resolved in favour of the taxpayer. The refund payment includes interest accrued since the tax in dispute was initially paid. Accrued interest is recognized when the liability for the related tax case is recognized. The Agency does not estimate these amounts in advance.

(ii) Administered expenses:

Expenses relating to child tax benefits, the Children's Special Allowance and the provincial and territorial administered expenses are recorded in the period to which they relate.

(iii) Administered recoveries:

Recoveries of Old Age Security and Employment Insurance benefits are recognized when assessed, with an estimate for amounts not yet assessed. Only recoveries assessed through the personal income tax system are reported by the Agency. Recoveries determined by other Federal Government departments are not reported in these financial statements.

(c) Cash on hand

Cash on hand includes amounts received in CCRA offices or by CCRA agents as at March 31 but not yet deposited to the credit of the Consolidated Revenue Fund of the Government of Canada.

(d) Amounts receivable from taxpayers

Amounts receivable represent taxes and other revenues assessed or estimated by the Agency but not yet collected. A significant portion of the receivable balance is due to the recording of accrued receivables, which relate to the current fiscal year but are not due for payment until the next fiscal year.

NOTES TO THE FINANCIAL STATEMENTS— ADMINISTERED ACTIVITIES—Continued

(e) Allowance for doubtful accounts

The allowance for doubtful accounts reflects management's best estimate of the collectibility of amounts assessed but not yet paid. The allowance for doubtful accounts has two components. A general allowance is calculated based on a periodic review of a sample of accounts receivable with a balance of less than \$10 million. A specific allowance is calculated based on an annual review of all accounts over \$10 million.

The allowance for doubtful accounts is increased by an annual provision for bad debts and is reduced by amounts written off as uncollectible during the year. The bad debt provision is reported in the statement of Administered Revenues because it is associated with the administration of tax and non-tax revenues and is not related to any program expenses. The provision is charged entirely to revenues administered for the Federal Government as it assumes all collection risks, as per the terms of the tax collection agreements with the provinces and territories.

(f) Amounts payable to taxpayers

Amounts payable to taxpayers represent tax and interest assessed, or estimated by the Agency, not paid as at March 31. A significant portion of the payable is due to the recording of accrued payables, which relate to the current fiscal year but are not due for payment until the next fiscal year. They include refunds resulting from assessments completed after March 31, and estimates of refunds for personal and corporate income tax not yet assessed.

(g) Contingent liabilities

Contingent liabilities are potential liabilities resulting from, for example, previously assessed taxes recorded as revenue, which may become actual liabilities when one or more future events occur or fail to occur. If the future event is likely to occur or to fail to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued. If the likelihood is not determinable or an amount cannot be reasonably estimated, the contingency is disclosed in the notes to the financial statements.

(h) Measurement uncertainty

The preparation of the financial statements requires management to make estimates and assumptions that affect the amounts of assets, liabilities, revenues and expenses reported in the financial statements. Estimates are used to record tax revenues and the related amounts receivable and payable. Actual results could differ from the current estimates. The effect on the financial statements of changes to such estimates and assumptions in future periods could be significant. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable.

NOTES TO THE FINANCIAL STATEMENTS—ADMINISTERED ACTIVITIES—Continued

3. Amounts receivable from taxpayers

For the purpose of this note, income tax receivables include Canada Pension Plan, Employment Insurance and related interest and penalties receivable. The Agency has established the following allowance for doubtful accounts related to the amounts receivable:

		2004		2003
	Gross	Allowance for doubtful accounts	Net	Net
		(in thousar	ds of dollars)	
Income taxes receivable				
Individuals	26,511,937	(3,766,617)	22,745,320	20,969,211
Employers	11,311,718	(474,539)	10,837,179	9,558,738
Corporations	6,397,297	(1,215,631)	5,181,666	4,169,379
Non-residents	842,328	(162,004)	680,324	491,889
GST receivable.	9,637,739	(1,883,190)	7,754,549	7,836,701
Excise receivable	693,111	(59,442)	633,669	482,753
Customs receivable	157,225	(36,537)	120,688	88,366
Total	55,551,355	(7,597,960)	47,953,395	43,597,037

Details of the allowance for doubtful accounts are as follows:

	Allowance for doubtful accounts April 1, 2003	Provision for bad debt	Write-offs	Allowance for doubtful accounts March 31, 2004
		(in thousa	nds of dollars)	
Individuals, employers and				
non-residents	(4,288,335)	(999,172)	884,347	(4,403,160)
Corporations	(1,073,723)	(349,071)	207,163	(1,215,631)
GST, Excise and				
Customs.	(1,812,104)	(558,526)	391,461	(1,979,169)
Total	(7,174,162)	(1,906,769)	1,482,971	(7,597,960)

The provision for bad debt of \$1,906 million reported above includes an amount of \$1,887 million charged against revenues administered on behalf of the Federal Government (see note 2 (e)) and \$19 million charged against revenues administered on behalf of the CPP Account (see note 12).

4. Amounts payable to taxpayers

Amounts payable to taxpayers are as follows:

	2004	2003
	(in thousar	nds of dollars)
Personal income tax	18,646,295	18,754,192
Corporate income tax	8,238,969	8,258,328
GST	5,988,113	6,484,487
Customs and excise tax and duties	166,333	73,529
Total	33,039,710	33,570,536

5. Amounts payable to provinces

These are amounts under the Agency's administrative responsibility that are payable directly to a province and consist primarily of amounts payable to Quebec. Amounts payable to provinces, territories and other organizations, which are settled by other departments such as the Department of Finance for Provincial, Territorial and First Nations taxes, are not recorded in these financial statements because these amounts are outside of the Agency's responsibility.

2.20 FINANCIAL STATEMENTS OF DEPARTMENTAL CORPORATIONS

NOTES TO THE FINANCIAL STATEMENTS— ADMINISTERED ACTIVITIES—Continued

6. Deposit accounts

The Agency receives refundable deposits to ensure compliance with various regulations. Deposits held at March 31, are as follows:

	2004	2003
	(in thousands	of dollars)
Guarantee deposits		
Balance, beginning of year	32,519	19,475
Net transactions during the year	6,012	13,044
Balance, end of year	38,531	32,519
Temporary deposits received from importers Balance, beginning of year. Net transactions during the year. Balance, end of year.	698 (113) 585	305 393 698
Total deposit accounts	39,116 (944) 38,172	33,217 (5,084) 28,133
The deposit decounts	50,172	20,133

The guarantee deposits account was established to record cash and securities required to guarantee payment of customs duties and excise taxes on imported goods, and of sales and excise taxes payable by licensees pursuant to the Customs Act and the Excise Tax Act.

The temporary deposits received from importers account was established to record temporary security deposits received from importers to ensure compliance with various customs and excise regulations regarding temporary entry of

Securities held in trust by the Agency are made up of cash and Government of Canada bonds.

7. Net amount due to the Consolidated Revenue Fund on behalf of the Government of Canada and others

The net cash deposited in the Consolidated Revenue Fund (CRF) of the Government of Canada includes all amounts collected on behalf of the Federal Government, provinces, territories and other organizations by the Agency and deposited in the CRF less refunds and payments issued from the CRF during the year.

The net amount due to the CRF on behalf of the Government of Canada and others is the difference between administered assets (taxes not yet collected and/or deposited in the CRF) and other administered liabilities payable by the Agency out of the CRF. The change in the net amount due to the CRF during the fiscal year is presented below:

	2004	2003
	(in thousan	nds of dollars)
Net amount due to the Consolidated Revenue Fund on behalf of the		
Government of Canada and others at		
the beginning of the year	15,446,545	15,058,154
Total net administered revenues	252,461,533	238,005,647
Less provincial revenues paid directly		
to provinces:		
Revenue administered for		
Nova Scotia		
Workers' Compensation	(181,586)	(172,649)
Provincial sales tax on tobacco		
and alcohol	(51,472)	(40,680)
Total net administered expenses	(7,757,972)	(7,551,186)
Net cash deposited in the Consolidated		
Revenue Fund of the Government		
of Canada	(238,992,512)	(229,852,741)
Net amount due to the Consolidated		-
Revenue Fund on behalf of the		
Government of Canada and others		
at the end of the year	20,924,536	15,446,545

8. Contingent liabilities

Contingent liabilities include previously assessed taxes where amounts are under objection or are being appealed to either the Tax Court, the Federal Court of Canada or the Supreme Court of Canada. As at March 31, 2004, an amount of \$7,615 million was under objection at the Agency level (\$7,641 million for 2003) and an amount of \$986 million was being appealed to the courts (\$1,419 million for 2003). The Agency has recorded a provision of \$53 million for 2004 (no amount for 2003) to reflect the estimated amount of objections or appeals that are considered likely to be lost and that can be reasonably estimated.

9. GST Revenues administered for the Federal Government

The following table presents details of the revenues from the Goods and Services Tax (GST) administered for the Federal Government as classified in the statement of Administered Revenues:

	2004	2003
	(in thousan	ds of dollars)
GST net of input tax credits		
and rebates	32,492,122	32,538,589
GST quarterly tax credits	(3,162,840)	(3,081,696)
GST net revenues	29,329,282	29,456,893

NOTES TO THE FINANCIAL STATEMENTS—ADMINISTERED ACTIVITIES—Concluded

10. Interest, penalties and other revenues

The Agency can, under certain circumstances, such as Agency processing delays, financial hardship by taxpayers or other extraordinary circumstances, forgive interest and penalties that have been charged or that would normally be charged. Under the various tax acts, interest and penalties may be cancelled if they have already been charged to the taxpayer or waived if they have not yet been charged to the taxpayer. Other revenues consist of miscellaneous fees and charges such as court fines, seizures and administration charges for dishonoured payments instruments. Amounts of interest and penalties forgiven under applicable authority by the Agency are provided below:

	2004	2003
	(in thousand	s of dollars)
Gross interest and penalties	3,372,932	3,065,761
authority of the: Income Tax Act Excise Tax Act Customs Act	(415,776) (58,396) (420)	(292,985) (24,116) (3,410)
Interest and penalties cancelled or waived Net interest and penalties Other revenues	(474,592) 2,898,340 20,398	(320,511) 2,745,250 26,559
Interest, penalties and other revenues	2,918,738	2,771,809

11. Other revenues administered for Provincial, Territorial Governments and First Nations

The following table presents details of the other revenues administered for Provincial, Territorial Governments and First Nations as classified in the statement of Administered Revenues:

	2004	2003	
	(in thousand	s of dollars)	
First Nations sales tax	4,042	3,749	
compensation	181,586	172,649	
Sales tax on tobacco and alcohol	51,472	40,680	
Total	237,100	217,078	

12. Net revenues administered on behalf of the Canada Pension Plan

The following table presents details on the revenues administered for the Canada Pension Plan as reported on the statement of Administered Revenues:

	2004	2003
	(in thousan	ds of dollars)
CPP contributions	27,921,241 126,541 (19,383)	25,166,344 100,975 (63,532)
CPP net revenues	28,028,399	25,203,787

13. Internal transactions with the Federal Government

The Department of Finance makes payments to provinces, territories and other organizations for revenue amounts such as Provincial, Territorial and First Nations taxes, for which the Agency administers the revenue collection process. Canada Pension Plan contributions and Employment Insurance premiums, net of overpayments refunded by the Agency and Old Age Security benefit recoveries, are deposited to the Consolidated Revenue Fund by the Agency and are then credited to Human Resource Development Canada (HRDC) who administers these programs through the Employment Insurance Account and the Canada Pension Plan Account.

The Agency deposits all monies collected for provincial tax, Canada Pension Plan contributions and Employment Insurance premiums to the Consolidated Revenue Fund; therefore no related inter-departmental balances are reported in these financial statements.

Employment Insurance premiums administered on behalf of the Federal Government include the employer's share of Employment Insurance paid by the Federal Government. GST declared to the Agency includes the GST paid by the Federal Government to its suppliers. GST collected by other Federal Government departments is deposited to the Consolidated Revenue Fund and declared to the Agency and, therefore, included in the GST revenues. Amounts are provided below:

	2004	2003
	(in thousand	s of dollars)
Employer's share of EI paid by		
the Federal Government	355,000	373,000
GST paid by the Federal		
Government to its suppliers	1,043,509	1,150,678
GST assessed on other Federal Government		
departments revenues	57,688	70,941

14. Comparative figures

Certain comparative figures have been reclassified to conform with the presentation used in the current year.

Canada Employment Insurance Commission

The Canada Employment Insurance Commission is a departmental corporation named in Schedule II of the Financial Administration Act. It became part of Human Resources Development Canada (HRDC) in 1993 and on December 12, 2003, the Minister of Human Resources and Skills Development (HRSDC) became responsible for the Commission. As such the Commission complies with any directions given to it by the Minister of HRSDC, respecting the exercise of its powers or the performance of its duties and functions.

The Commission consists of the Deputy Minister of HRSDC (Chairperson), the Associate Deputy Minister (Vice-chairperson) and two other Commissioners, one representing the employees and one representing the employers. It is funded through HRSDC who in turn manages the operations of the EI program based on direction given to it by the Commission: it makes regulations regarding the definition of insurable earnings and monitors and assesses the adequacy of program design and implementation.

The Employment Insurance Account, which is consolidated with the Government of Canada's financial statements, publishes its own complete set of financial statements which are audited by the Auditor General. These financial statements, reproduced in Volume 1, Section 4 of the Public Accounts of Canada, depict a complete record of the financial activities related to the Employment Insurance Program over which the Commission has jurisdiction.

Canadian Centre for Management Development

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

Responsibility for the integrity and objectivity of the accompanying financial statements for the year ended March 31, 2004 and all information contained in this report rests with departmental management.

These statements have been prepared by management in accordance with Treasury Board Accounting Standards based upon generally accepted accounting principles, using management's best estimates and judgements where appropriate. Readers of these statements are cautioned that the financial statements are not necessarily complete; certain assets, liabilities and expenses are only recorded at a government-wide level at this time. These statements should be read within the context of the significant accounting policies set out in the Notes.

Management has developed and maintains books, records, internal controls and management practices, designed to provide reasonable assurance that the Government's assets are safeguarded and controlled, resources are managed economically and efficiently in the attainment of corporate objectives, and that transactions are in accordance with the *Financial Administration Act* and regulations as well as the Centre's policies and statutory requirements. Management is also supported and assisted by a program of internal audit services.

Approved:

JANICE COCHRANE
President

BILL DOERING Senior Financial Officer June 15, 2004

NOTES TO THE FINANCIAL STATEMENTS (UNAUDITED)

1. Authority and objectives

The Canadian Centre for Management Development was established in 1991 by the Canadian Centre for Management Development Act and is a departmental corporation named in Schedule II of the Financial Administration Act. The Canadian Centre for Management Development is dedicated to excellence in learning and in research into public sector management, enhancing public sector management capabilities, and promoting a strong learning culture in the federal public service. The Centre focuses on the orientation, training and development of managers in the federal sector. It also has a capability to undertake management research and to develop teaching cases to enhance and broaden the range of management courses offered by the federal government. The Centre has a budgetary lapsing authority to fund its operating and contribution expenses. Also, the Centre has the authority to respend its revenues pursuant to section 29.1 (1) of the Financial Administration Act.

On April 1, 2004, amendments to the Canadian Centre for Management Development Act were proclaimed. Among other things, these amendments changed the name of the organization to the Canada School of Public Service (CSPS). Under the amended legislation, now entitled the Canada School of Public Service Act, the School is a continuation of the former organization, with an expanded mandate.

The CSPS amalgamates the Canadian Centre for Management Development, Training and Development Canada and Language Training Canada. The CSPS will have a lead role in helping the employer implement the learning components of the building blocks for a modern Public Service and developing a unified approach to serving the common learning and development needs throughout the Public Service.

2. Significant accounting policies

(a) These financial statements have been prepared on an accrual basis of accounting in accordance with Treasury Board Accounting Standards. These Standards are based on generally accepted accounting principles in Canada. The primary source of the accounting principles is from the recommendations of the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants supplemented by the recommendations of the Accounting Standards Board of the Canadian Institute of Chartered Accountants for situations not covered by the Public Sector Accounting Board. Readers of these financial statements are cautioned that the introduction of accrual accounting at the departmental level is evolutionary. Not all assets, liabilities and expenses applicable to a department

Canadian Centre for Management Development—Continued

NOTES TO THE FINANCIAL STATEMENTS (UNAUDITED)—*Continued*

are recorded at the departmental level at this time. As such, the financial statements are not necessarily complete. The accompanying notes provide additional detail and should be read with care. All such assets, liabilities and expenses are recorded at a government-wide level in the financial statements of the Government of Canada.

- (b) Parliamentary appropriation—The Canadian Centre for Management Development is financed in part through Parliamentary appropriations and in part from its own revenue generating activities. Appropriations provided to the Centre do not parallel financial reporting according to generally accepted accounting principles. Appropriations are primarily based on cash flow requirements. Consequently, items recognized in the statement of operations and the statement of financial position are not necessarily the same as those provided through appropriations from Parliament. Schedule 8 provides further details on the source and disposition of these authorities and the respendable revenues and Schedule 9 provides a high-level reconciliation between the two bases of reporting.
- (c) Reporting entity—The reporting entity is the Canadian Centre for Management Development.
- (d) All departments, including agencies and departmental corporations operate within the Consolidated Revenue Fund (CRF). The CRF is administered by the Receiver General for Canada. All cash receipts are deposited to the CRF and all cash disbursements made by departments are paid from the CRF. Net cash provided by government is the difference between all cash receipts and all cash disbursements including transactions between departments.
- (e) Basis of financial reporting—Revenue and expense transactions and any related asset and liability accounts between organization units within the Centre have been eliminated.
- (f) Revenues—These are accounted for in the period in which the underlying transaction or event occurred that gave rise to the revenues. Revenues that have been received but not yet earned are disclosed in Schedule 4—Deferred Revenue.
- (g) Expenses—These are recorded when the underlying transaction or expense occurred subject to the following:
 - Contributions are recognized in the year in which the recipient has met the eligibility criteria.
 - Employee termination benefits are expensed by departments as paid. No estimated accruals are recorded at

the departmental level. Any accrual of these benefits is recognized in the consolidated financial statements of the Government of Canada.

- Vacation pay and overtime are expensed in the year that the entitlement occurs.
- Contributions to superannuation plans are recognized in the period that the contributions are made. Actuarial surpluses or deficiencies are not recorded in the department's books but are recognized in the consolidated financial statements of the Government of Canada.
- Environmental liabilities are not recognized in the departmental books of accounts but are recognized in the consolidated financial statements of the Government of Canada.
- Services provided without charge by other government departments are recorded as operating expenses. The following are the more significant types of service provided without charge but recorded as operating expenses: accommodation and banking services provided by Public Works and Government Services Canada— \$1,733,100; contributions covering employer's share of employees insurance premiums and costs paid by Treasury Board Secretariat—\$744,368.
- Payments to Crown Corporations are reflected as other expenses. These payments are flow through payments for other than loans, investments and advances whereby the department acts as the intermediary to effect the payment to the Crown Corporation. The Centre did not make any payments to Crown Corporations.
- (h) Receivables—These are stated at amounts expected to be ultimately realized. A provision is made for receivables where recovery is considered uncertain.
- (i) Allowances for loans, investments and advances—Except for loans related to repayable contributions, allowances for collectibility, significant concessionary terms and risk of loss are not recorded in departmental financial statements but are recorded centrally by Treasury Board Secretariat for inclusion in the government-wide financial statements.
- (j) Capital assets—All assets treated as capital assets under Public Sector Accounting Board Recommendations plus leasehold improvements having an initial cost of \$10,000 or more are recorded at their acquisition cost. The capitalization of software and leasehold improvements has been done on a prospective basis as of April 1, 2001. Any costs incurred prior to this date have been expensed. Capital assets do not include intangibles, works of art and historical treasures that have cultural,

Canadian Centre for Management **Development**—Continued

NOTES TO THE FINANCIAL STATEMENTS (UNAUDITED)— Continued

aesthetic or historical value, assets located on Indian reserves and museum collections. Amortization of capital assets is done on a straight-line basis over the estimated useful life of the capital asset as follows:

Amortization Period Machinery and equipment 5 years Informatics hardware 5 years Informatics software 7 years 4 years Motor vehicles Leasehold improvements 20 years

(k) Foreign currency transactions—Transactions involving foreign currencies are translated into Canadian dollar equivalents using rates of exchange in effect at the time of those transactions. Assets and liabilities denominated in foreign currencies are translated using exchange rates in effect on March 31st.

3. Changes in accounting policies

There have been no material changes in accounting policies.

4. Contingent liabilities

In the normal course of its operations, the department becomes involved in various legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur or fail to occur, and a reasonable estimate of loss can be made, an estimated liability is accrued and an expense recorded on the government's consolidated financial statements. These estimated liabilities are not recognized on the department's financial statement as a liability until the amount of the liability is firmly established. There are no contingent liabilities.

5. Measurement uncertainty

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The most significant item where estimates are used is amortization of fixed assets.

6. Related party transactions

The department is related in terms of common ownership to all Government of Canada departments and Crown Corporations. The department enters into transactions with these entities in the normal course of business and on normal trade terms applicable to all individuals and enterprises except that certain services, as defined previously, are provided without charge.

Canadian Centre for Occupational Health and Safety

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

Responsibility for the integrity and objectivity of the accompanying financial statements for the year ended March 31, 2004 and all information contained in this report rests with the management of the Canadian Centre for Occupational Health and Safety (CCOHS).

These financial statements have been prepared by management in accordance with Treasury Board of Canada accounting standards which are based upon Canadian generally accepted accounting principles, using management's best estimates and judgements where appropriate. These statements should be read within the context of the significant accounting policies set out in Note 2 of the financial statements.

Management has developed and maintains books, records, internal controls and management practices, designed to provide reasonable assurance that the CCOHS' assets are safeguarded and controlled, resources are managed economically and efficiently in the attainment of corporate objectives, and that transactions are in accordance with the *Financial Administration Act* and regulations as well as department policies and statutory requirements.

An Audit Committee appointed by the Council of Governors of CCOHS has reviewed these statements with management and the auditors, and has reported to the Council of Governors. The Council of Governors has approved the financial statements.

The transactions and financial statements of CCOHS have been audited by the Auditor General of Canada, the independent auditor for CCOHS.

Approved by: S. LEN HONG President and Chief Executive Officer BONNIE EASTERBROOK, CGA Controller/Senior Financial Officer

AUDITOR'S REPORT

TO THE COUNCIL OF GOVERNORS OF THE CANADIAN CENTRE FOR OCCUPATIONAL HEALTH AND SAFETY AND THE MINISTER OF LABOUR

I have audited the statement of financial position of the Canadian Centre for Occupational Health and Safety as at March 31, 2004 and the statements of operations and net liabilities and cash flow for the year then ended. These financial statements are the responsibility of the Centre's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Centre as at March 31, 2004 and the results of its operations and its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

Alain Boucher, CA
Principal
for the Auditor General of Canada

Ottawa, Canada June 11, 2004

Canadian Centre for Occupational Health and Safety—Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and objectives

The Canadian Centre for Occupational Health and Safety (CCOHS) was established in 1978 under the Canadian Centre for Occupational Health and Safety Act and is a departmental corporation named in Schedule II to the Financial Administration Act. The objectives of the CCOHS are to promote the right of Canadians to a healthy and safe working environment and to enhance the physical and mental health of workers. CCOHS' operating expenditures are funded in part by its operating revenue and by a budgetary lapsing appropriation.

2. Significant accounting policies

These financial statements have been prepared on an accrual basis of accounting in accordance with Treasury Board of Canada accounting standards. These standards are based upon Canadian generally accepted accounting principles. Significant policies are as follows:

(a) Parliamentary appropriations

CCOHS is financed in part by the Government of Canada through Parliamentary appropriations. Appropriations provided to CCOHS do not parallel financial reporting according to generally accepted accounting principles, as they are based in large a part on cash flow requirements. Consequently, items recognized in the Statement of Operations and Statement of Financial Position are not necessarily the same as those provided through appropriations from Parliament. Note 4 provides information regarding the source and disposition of these authorities and a high-level reconciliation between the two bases of reporting.

(b) Due from the Consolidated Revenue Fund and net cash provided by Government

CCOHS operates within the Consolidated Revenue Fund (CRF), The CRF is administered by the Receiver General for Canada. All cash received by CCOHS is deposited to the CRF and all cash disbursements made by CCOHS are paid from the CRF. Due from the CRF represents the amount of cash that CCOHS is entitled to draw from the CRF, without further appropriations, in order to discharge its liabilities. Net cash provided by Government is the difference between all cash receipts and all cash disbursements including transactions with departments of the federal government and a corresponding amount is credited directly to the net assets (liabilities).

(c) Revenues

Revenues are accounted for in the period in which the underlying transaction or event occurred that gave rise to the revenues. Revenues that have been received but not yet earned are disclosed as deferred revenue. The deferred revenue represents cash received in advance of product delivery. The majority of cash received is for CCOHS' subscription products. These products are shipped in subsequent periods.

(d) Expenditure recognition

All expenditures are recorded on the accrual basis.

(e) Employee severance benefits

These are accrued as earned. Employee severance benefits on cessation of employment represent obligations of CCOHS that are normally funded through future year appropriations.

(f) Pension plan

CCOHS' employees participate in the Public Service Superannuation Plan administered by the Government of Canada. The employees and CCOHS contribute to the cost of Plan. The employer's contributions represent the total obligations of CCOHS and are recognized in the accounts in the period that the contributions are made.

(g) Services received without charge from other Government departments

Services received without charge from other Government departments are recorded as operating expenses at their estimated cost and a corresponding amount is credited directly to Net assets (liabilities).

(h) Foreign currency transactions

Transactions involving foreign currencies are translated into Canadian dollar equivalents using rates of exchange in effect at the time of those transactions. Assets and liabilities denominated in foreign currencies are translated using exchange rates in effect on March 31st.

(i) Inventories for resale

Inventories are valued at the lower of cost and net realizable value.

(i) Accounts receivable

Accounts receivable are stated as amounts expected to be ultimately realized. An allowance is made for receivables external parties where recovery is considered uncertain. No such provision is made for amounts owing from other Government departments.

Canadian Centre for Occupational Health and Safety—Continued

NOTES TO THE FINANCIAL STATEMENTS— Continued

(k) Capital assets

Capital assets with an acquisition cost of \$1,000 or more are capitalized at cost. The capitalization of software has been done on a prospective basis from April 1, 2001. Capital assets are amortized over the estimated useful life on a straight-line basis, as follows:

Asset Class	Amortization Period
Computer equipment	3 years
Furniture equipment	5 years
Software	1-5 years
Measuring equipment	5 years
Leasehold improvements	5 years

(l) Measurement uncertainty

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The allowance for employee severance benefits and the estimated useful lives of capital assets are the most significant items where estimates are used.

3. Revenue

	2004	2003
	\$	\$
Proceeds from sales		
Subscription—CCINFOdisc	702,251	856,029
Subscription—Specialty discs	402,288	485,341

	1,490,847	1,574,061
	3,910,100	4,185,066

CCOHS follows Treasury Board's external charging policy in its cost recovery program.

4. Parliamentary appropriations

The operations of CCOHS are financed through Parliamentary appropriations and cost recovery. The appropriations are recorded when used and any amount not used lapses. Items recognized in the Statement of Operations in one year may be funded through Parliamentary appropriations in a different year. Accordingly, CCOHS has different results of operations for the year on a government funding basis than on an accrual basis of accounting. These differences are reconciled below:

(a) Reconciliation of net cost of operations to total Parliamentary appropriations used:

Amortization expense for the year ended March 31, 2004 is \$335,669 (2003—\$227,885).

6. Accounts receivable

Accounts receivable were as follows as at:

	March 31, 2004	March 31, 2003
	\$	\$
External parties	218,595	160,319
Other Government departments	121,920	93,245
•	340,515	253,564

7. Accounts payable and accrued liabilities

Accounts payable were as follows as at:

recounts payable were as follows as at:	March 31, 2004	March 31, 2003
	\$	\$
External parties	463,193	960,302
Other Government departments	37,062	42,836
	500,255	1,003,138

8. Related party transactions

CCOHS is related in terms of common ownership to all Government of Canada departments, agencies and Crown Corporations. CCOHS enters into transactions with these entities in the normal course of business. Revenues include \$642,130 (2003—\$698,177) from transactions with various Canadian government departments. The transactions with related parties are carried out on similar terms and conditions with those applicable to transactions with external parties.

In addition to transactions previously disclosed, during the year ended March 31, 2004:

(a) CCOHS received accommodation services provided without charge from Public Works and Government Services Canada amounted to \$673,086 (2003—\$555,893).

Canadian Centre for Occupational Health and Safety—Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

(b) CCOHS received audit services without charge from the Office of the Auditor General of Canada amounted to \$36,000 (2003—\$42,082).

9. Funds for grants program

CCOHS is administering the Pan Asia Research and Development Grants Program on behalf of the International Development Research Centre (IDRC). CCOHS will distribute various grants to support research and development and research projects in Asia and Pacific region in networking applications, technologies and regulatory issues. The projects will address the region's economic, social and environmental problems.

The administration fee collected by CCOHS to administer the funds is recorded in revenues as "projects and collaborative agreements". No other activities, transactions or balances of this program are reflected in the financial statement of CCOHS.

	March 31, 2004	March 31, 2003
	\$	\$
Balance of funds, beginning of year	130,536	123,923
Project funds received	33,527	159,000
Grants made to recipients	(51,654)	(152,387)
CCOHS' administration fee	(40,000)	
Balance, end of year	72,409	130,536

10. Donations

CCOHS, by virtue of subsection 6(3) of its Act, may acquire money or other property by gift or otherwise and expend or dispose of those donations subject to their terms, if any. CCOHS received \$50 in donations during 2003/2004 bringing donations at the end of March 2004 to \$89,927 (2003—\$89,877). These funds are recorded in a special purpose account in the Consolidated Revenue Fund

11. Employee future benefits

Employees of CCOHS are entitled to specific benefits on or after termination or retirement, as provided for under various collective agreements or conditions of employment.

(a) Pension benefits

CCOHS' contributions to the Public Service Superannuation Account amounted to \$311,026 (2003—\$323,301).

(b) Severance benefits

The liability for employee severance benefits represents what the employees would receive upon their resignation from CCOHS. Employees with 10 or more years of continuous employment are entitled to such benefits, which are calculated on the basis of one half week's pay for each complete year of continuous employment, up to a maximum of 26 years.

CCOHS provides severance benefits to its employees. The expense for CCOHS employee severance benefit plan for the year ended March 31, 2004 was \$58,288 (2003—\$57,180). This benefit plan is not pre-funded and therefore has no assets, resulting in a plan deficit equal to the employee severance benefits liability. The liability recognized in the balance sheet at March 31, 2004 respecting this benefit plan is \$652,862 (2003—\$594,574).

12. Contingent liability

CCOHS is involved in a dispute originating in the normal course of business. In the opinion of management, the dispute will not have a material adverse effect on the financial position of CCOHS.

13. Comparative amounts

Certain comparative figures have been restated to conform to current year's presentation. Operating expenses for Professional and special services for 2003 have been increased by \$42,082 to include audit services received without charge from the Office of the Auditor General of Canada.

Canadian Food Inspection Agency

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

The management of the Canadian Food Inspection Agency (the "Agency") is responsible for the preparation of all information included in its financial statements and Annual Report. These reports are legislated requirements as per Section 23 of the Canadian Food Inspection Agency Act. The accompanying financial statements have been prepared in accordance with the Canadian generally accepted accounting principles as per Section 31 of the Canadian Food Inspection Agency Act. Significant financial statement accounting policies are identified in Note 2.

Management is responsible for the integrity and objectivity of the information in these financial statements. Some of the information in the financial statements is based on management's best estimates and judgment and gives due consideration to materiality. To fulfil its accounting and reporting responsibilities, management maintains a set of accounts that provides a centralized record of the Agency's financial transactions. Financial information and operating data contained in the ministerial statements and elsewhere in the Public Accounts of Canada are consistent with these financial statements.

Management maintains a system of financial management and internal control designed to provide reasonable assurance that financial information is reliable that assets are safeguarded and that transactions are executed in accordance with prescribed regulations, within Parliamentary authorities, and are properly recorded to maintain accountability of Government funds. Management also seeks to ensure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that regulations, policies, standards and managerial authorities are understood throughout the Agency.

The Auditor General of Canada conducts an independent audit and expresses an opinion on the accompanying financial statements.

AUDITOR'S REPORT

TO THE PRESIDENT OF THE CANADIAN FOOD INSPECTION AGENCY AND THE MINISTER OF AGRICULTURE AND AGRI-FOOD

I have audited the statement of financial position of the Canadian Food Inspection Agency as at March 31, 2004 and the statements of operations, equity of Canada and cash flows for the year then ended. These financial statements are the responsibility of the Agency's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Agency as at March 31, 2004 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purposes:

The Canadian Food Inspection Agency (the "Agency") was established, effective April 1, 1997, under the Canadian Food Inspection Agency Act. The Act consolidates all federally mandated food and fish inspection services and federal animal and plant health activities into a single agency.

The Agency is a departmental corporation named in Schedule II to the *Financial Administration Act* and reports to Parliament through the Minister of Agriculture and Agri-Food.

The mandate of the Agency is to enhance the effectiveness and efficiency of federal inspection and related services for food and animal and plant health. The objectives of the Agency are to contribute to a safe food supply and accurate product information; to contribute to the continuing health of animals and plants; and to facilitate trade in food, animals, plants, and related products.

The Agency is responsible for the administration and enforcement of the following acts: Agriculture and Agri-Food Administrative Monetary Penalties Act, Canada Agricultural Products Act, Canadian Food Inspection Agency Act, Feeds Act, Fertilizers Act, Fish Inspection Act, Health of Animals Act, Meat Inspection Act, Plant Breeders' Rights Act, Plant Protection Act, and Seeds Act

In addition, the Agency is responsible for enforcement of the *Consumer Packaging and Labelling Act* and the *Food and Drugs Act* as they relate to food. The Agency is also responsible for the administration of the provisions of the *Food and Drugs Act* as they relate to food, except those provisions that relate to public health, safety, or nutrition.

The Minister of Health remains responsible for establishing policies and standards relating to the safety and nutritional quality of food sold in Canada. The Minister of Health is also responsible for assessing the effectiveness of the Agency's activities related to food safety.

Operating and capital expenditures are funded by the Government of Canada through budgetary lapsing authorities. Compensation payments under the *Health of Animals Act* and the *Plant Protection Act* and employee benefits are authorized by separate statutory authorities. Revenues received through the conduct of its operations are deposited to the Consolidated Revenue Fund and are available for use by the Agency.

The financial transactions of the Agency are processed through the Consolidated Revenue Fund. The Agency does not have its own bank account. The Agency's cash entitlements represent the amount that the Agency is entitled to withdraw from the Consolidated Revenue Fund, without further authority, in order to discharge its liabilities.

2. Significant accounting policies:

The financial statements are prepared in accordance with Canadian generally accepted accounting principles as required under Section 31 of the *Canadian Food Inspection Agency Act*. Significant accounting policies are as follows:

(a) Parliamentary appropriations:

The Agency is mainly financed by the Government of Canada through parliamentary appropriations. Parliamentary appropriations provided and used for operating expenditures as well as those for capital expenditures are recorded directly to Equity of Canada.

(b) Revenue recognition:

Revenues for fees, permits and certificates are recognized in the accounts based on the service provided in the Agency's fiscal year.

Funds received from external parties for specified purposes are recorded upon receipt as deferred revenues. Revenues from external parties for specified purposes are recognized in the period in which the related expenses are incurred.

(c) Consumable supplies:

Consumable supplies consisting of laboratory materials, supplies and livestock are recorded at cost. The cost of the consumable supplies is charged to operations in the period in which the items are consumed.

(d) Property, plant and equipment:

Property, plant and equipment are recorded at historical cost or management's estimated historical cost less accumulated amortization. Amortization is provided on a straight-line basis over the estimated useful lives of the assets as follows:

<u>Asset</u>	<u>Useful life</u>
Buildings	20-30 years
Machinery and equipment	5-20 years
Computer equipment and software	3-10 years
Vehicles	7-10 years
Leasehold improvements	Lease term

NOTES TO THE FINANCIAL STATEMENTS— Continued

Amounts included in assets under construction are transferred to the appropriate asset classification when completed and in use. These amounts are then amortized according to the Agency's policy.

(e) Employee severance benefits:

The Agency accrues its obligations and the related costs as the benefits accrue to employees. The Agency's liability for employee severance benefits is calculated using information derived from the results of the actuarially-determined liability for employee severance benefits for the Government as a whole.

Employee severance benefits on cessation of employment represent obligations of the Agency that are normally funded through parliamentary appropriations when the benefits are paid.

(f) Vacation pay:

Vacation pay is expensed as the benefits accrue to employees under their respective terms of employment.

The liability for vacation pay is calculated at the salary levels in effect at the end of the year for all unused vacation pay benefits accruing to employees.

Vacation pay liability payable on cessation of employment represents obligations of the Agency that are normally funded through parliamentary appropriations when the benefits are paid.

(g) Services provided without charge by other Government departments:

Estimates of amounts for employee benefits, accommodation and other services provided without charge by other Government departments are recorded as operating and administrative expenses by the Agency. A corresponding amount is credited directly to Equity of Canada.

(h) Contributions to Public Service Superannuation Plan:

The Agency's eligible employees participate in the Public Service Superannuation Plan administered by the Government of Canada. Both the employees and the Agency contribute to the cost of the Plan. Contributions by the Agency are expensed in the year incurred.

The Agency is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Plan.

(i) Measurement uncertainty:

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Employee severance benefits, contingencies, the valuation of property, plant and equipment and amortization are the most significant items where estimates are used. Actual amounts could differ from the current estimates. These estimates are reviewed annually and as adjustments become necessary, they are recognized in the financial statements in the period in which they become known.

3. Parliamentary appropriations:

The Agency receives the majority of its funding through Parliamentary appropriations, which is based primarily on cash flow requirements. Items recognized in the statement of operations and the statement of Equity of Canada in one year may be funded through Parliamentary appropriations in prior and future years. Accordingly, the Agency has different net results of operations for the year on a government funding basis than on a Canadian generally accepted accounting principles basis. These differences are reconciled below.

The cost of net acquisitions totaled \$6,268,000 for the 2004 fiscal year (2003—\$22,705,000). This includes \$14,114,000 (2003—\$26,490,000) of additions and \$7,846,000 (2003—\$3,785,000) of disposals.

NOTES TO THE FINANCIAL STATEMENTS— Continued

5. Deferred revenues:

The Agency conducts joint projects with external organizations related to food inspection and animal and plant health. Funds received from external organizations are administered through specified purpose accounts.

	2004	2003
	(in thousands	of dollars)
Balance, beginning of year	1,924	1,905
external organizations	865	2,624
in the year	(1,116)	(2,605)
Balance, end of year	1,673	1,924

6. Employee benefits:

Included in salaries and employee benefits are the following expenditures paid by the Agency with respect to employee future benefits related to the Public Service Superannuation Plan and severance pay:

	2004	2003
	(in thousands	of dollars)
Contributions to the Public Service		
Superannuation Plan	43,244	39,349
Employee severance benefits	3,857	2,438

The ratio of employer to employee contributions toward the Public Service Superannuation Plan is 2.6:1 (2003—2.6:1).

7. Equity of Canada:

The Equity of Canada balance of \$87,466,000 (2003—\$111,501,000) as at March 31 has been established by deducting \$92,874,000 (2003—\$77,806,000), representing transactions incurred by the Agency to provide services with future funding requirements. Significant components of this amount are liabilities related to employee severance benefits and vacation pay liabilities. These will need to be funded through parliamentary appropriations in future years as they are paid.

8. Compensation payments:

The Health of Animals Act and the Plant Protection Act allow for the Minister, via the Agency, to compensate owners of animals and plants destroyed pursuant to the Acts. During the year, compensation payments incurred pursuant to the Health of Animals Act totaled \$8,920,000 (2003—\$4,649,000). These payments pertained to the following diseases:

	2004	2003
	(in thousands	of dollars)
Bovine Spongiform		
Encephalopathy (BSE)	4,033	98
Avian Influenza	2,400	
Scrapie	1,511	1,137
Chronic wasting		
disease	217	1,677
Other	759	1,737
	8,920	4,649

9. Related party transactions:

The Agency is related in terms of common ownership to all Government of Canada departments, agencies, and Crown corporations. The Agency enters into transactions with these entities in the normal course of business and on normal trade terms applicable to all individuals and enterprises. In addition, the Agency has several agreements with Agriculture and Agri-Food Canada related to the operation of their finance and administrative systems and some administrative activities with Health Canada related to the operations and maintenance of the Winnipeg Laboratory.

Also, during the year, the Agency received utilities, services and accommodation which were obtained without charge from other Government departments and agencies; the value of those services aggregated about \$48,815,000 (2003—\$43,086,000).

The total value of services provided by related parties, including services provided without charge totaled \$104,160,000 (2003—\$89,946,000) and are included as expenditures in the Statement of Operations. These services have been provided by the following departments and agencies:

2004	2003
usand	s of dollars)
,182	42,256
,408	25,877
,763	6,636
,422	5,153
,681	
,658	3,450
,673	3,218
,373	3,356
,160	89,946

Accounts payable and accrued liabilities includes amounts payable of \$5,107,000 (2003—\$10,578,000) for services provided by federal departments and agencies. The amounts receivable from related parties totaled \$2,343,000 (2003—\$1,042,000) and are included in accounts receivable.

NOTES TO THE FINANCIAL STATEMENTS— Concluded

10. Commitments and contingencies:

(a) At March 31, 2004, the Agency had commitments relating to capital projects, operating leases and other agreements arising in the normal course of business. The minimum future payments are as follows:

	2005	2006	2007	2008	2009 and thereafter	Total
			(in thousan	ds of dollars)		
Capital projects	300					300
Operating leases	12	12	12	12	347	395
Other agreements	2,018	19	19	11		2,067
Total	2,330	31	31	23	347	2,762

- (b) The Agency is a defendant in certain cases of pending and threatened litigation which arose in the normal course of operations. The total determinable amount of claims has been estimated at \$258 million (2003—\$194 million). The current best estimate of the amount likely to be paid in respect of these claims and potential claims has been recorded. Management believes that final settlement will not have a material adverse effect on the financial position or results of operations of the Agency.
- (c) This year, the Agency expanded its environmental assessments of potentially contaminated sites to a total of twelve sites across the country. The Agency has completed phase I of the environmental assessments at these sites, and remedial action has been carried out where required. Related remedial costs incurred during the year totaled \$80,000. The amount has been recorded as an expense in the Statement of Operations.

Further evaluation has been recommended for the Lethbridge Laboratory and two Quarantine Stations (St-Bernard de Lacolle, Québec, and Mirabel, Québec) in 2005. These evaluations are required to identify the contaminants, scope and remedial costs, where applicable. However, management believes the amounts will not be significant.

(d) The Agency does not carry insurance on its property. This is in accordance with the Government of Canada policy of self insurance.

11. Subsequent event:

On April 5, 2004, the Minister responsible for the Agency announced the depopulation of 19 million birds in British Columbia in response to the presence of Avian Influenza. The related amount of compensation payments to be incurred is estimated at \$63 million. These costs will be recorded in 2005.

Canadian Institutes of Health Research

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

Responsibility for the integrity and objectivity of the accompanying financial statements of the Canadian Institutes of Health Research for the year ended March 31, 2004 and all information contained in this report rests with CIHR's management.

These financial statements have been prepared by management in accordance with Treasury Board of Canada accounting standards based on Canadian generally accepted accounting principles. Where appropriate, the financial statements include amounts that have been estimated according to management's best judgement. These statements should be read within the context of the significant accounting policies set out in Note 2 of the financial statements.

Management has developed and maintains books of accounts, records, financial and management controls and practices, and information systems. They are designed to provide reasonable assurance that CIHR's assets are safeguarded and controlled, that resources are managed economically and efficiently in the attainment of corporate objectives, and that transactions are in accordance with the Financial Administration Act and regulations as well as CIHR policies and statutory requirements.

The transactions and financial statements of CIHR have been audited by the Auditor General of Canada, the independent auditor for the Government of Canada.

> Approved by: GAËTAN CYR Acting Director, Finance and Administration GUY D'ALOISIO, CMA Vice-President, Services & Operations July 26, 2004

AUDITOR'S REPORT

TO THE CANADIAN INSTITUTES OF HEALTH RESEARCH AND THE MINISTER OF HEALTH

I have audited the statement of financial position of the Canadian Institutes of Health Research (CIHR) as at March 31, 2004 and the statements of operations and net assets and cash flow for the year then ended. These financial statements are the responsibility of CIHR's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of CIHR as at March 31, 2004 and the results of its operations and its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

> John Wiersema, FCA Deputy Auditor General for the Auditor General of Canada

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and objectives

The Canadian Institutes of Health Research (CIHR) was established in June 2000 under the Canadian Institutes of Health Act, replacing the former Medical Research Council of Canada. It is listed in Schedule II to the Financial Administration Act as a departmental corporation. CIHR's objective is to excel, according to international standards of scientific excellence, in the creation of new knowledge, and its translation into improved health, more effective health services and products, and a strengthened Canadian health care system.

CIHR is led by a President who heads a Governing Council of nineteen other eminent Canadians appointed by Order in Council. The Governing Council sets overall strategic direction, goals and policies and oversees programming, resource allocation, ethics, finances, planning and accountability.

CIHR operates a wide variety of grants and awards programs to support health research, develop researchers, build a robust health research environment, promote partnerships, engage the public, and foster use of research results.

CIHR has 13 Institutes that focus on identifying the research needs and priorities for specific health areas, or for specific populations, then developing strategic initiatives to address those needs. Each Institute is led by a Scientific Director who is guided by an Institute Advisory Board, which strives to include representation of the public, researcher communities, research funders, health professionals, health policy specialists and other users of research results.

CIHR strives to support the full spectrum of health research - biomedical, clinical, health services and population health - and recognizes that the complexity of many health issues requires an integration of the perspectives and research approaches of different health disciplines.

The entire CIHR program, administration excepted, is achieved through transfers in the form of grants for research projects, personnel awards and institute support grants.

2. Significant accounting policies

These financial statements have been prepared in accordance with Treasury Board of Canada accounting standards based on Canadian generally accepted accounting principles. The most significant accounting policies are as follows:

- (a) Parliamentary appropriations—CIHR is financed by the Government of Canada through Parliamentary appropriations. Appropriations provided to CIHR do not parallel financial reporting according to generally accepted accounting principles. They are based in a large part on cash flow requirements. Consequently, items recognized in the statement of operations and the statement of financial position are not necessarily the same as those provided through appropriations from Parliament. Note 10 provides a high-level reconciliation between the two bases of reporting.
- (b) Net cash provided by government—is the difference between all cash receipts and all cash disbursements including transactions between departments.
- (c) Due from the Consolidated Revenue Fund—All departments including agencies and departmental corporations operate within the Consolidated Revenue Fund (CRF). The CRF is administered by the Receiver General for Canada. All cash receipts are deposited to the CRF and all cash disbursements made by departments are paid from the CRF. Due from the CRF represents the amount of cash that CIHR is entitled to draw from the Consolidated Revenue Fund without further appropriations, in order to discharge its liabilities
- (d) Revenues—These are accounted for in the period in which the underlying transaction or event occurred that gave rise to the revenues.
- (e) Deferred revenue—Monies received as donations and contributions from various organizations and individuals for health research as well as interest on endowments are recorded as deferred revenue until such time that they are disbursed in accordance with agreements between the contributor and CIHR or in accordance with the terms of the endowments.
- (f) Expenses—These are recorded when the underlying transaction or expense occurred as follows:
 - Grants and awards are recognized in the year in which payment is due or in which the recipient has met the eligibility criteria.

NOTES TO THE FINANCIAL STATEMENTS— Continued

- Employee severance benefits are accrued as earned and are calculated using information derived from the results of the actuarially determined liability for employee severance benefits for the Government as a whole. Employee severance benefits on cessation of employment represent obligations of CIHR that are normally funded by appropriation when the benefits are paid.
- · Vacation pay and compensatory benefits are expensed in the year that the entitlement occurs.
- · Contributions to superannuation plans are recognized in the period that the contributions are made. Actuarial surpluses or deficiencies are not recorded in CIHR's accounts but are recognized in the consolidated financial statements of the Government of Canada.
- · Services provided without charge by other Government departments and agencies are recorded as operations and administration expenses at their estimated cost.
- (g) Accounts receivable—These are stated at amounts expected to be ultimately realized. A provision for doubtful accounts is made for any amounts, where the recovery is considered uncertain.
- (h) Capital assets—All tangible assets having an initial cost of \$5,000 or more are recorded at their acquisition cost. Amortization of capital assets is done on a straight-line basis over the estimated useful life of the capital asset as follows:

<u>Asset</u>	<u>Useful life</u>
Informatics hardware and software	3-5 years
Office equipment	10 years
Motor vehicles	5 years

- (i) Foreign currency transactions—Transactions involving foreign currencies are translated into Canadian dollar equivalents using rates of exchange at the time of those transactions.
- (j) Refunds of previous years' expenses—These are recorded as a reduction in expenses when received.
- (k) Measurement uncertainty—The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The most significant items where estimates are used are allowances for employee vacation and compensatory benefits, allowance for employee severance benefits and amortization of capital assets.

3. Capital assets

		2004			2003
Capital asset class	Opening balance	Additions/(transfers) for the year	Accumulated amortization	Net book value	Net book value
	(in thousands of dollars)				
Informatics hardware	1,189	426	(662)	953	806
Informatics software	2,174	1,214	(1,222)	2,166	1,726
Office equipment	67	171	(24)	214	50
Motor vehicles	23		(14)	9	13
Work-in-progress	374	(320)		54	374
Total	3,827	1,491	(1,922)	3,396	2,969

Amortization expense for the year ended March 31, 2004 is \$1,064,000 (2003—\$699,000).

NOTES TO THE FINANCIAL STATEMENTS— Continued

4. Deferred revenue

Included in deferred revenue are donations and contributions from various organizations and individuals for health research as well as interest on endowment accounts. The transactions relating to these accounts are as follows:

	2004	2003
	(in thousands	of dollars)
Donations for health research		
Balance, beginning of the year	926	1,379
Donations received	6,420	3,481
Interest earned	84	36
Less:		
Grants expensed	5,730	3,970
Balance, end of the year	1,700	926
Interest on endowments		
for health research		
Balance, beginning of the year	7	5
Add:		
Interest earned	4	4
Less:		
Grants expensed	8	2
Balance, end of the year	3	7
Total deferred revenue	1,703	933

5. Net assets

Included in the net assets are two endowments for health research. These endowments are restricted assets that cannot be spent. The interest on these accounts is credited to deferred revenue.

	2004	2003	
	(in thousands of dollars)		
Endowments for			
health research	140	140	
Unrestricted net assets	589	195	
Net assets	729	335	

6. Contingent liabilities

A legal suit for employment equity was initiated by the Public Service Alliance of Canada against Her Majesty the Queen naming certain separate employer organizations of the Government of Canada, including the Canadian Institutes of Health Research (CIHR), as defendants. The amount of this claim, as it relates to CIHR, is estimated to be \$750,000. In management's opinion, the outcome of this litigation is not presently determinable.

Two other legal suits launched by individuals alleging damage from participation in projects funded by grants from the Medical Research Council are pending. The amount of these claims is estimated at \$50,000. In management's opinion, the outcome of this litigation is not presently determinable.

7. Commitments

The Canadian Institutes of Health Research is committed to disburse grants and awards in future years subject to the provision of funds by Parliament. Future year commitments are as follows:

Year of payment	(in thousands of dollars)
2004-2005	. 610,252
2005-2006	. 446,020
2006-2007	. 293,346
2007-2008	. 173,292
2008-2012	104,791
Total grants and	
awards commitments	1,627,701

In addition, the nature of CIHR's operating activities result in some multi-year contracts whereby CIHR will be committed to make some future payments when the goods or services are rendered. Operating commitments that can be reasonably estimated are as follows:

Year of payment	(in thousands of dollars)
2004-2005	. 1,585
2005-2006	249
Total operating commitments	. 1,834

8. Open Competitions and Strategic Initiatives

Schedule 1 displays CIHR's grants and awards programs. Canadian health researchers may compete for grants and awards from these programs through two funding mechanisms. Open competitions refer to competitions in each of these programs, which do not relate to any specific area of scientific inquiry. Peer review ranks the scientific merit of each application and the top ranked applications are funded regardless of which area of science they represent. Strategic Initiatives refer to competitions aimed at supporting research in very specific areas of science or for developing research capacity in specific segments of the Canadian research enterprise.

NOTES TO THE FINANCIAL STATEMENTS— Continued

9. Services provided without charge by other Government departments

CIHR is related in terms of common ownership to all Government of Canada departments, agencies and Crown corporations. CIHR enters into transactions with these entities in the normal course of business and on normal trade terms applicable to all individuals and enterprises except that certain services, as shown below, are provided without charge.

	2004	2003
	(in thousands	of dollars)
Accommodation services provided by Public Works and Government Services Canada	873	632
Contributions covering employer's share of employees' insurance premiums and costs paid		
by Treasury Board Secretariat	1,394	1,059
General of Canada	60	60
Total services provided without charge	2,327	1,751

10. Parliamentary Appropriations

(a) Reconciliation of net cost of operations to total Parliamentary appropriations used

NOTES TO THE FINANCIAL STATEMENTS— Concluded

(b) Reconciliation of Parliamentary appropriations voted to total Parliamentary appropriations used

	2004	2003
	(in thousands of dollars)	
Parliamentary appropriations voted:		
Vote 10—Operating		
expenditures	32,106	20,183
Supplementary Vote 10a	7,837	12,561
Supplementary Vote 10b	1,109	
Transfer from Treasury		
Board Vote 10	1,185	55
Transfer from Treasury		
Board Vote 15		50
•	42,237	32,849
Less: Lapsed appropriation	(5,987)	(978)
	36,250	31,871
Vote 15—Grants	633,896	443,164
Supplementary Vote 15a	48,650	172,137
Supplementary Vote 15b	1,000	300
	683,546	615,601
Less: Lapsed appropriation	(4,691)	(28,775)
reduction	(32,000)	
Total lapsed appropriation—		
Vote 15	(36,691)	(28,775)
	646,855	586,826
Statutory contributions to		
employee benefit plans	3,114	2,728
Total Parliamentary appropriations used	686,219	621,425

Since CIHR had forecast a significant lapse in funds earmarked for the Canada Research Chairs Program (CRC), the Treasury Board of Canada required CIHR to lapse 32 million dollars in Vote 15 as a contribution to the Government's expenditure reduction program. The remaining lapse in Vote 15 is also attributable to the CRC Program. The lapse in funds does not have an impact on CIHR's capacity to fund CRCs in subsequent years.

11. Employee future benefits

Employees of CIHR are entitled to specific benefits on or after termination or retirement, as provided for under various collective agreements or conditions of employment.

(a) Pension benefits

Employees participate in the Public Service Superannuation Plan administered by the Government of Canada. Under present legislation, contributions made by CIHR to the Plan are 2.14 times the employee's contributions on account of current services. CIHR's contributions to the Plan during the year amounted to \$1,732,450 (2003—\$1,329,552).

(b) Severance benefits

CIHR provides severance benefits to its employees. This benefit plan is not pre-funded and therefore has no assets, resulting in a plan deficit equal to the employee severance benefits liability. Information about the plan is as follows:

	2004	2003
	(in thousands	of dollars)
Employee severance		
benefits liability,		
beginning of year	2,650	1,485
Expense for the year	567	1,218
Benefits paid during the year	(63)	(53)
Employee severance		
benefits liability,		
end of year	3,154	2,650

12. Comparative figures

Certain comparative figures have been reclassified to conform to the presentation adopted in the current year.

Canadian Nuclear Safety Commission

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

The accompanying financial statements of the Canadian Nuclear Safety Commission (CNSC) for the year ended March 31, 2004 and all information included in its annual report are the responsibility of management.

These financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles and, where appropriate, they include amounts that have been estimated according to management's best estimates and judgement. Management has prepared the financial information presented elsewhere in the annual report and has ensured that it is consistent with that provided in the financial statements.

Management has developed and maintains books, records, financial and management controls and information systems. They are designed to provide reasonable assurance that the Government's assets are safeguarded and controlled, that resources are managed economically and efficiently in the attainment of corporate objectives, and that transactions are in accordance with the *Financial Administration Act* and regulations as well as CNSC policies and statutory requirements such as the Canadian Nuclear Safety Commission Cost Recovery Fees Regulations.

The Commission's external auditor, the Auditor General of Canada, has audited the financial statements and at the specific request of the Commission, compliance with the Canadian Nuclear Safety Commission Cost Recovery Fees Regulations. She has reported on her audit and compliance findings to the Commission and to the Minister of Natural Resources.

Approved by:

LINDA J. KEEN President and CEO

GINETTE BERGERON Vice President, Corporate Services Branch

June 4, 2004

AUDITOR'S REPORT

TO THE CANADIAN NUCLEAR SAFETY COMMISSION AND THE MINISTER OF NATURAL RESOURCES

I have audited the statement of financial position of the Canadian Nuclear Safety Commission as at March 31, 2004 and the statements of operations, deficit and cash flow for the year then ended. These financial statements are the responsibility of the Commission's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Commission as at March 31, 2004 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Further, in my opinion, the Canadian Nuclear Safety Commission has complied, in all significant respects, with the Canadian Nuclear Safety Commission Cost Recovery Fees Regulations pursuant to the Nuclear Safety and Control Act.

Crystal Pace, CA
Principal
for the Auditor General of Canada

Ottawa, Canada June 4, 2004

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and Objectives

The Canadian Nuclear Safety Commission (CNSC) was established in 1946 by the Atomic Energy Control Act. Prior to May 31, 2000, when the federal Nuclear Safety and Control Act (NSCA) came into effect, the CNSC was known as the Atomic Energy Control Board (AECB). The CNSC is a departmental corporation named in Schedule II to the Financial Administration Act and reports to Parliament through the Minister of Natural Resources.

The Nuclear Safety and Control Act provides comprehensive powers to the CNSC to establish and enforce national standards for nuclear energy in the areas of health, safety and environment. It establishes a basis for implementing Canadian policy and fulfilling Canada's obligations with respect to the non-proliferation of nuclear weapons. The NSCA also provides CNSC compliance inspectors with clearer, fuller powers and brings penalties for infractions in line with current legislative practices. The CNSC is empowered to require financial guarantees, order remedial action in hazardous situations and require responsible parties to bear the costs of decontamination and other remedial measures.

The objectives of the CNSC are to:

- regulate the development, production and use of nuclear energy and the production, possession and use of nuclear substances, prescribed equipment and information in order to: a) prevent unreasonable risk to the environment, to the health and safety of persons and to national security; and b) achieve conformity with measures of control and international obligations to which Canada has agreed; and
- disseminate scientific, technical and regulatory information concerning: a) the activities of the CNSC; b) the development, production, possession, transport and use of nuclear energy and substances; and c) the effects of nuclear energy and substances use on the environment and on the health and safety of persons.

The CNSC also administers the Nuclear Liability Act, including designating nuclear installations and prescribing basic insurance to be carried by the operators of such nuclear installations, and the administration of supplementary insurance coverage premiums for these installations. The sum of the basic insurance and supplementary insurance totals \$75 million for each designated installation (Note 13). The number of installations requiring insurance coverage is 14 (2003-14).

The CNSC's expenditures are funded by a budgetary lapsing authority. Employer contributions to employee pension and non-pension benefits are authorized by a statutory authority.

The CNSC established a cost recovery program as provided for by the NSCA. The intent of the program is the recovery of CNSC's expenditures related to its regulatory activities from users licensed under the Act. These expenditures include the technical assessment of license applications, compliance inspections and the development of license standards. On July 1, 2003 new CNSC Cost Recovery Fees Regulations were implemented which replace the former AECB Cost Recovery Fees Regulations 1996. The new fees are being phased in over a three-year period through application of fee reductions amounting to 15 percent in the first year, 10 percent in the second year and 5 percent in the third year.

2. Significant accounting policies

(a) Parliamentary appropriations

Appropriations are based in large part on cash flow requirements. Consequently, items recognized in the statement of deficit and the statement of financial position are not necessarily the same as those provided through appropriations from Parliament. Note 3 shows the reconciliation of net cost of operations, parliamentary appropriations voted and net cash provided by Government to parliamentary appropriations used.

(b) Due from the Consolidated Revenue Fund

The CNSC operates within the Consolidated Revenue Fund (CRF). The CRF is administered by the Receiver General for Canada. All cash received by the CNSC is deposited to the CRF and all cash disbursements made by the CNSC are paid from the CRF. Due from the Consolidated Revenue Fund represents the amount of cash that the CNSC is entitled to draw from the Consolidated Revenue Fund, without further appropriations, in order to discharge its liabilities.

(c) Revenue

Licence fee revenue is recognized on a straight-line basis over the period to which the fee payment pertains (normally three months or one year). All other revenue is recognized in the period in which the underlying transaction or event occurred that gave rise to the revenue. License fees received for future year license periods are recorded as deferred revenue. Revenue from license fees, contract projects and other sources is deposited to the Consolidated Revenue Fund and is not available for use by the CNSC. Legislative authority allows for the respending of amounts received on the disposal of surplus assets.

NOTES TO THE FINANCIAL STATEMENTS— Continued

(d) Vacation pay

Vacation pay is expensed as the benefit accrues to employees under their respective terms of employment using the salary levels at year end. Vacation pay liability payable on cessation of employment represents obligations of the CNSC that are normally funded by appropriation when paid.

(e) Pension benefits

The CNSC's eligible employees participate in the Public Service Superannuation Plan administered by the Government of Canada. The employees and the CNSC contribute to the cost of the Plan. Contributions by the CNSC are expensed in the period incurred and represent the total cost to the CNSC under the Plan. The CNSC is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account.

(f) Employee severance benefits

The CNSC's liability for employee severance benefits is calculated using information derived from the results of the actuarially determined liability for employee severance benefits for the Government as a whole. Employee severance benefits on cessation of employment represent obligations of the CNSC that are normally funded by appropriation when the benefits are paid.

(g) Services provided without charge by other Government departments and agencies

Services provided without charge by other Government departments and agencies are recorded as operating expenses at their estimated fair value. These include services such as: accommodation provided by Public Works and Government Services Canada, contributions covering employers' share of employees' insurance premiums and costs paid by Treasury Board Secretariat, salaries and associated legal costs of services provided by Justice Canada, audit services provided by the Office of the Auditor General, and workers' compensation benefits provided by Human Resources Development Canada. A corresponding amount is credited directly to the deficit.

(h) Grants and contributions

Grants are recognized in the year in which entitlement of recipients has been established, while contributions are recognized in the year in which the conditions for payment are met.

(i) Capital assets

Capital assets with an acquisition cost of \$10,000 or more are recorded at cost less accumulated amortization. Amortization commences on the first day of the month following the month of acquisition and is calculated on a straight-line basis over the estimated useful life of the asset as follows:

Asset class Amortization period Informatics equipment and software 2 to 5 years Motor vehicles 4 years Furniture and equipment 5 to 20 years

(j) Nuclear Liability Reinsurance Account

The CNSC administers the Nuclear Liability Reinsurance Account on behalf of the federal government. The CNSC receives premiums paid by the operators of nuclear installations for the supplementary insurance coverage and credits these to the Nuclear Liability Reinsurance Account in the Consolidated Revenue Fund. Since the CNSC does not have the risks and rewards of ownership, nor does it have accountability for this account, it does not include any of the associated financial activity or potential liability in its financial statements. Financial activity and liability is however reported in Note 13 of these financial statements.

(k) Use of estimates

These financial statements are prepared in accordance with Canadian generally accepted accounting principles. The preparation of accrual financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue, expenses and contingencies during the reporting period. Actual results could differ from the estimates. The most significant items where estimates are used are employee severance liabilities and amortization of capital assets.

3. Parliamentary appropriations

The CNSC receives its funding through parliamentary appropriations, which are based primarily on cash flow requirements. Items recognized in the statement of operations and the statement of deficit in one year may be funded through parliamentary appropriations in prior and future years. Accordingly, the CNSC has different net results of operations for the year on a government funding basis than on a Canadian generally accepted accounting principles basis. These differences are reconciled below.

NOTES TO THE FINANCIAL STATEMENTS— Continued

8. Related party transactions

The CNSC is related in terms of common ownership to all Government of Canada departments, agencies, and Crown corporations. The CNSC enters into transactions with these entities in the normal course of business. Certain of these transactions are on normal trade terms applicable to all individuals and enterprises, while others are services provided without charge to the CNSC. All material related party transactions are disclosed below.

During the year, the CNSC expensed \$17,025,131 (2003—\$16,106,893) which include services provided without charge of \$7,783,155 (2003—\$6,959,820) as described in Note 9. The CNSC recognized revenue of \$7,508,925 (2003—\$3,394,994) which include accounts receivable in the amount of \$745,842 (2003—\$344,353).

9. Services provided without charge

During the year, the CNSC received services that were obtained without charge from other Government departments and agencies. These are recorded at fair value in the financial statements as follows:

	2004	2003
	\$	\$
Accommodation provided by Public Works & Government Services Canada	4,149,585	3,741,909
Contributions for employer's share of employee benefits provided by the		
Treasury Board Secretariat	3,232,418	2,870,657
Salary and associated costs of legal services provided by Justice Canada Audit services provided by the	207,996	223,000
Office of the Auditor General of Canada	106,221	56,000
Other	86,935	68,254
	7,783,155	6,959,820

10. Licences provided free of charge by the CNSC

The CNSC provides licenses free of charge to educational institutions; not-for-profit research institutions wholly owned by educational institutions; publicly funded health care institutions, not-for-profit emergency response organizations; and federal departments. The total of these licences amounted to \$5,580,320 (2003—\$2,537,260).

11. Commitments and contingencies

(a) Commitments

The CNSC has future years contractual obligations for operating leases, of approximately \$419,919 (2003—\$246,924).

(b) Contingencies

Claims have been made against the CNSC in the normal course of operations. Legal proceedings for claims totaling approximately \$55,250,000 (2003—\$55,250,000) were still pending at March 31, 2004. The final outcome is presently not determinable and, accordingly, no provision has been recorded in the accounts for these contingent liabilities. Settlements, if any, resulting from the resolution of these claims will be accounted for in the year in which the liability is considered likely and the cost can be reasonably estimated.

12. Employee future benefits

(a) Pension benefits

Both the CNSC and its eligible employees contribute to the Public Service Superannuation Plan administered by the Government of Canada. The CNSC's contribution is currently based on a multiple of the employee's required contributions and may change over time. These contributions represent the total pension obligations of the CNSC and are recognized in the accounts on a current basis. The CNSC's contribution to the plan was \$4,983,519 (2003—\$4,844,416).

(b) Employee severance benefits

The CNSC provides post-retirement and post-employment benefits to its employees through a severance benefit plan. These benefits are not pre-funded and therefore, have no assets.

	2004	2003
	\$	\$
Employee severance benefits,		
beginning of year	6,925,239	7,449,587
Expense for the year	1,254,449	1,193,521
Benefits paid during the year	(446,839)	(1,717,869)
Employee severance benefits,		
end of year	7,732,849	6,925,239

13. Nuclear Liability Reinsurance Account

Under the *Nuclear Liability Act (NLA)*, operators of designated nuclear installations are required to possess basic and/or supplementary insurance of \$75 million per installation for specified liabilities. The federal government has designated the Nuclear Insurance Association of Canada (NIAC) as the sole provider of third party liability insurance and property insurance for the nuclear industry in Canada. NIAC provides insurance to nuclear operators under a standard policy.

NOTES TO THE FINANCIAL STATEMENTS— Concluded

The policy consists of two types of coverage: Coverage A and Coverage B. Coverage A includes only those risks that are accepted by the insurer, that is, bodily injury and property damage. Coverage Brisks include personal injury that is not bodily, for example psychological injury, damages arising from normal emissions and damage due to acts of terrorism. Effective in 2003, the federal government agreed to provide coverage for damage due to acts of terrorism which was previously provided under Coverage A.

NIAC receives premiums from operators for both coverages, however, premiums for Coverage B risks are remitted to the federal government which reinsures these risks under a Reinsurance Agreement between NIAC and the federal government. The federal government, through the Reinsurance Agreement also pays the difference (supplementary insurance) between the basic insurance amount set by the CNSC and the full \$75 million of liability imposed by the NLA. As of March 31, 2004 the total supplementary insurance coverage is \$584,500,000 (2003—\$584,500,000).

All premiums paid by the operators of nuclear installations for the supplementary insurance coverage are credited to a Nuclear Liability Reinsurance Account in the Consolidated Revenue Fund. Premiums received in respect of coverage for damage due to acts of terrorism amount to \$134,055 (2003-nil). Claims against the supplementary insurance coverage are payable out of the Consolidated Revenue Fund and charged to the Account. There have been no claims against or payments out of the Account since its creation.

As explained in Note 2 (j), the CNSC administers the Nuclear Liability Reinsurance Account on behalf of the Government of Canada through a specified purpose account consolidated in the Public Accounts of Canada. During the year, the following activity occurred in this account:

	2004	2003
	\$	\$
Opening balance	554,921	553,421
Receipts deposited	135,555	1,500
Closing balance	690,476	554,921

14. Comparative figures

Certain comparative figures have been reclassified to conform to the presentation adopted in the current year.

Canadian Polar Commission

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

We have prepared the accompanying financial statements of the Canadian Polar Commission in accordance with Canadian generally accepted accounting principles using management's best estimates and judgements where appropriate.

Responsibility for the integrity and objectivity of data in these financial statements rests with the management and Board of Directors of the Commission. To fulfill this accounting and reporting responsibility, the Commission maintains a set of accounts that provides a centralized record of the Commission's financial transactions.

The Commission develops and disseminates financial management and accounting policies, and issues specific directives that maintain standards of accounting and financial management. The Commission maintains systems of financial management and internal control that give due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are within Parliamentary authorities and are executed in accordance with prescribed regulations, and are properly recorded so as to maintain accountability of Government funds and safeguard the Commission's assets.

Management presents these financial statements to the Auditor General of Canada, who audits and provides an independent opinion that has been appended to these financial statements.

AUDITOR'S REPORT

TO THE BOARD OF DIRECTORS OF THE CANADIAN POLAR COMMISSION AND THE MINISTER OF INDIAN AFFAIRS AND NORTHERN DEVELOPMENT

I have audited the Statement of financial position of the Canadian Polar Commission as at March 31, 2004 and the statements of operations, net assets and cash flow for the year then ended. These financial statements are the responsibility of the Commission's management. My responsibility is to express an opinion on these financial statements based on my audit

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Commission as at March 31, 2004 and the results of its operations and its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

Crystal Pace, CA

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The Canadian Polar Commission was established on February 1, 1991 by the *Canadian Polar Commission Act* and is a departmental corporation named in Schedule II of the *Financial Administration Act*. The Commission commenced its operations on September 9, 1991. The Commission was established to promote and encourage the development and dissemination of knowledge of the polar regions; to monitor the state of polar knowledge in Canada and elsewhere; to enhance Canada's international polar profile; and to provide information about research relating to polar regions to Canadians and to Canadian organizations, institutions and associations. The Commission's operating expenditures are funded by a budgetary lapsing authority.

2. Significant accounting policies

These financial statements have been prepared on an accrual basis of accounting in accordance with Canadian generally accepted accounting principles. The most significant accounting policies are as follows:

(a) Parliamentary appropriations

Appropriations are based in large part on cash flow requirements. Consequently, items recognized in the Statement of Financial Position and the Statement of Operations are not necessarily the same as those provided through appropriations from Parliament. Note 3 shows the reconciliation of net cost of operations, parliamentary appropriations voted and net cash provided by Government to parliamentary appropriations used.

(b) Due from the Consolidated Revenue Fund

The Canadian Polar Commission operates within the Consolidated Revenue Fund (CRF). The CRF is administered by the Receiver General for Canada. All cash received by the Canadian Polar Commission is deposited to the CRF and all cash disbursements made by the Canadian Polar Commission are paid from the CRF. Due from the CRF represents the amount of cash that the Canadian Polar Commission is entitled to draw from the Consolidated Revenue Fund without further appropriations, in order to discharge its liabilities.

(c) Vacation pay

Vacation pay is expensed as the benefit accrues to employees under their respective terms of employment using the salary levels at year end.

(d) Pension benefits

The Commission's eligible employees participate in the Public Service Superannuation Plan administered by the Government of Canada. Both the employees and the Commission contribute to the cost of the Plan. Contributions by the Commission are expensed in the period incurred. The Commission is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account.

(e) Employee severance benefits

The Commission's liability for employee benefits is calculated using information derived from the results of the actuarially determined liability for employee severance benefits for the Government as a whole. Employee severance benefits on cessation of employment represent obligations of the Commission that are normally funded through future Parliamentary appropriations.

(f) Services provided without charge by other Government departments and agencies

Services provided without charge by other Government departments and agencies are recorded as operating expenses at their estimated fair value. A corresponding amount is credited directly to Net Assets (Liabilities).

NOTES TO THE FINANCIAL STATEMENTS— Continued

(g) Contributions

Contributions are recognized in the year in which the conditions for payments are met.

(h) Capital assets

Capital assets are recorded at cost less accumulated amortization. Amortization is calculated on a straightline basis over the estimated useful life of the capital asset as follows:

Asset class	Amortization period
Informatics equipment	
and software	5 years

(i) Deferred capital funding

Contributions received for the purchase of capital assets are deferred and amortized on the same basis as the related asset.

(i) Accommodation rebate

The value of any accommodation rebate is amortized over the duration of the rental agreement.

(k) Measurement uncertainty

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The most significant items where estimates are used are employee severance benefit liabilities and amortization of capital assets. Actual results could differ from those estimated.

3. Parliamentary appropriations

(a) Reconciliation of net cost of operations to total appropriations used

	\$	\$	\$
Informatics equipment and software	47,265	23,875	71,140
Net capital assets	64,824		109,601

5. Related party transactions

The Canadian Polar Commission is related in terms of common ownership to all Government of Canada departments and agencies, and Crown corporations. The Canadian Polar Commission enters into transactions with these entities in the normal course of business and on normal trade terms applicable to all individuals and enterprises except that certain services are provided without charge. During the year, the Canadian Polar Commission expensed \$177,187 (2003—\$187,715) from transactions in the normal course of business with other Government departments, agencies and Crown corporations. These expenses include services without charge of \$44,704 (2003—\$43,605) as described in note 6. Additionally, the Canadian Polar Commission has accounts receivable of \$26,391 (2003-\$14,590) from other departments, agencies and Crown corporations.

6. Services provided without charge

During the year, the Commission received services that were obtained without charge from other Government departments and agencies. These are recorded at their estimated fair value in the financial statements as follows:

	2004	2003
	\$	\$
Salary and associated costs of		
human resource management		
by Department of Indian Affairs		
and Northern Development	4,000	4,000
Audit services provided by the Office		
of the Auditor General	15,000	15,000
Public service health and		
dental plans provided by		
Treasury Board	25,704	24,603
	44,704	43,603

7. Employee future benefits

a) Pension benefits

Both the Canadian Polar Commission and its eligible employees contribute to the Public Service Superannuation Plan administered by the Government of Canada. The Commission's contribution is currently based on a multiple of the employee's required contributions and may change over time. These contributions represent the total pension obligations of the Canadian Polar Commission and are recognized in the accounts on a current basis. The Commission's contribution to the Plan was \$45,008 for the year ended March 31, 2004 (2003—\$52,098).

b) Employee Severance Benefits

The Canadian Polar Commission provides post-retirement and post-employment benefits to its employees through a severance benefit plan. The net expense for the Commission's employee severance plan for the year ended March 31, 2004 was \$1,218 (2003—\$7,652).

This benefit plan is not pre-funded and therefore has no related assets. The liability recognized in the Statement of Financial Position at March 31, 2004 respecting this benefit plan is \$72,343 (2003—\$71,125).

NOTES TO THE FINANCIAL STATEMENTS— Concluded

8. Commitments

The Canadian Polar Commission has commitments for operating leases of accommodations and equipment of \$121,819 for future years.

Minimum future lease payments are as follows:

2004-2005	98,597	
2005-2006	21,282	
2006-2007	1,940	
Total	121,819	

9. Artwork donation

A model ship appraised at approximately \$24,000 was donated to the Canadian Polar Commission in 2003-2004 for the decoration of its offices. Work of art donated to the Canadian Polar Commission are not recorded in the books of accounts.

Canadian Transportation Accident Investigation and Safety Board

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

Responsibility for the integrity and objectivity of the accompanying financial statements for the year ended March 31, 2004 and all information contained in this report rests with management of the Canadian Transportation Accident Investigation and Safety Board (CTAISB).

We have prepared these financial statements in accordance with the Treasury Board of Canada Accounting Standards based on Canadian generally accepted accounting principles, using management's best estimates and judgements where appropriate. These statements should be read within the context of the significant accounting policies set out in the Notes.

Management has developed and maintains books, records, internal controls and management practices, designed to provide reasonable assurance that the Board's assets are safeguarded and controlled, resources are managed economically and efficiently in the attainment of corporate objectives, and that transactions are in accordance with the *Financial Administration Act* and regulations as well as other applicable government policies and statutory requirements.

The transactions and financial statements of the CTAISB have been audited by the Auditor General of Canada, the appointed independent auditor for the Board.

Approved by:

CHARLES H. SIMPSON

AUDITOR'S REPORT

TO THE CHAIRMAN OF THE CANADIAN TRANSPORTATION ACCIDENT INVESTIGATION AND SAFETY BOARD AND TO THE PRESIDENT OF THE QUEEN'S PRIVY COUNCIL FOR CANADA

I have audited the Statement of financial position of the Canadian Transportation Accident Investigation and Safety Board as at March 31, 2004 and the statements of operations, and net assets and cash flow for the year then ended. These financial statements are the responsibility of the Board's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Board as at March 31, 2004 and the results of its operations and its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

Canadian Transportation Accident Investigation and Safety Board—Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and objectives

The Canadian Transportation Accident Investigation and Safety Board (CTAISB) was established in 1990 under the Canadian Transportation Accident Investigation and Safety Board Act and is a departmental corporation named in Schedule II to the Financial Administration Act. In its day-to-day activities the CTAISB is more commonly known by the name Transportation Safety Board of Canada, or simply the TSB. The objective of the CTAISB is to advance transportation safety. It seeks to identify safety deficiencies in transportation occurrences and to make recommendations designed to eliminate or reduce any such safety deficiencies. In addition to investigations, including where necessary public inquiries into selected occurrences, the CTAISB may conduct studies into more general matters pertaining to transportation safety. The CTAISB has the exclusive authority to make findings as to causes and contributing factors when it investigates a transportation occurrence. The CTAISB's operating expenditures are funded by a budgetary lapsing authority whereas contributions to employee benefit plans are funded by statutory authorities.

2. Summary of significant accounting policies

These financial statements have been prepared in accordance with Treasury Board of Canada Accounting Standards based on Canadian generally accepted accounting principles.

- (a) Parliamentary appropriations—The CTAISB is primarily financed by the Government of Canada through Parliamentary appropriations. Appropriations provided to the CTAISB do not parallel financial reporting according to Canadian generally accepted accounting principles. They are based in large part on cash flow requirements. Consequently, items recognized in the Statement of Operations and in the Statement of Financial Position are not necessarily the same as those provided through appropriations from Parliament. Note 3a) to these financial statements provides information regarding the source and disposition of these authorities. Note 3b) provides a high-level reconciliation between the two bases of reporting. Note 3c) presents the reconciliation to Net Cash Provided by Government.
- (b) Due from the CRF—As a departmental corporation, the CTAISB operates within the Consolidated Revenue Fund (CRF). The CRF is administered by the Receiver General for Canada. All cash receipts are deposited to the CRF and all cash disbursements made by the CTAISB are paid from the CRF. Due from the CRF represents the amount of cash that the CTAISB is entitled to draw from the CRF, without further appropriations, in order to discharge its liabilities.

- (c) Revenues—These are accounted for in the period in which the underlying transaction occurs that gives rise to the revenues.
- (d) Employee severance benefits—Are calculated using information derived from the results of the actuarially determined liability for employee severance benefits for the Government as a whole. Employee severance benefits on cessation of employment represent obligations of the CTAISB that are normally funded in future years as they are paid.
- (e) Vacation pay and overtime—Are expensed in the year that the entitlement occurs.
- (f) Contributions to Pension plans—Are recognized in the period that the contributions are made. The calculation of contributions is an estimate based on a government-wide average adjusted annually. Actuarial surpluses or deficiencies are not recorded in the CTAISB's books but are recognized in the consolidated financial statements of the Government of Canada.
- (g) Services provided without charge by other government departments—Are recorded as operating expenses. Note 8 provides estimates of the more significant types of services provided to the CTAISB without charge.
- (h) Receivables—These are stated at amounts expected to be ultimately realized. A provision is made for receivables where recovery is considered uncertain.
- (i) Inventories not for re-sale—These comprise spare parts and supplies that are held for future program delivery and are not intended for re-sale. They are valued at cost. If they no longer have service potential, they are valued at the lower of cost or net realizable value.
- (i) Property and equipment—All assets plus leasehold improvements having an initial cost of \$2,000 or more are recorded at their acquisition cost. Amortization of property and equipment is done on a straight-line basis over the estimated useful life of the capital asset as follows:

Canadian Transportation Accident Investigation and Safety Board—Continued

NOTES TO THE FINANCIAL STATEMENTS— Continued

Asset Class	Amortization Period
Buildings	30 years
Furniture	10 years
Office equipment	5 years
Laboratory equipment	10 years
Informatics hardware	4 years
Informatics software	3 years
Motor vehicles	7 years
Other vehicles	15 years
Leasehold improvements	lesser of useful life or
	term of the lease

- (k) Foreign currency transactions—Transactions involving foreign currencies are translated into Canadian dollar equivalents using rates of exchange in effect at the time of those transactions. Monetary assets and liabilities denominated in foreign currencies are translated using exchange rates in effect at year-end.
- (l) Measurement uncertainty—The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The most significant items where estimates are used are the useful lives of property and equipment, employee severance benefits, contributions to pension plans and the assessment of contingent liabilities.

Canadian Transportation Accident Investigation and Safety Board—Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

6. Other income / expenditures

The CTAISB is responsible for coordinating the financial management of funds for the networks of small federal agencies. The revenues consist of contributions from all agencies to the cost sharing. The expenditures are the disbursements made on behalf of the group. Each government department will report its respective portion of expenditures in its financial statements.

7. Expenditures related to the Swissair Flight 111 Accident Investigation

On September 2, 1998 Swissair Flight 111 crashed in the Atlantic Ocean at approximately 5 nautical miles from Peggy's Cove, Nova Scotia. Under Canadian legislation and international conventions, the CTAISB had the responsibility to conduct a thorough investigation of the accident. The investigation is now completed at a total cost of \$58 million. The current year expenditures relating to this investigation total \$516,000 and are included in the Statement of Operations. There are no significant future costs anticipated.

8. Related party transactions

The CTAISB is related in terms of common ownership to all Government of Canada departments, agencies and Crown corporations. The CTAISB enters into transactions with these entities in the normal course of business and on normal trade terms applicable to all individuals and enterprises except that certain services, as defined in Note 2g), are provided without charge.

SERVICES PROVIDED WITHOUT CHARGE

2004	2003
(in thousands	of dollars)
1,745	1,700
1,295	1,221
49	60
16	27
3 105	3,008
	1,745 1,295 49

9. Contingent liabilities

In the normal course of its operations, the CTAISB becomes involved in various legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur or fail to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded on the Board's financial statements.

For the year ended March 31, 2004 there are various outstanding legal actions against the CTAISB. No liability has been recorded in the financial statements since management of the CTAISB consider them unlikely to be successful.

10. Commitments

The nature of the CTAISB's activities results in some large multi-year contracts and obligations whereby the CTAISB will be committed to make some future payments when the services/goods are rendered. Presently, such commitments apply only to the next year. Major commitments that can be reasonably estimated are as follows:

	2005	Total
	(in thousands	of dollars)
Acquisition of		
goods and services	2,623	2,623

11. Comparative figures

Certain of the 2003 comparative figures in Note 3 have been reclassified to conform to the current year's presentation.

Law Commission of Canada

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

Responsibility for the integrity and objectivity of the accompanying financial statements for the year ended March 31, 2004 and all information contained in this report rests with management.

These statements have been prepared in accordance with Treasury Board Accounting Standards based upon generally accepted accounting principles, using management's best estimates and judgements where appropriate. Readers of these statements are cautioned that the financial statements are not necessarily complete; certain assets, liabilities and expenses are only recorded at a government-wide level at this time. These statements should be read within the context of the significant accounting policies set out in the Notes.

Management has developed and maintains books, records, internal controls and management practices, designed to provide reasonable assurance that the Government's assets are safeguarded and controlled, that resources are managed economically and efficiently in the attainment of corporate objectives, and that transactions are in accordance with the Financial Administration Act and regulations as well as the Commission policies and statutory requirements.

The transactions and financial statements of the Commission have not been audited.

Approved by:

DENNIS COOLEY Executive Director

DENIS PELCHAT Senior Full-Time Financial Officer

NOTES TO THE FINANCIAL STATEMENTS (UNAUDITED)

1. Authority and purpose

The mandate of the Law Commission of Canada is derived from the *Law Commission of Canada Act*, which came into force in 1997. The Commission's expenditures are funded by an annual appropriation from Parliament.

The mandate of the Law Commission of Canada is to engage Canadians in the renewal of the law to ensure that it is relevant, responsive, effective, equally accessible to all, and just.

2. Significant accounting policies

These financial statements have been prepared on an accrual basis of accounting in accordance with Treasury Board Accounting Standards. These standards are based on Generally Accepted Accounting Principles in Canada. The primary source of the accounting principles is from the recommendations of the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants supplemented by the recommendations of the Accounting Standards Board of the Canadian Institute of Chartered Accountants for situations not covered by the Public Sector Accounting Board. Readers of these statements are cautioned that the introduction of accrual accounting at the Commission level is evolutionary. Not all assets, liabilities and expenses applicable to the Commission are recorded at this time. As such, the financial statements are not necessarily complete. However, all such assets, liabilities and expenses are recorded at a government-wide level in the financial statements of the Government of Canada. The accompanying notes provide additional details and should be read with care.

The significant accounting policies include the following:

(a) Parliamentary appropriations

The Commission is primarily financed by the Government of Canada through Parliamentary appropriations. Appropriations provided to the Commission do not parallel financial reporting according to generally accepted accounting principles as they are, in a large part, based on cash flow requirements. Consequently, items recognized in the Statement of Operations and the Statement of Financial Position are not necessarily the same as those provided through appropriations from Parliament. Note 8 to these financial statements provides information regarding the source and disposition of these authorities.

Law Commission of Canada—Continued

NOTES TO THE FINANCIAL STATEMENTS (UNAUDITED)—Continued

(b) Net cash provided by Government

All departments including agencies and departmental corporations operate within the Consolidated Revenue Fund (CRF) which is administered by the Receiver General for Canada. All cash receipts are deposited to the CRF and all cash disbursements made by departments are paid from the CRF. Net cash provided by Government is the difference between all cash receipts and all cash disbursements including transactions between departments and agencies.

(c) Expenses

Expenses are recorded when the underlying transaction or expense occurs subject to the following:

- Employee termination benefits are expensed by the Commission when paid. Estimated accruals are not recorded at the Commission level, rather they are recognized in the consolidated financial statements of the Government of Canada.
- Vacation pay and overtime are expensed in the year that the entitlement occurs.
- Contributions to superannuation plans are recognized in the period that the contributions are made. Actuarial surpluses or deficiencies are not recorded in the Commission's books but are recognized in the consolidated financial statements of the Government of Canada.
- Services provided without charge by other government departments and agencies are recorded as operating expenses at their estimated cost and a corresponding amount is credited directly to the Net Assets.

(d) Receivables

Receivables are stated at amounts expected to be ultimately realized. A provision is made for receivables where recovery is considered uncertain.

(e) Capital assets

Leasehold improvements having an initial cost greater than \$5,000 are recorded at cost and are amortised on a straight line basis over the term of the lease. Amortisation commences the month following the asset is put in services.

(f) Foreign currency transactions

Transactions involving foreign currencies are translated into Canadian dollar equivalents using rates of exchange in effect at the time of those transactions.

3. Measurement uncertainty

The preparation of financial statements requires management to make estimates and assumptions that affect the amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The most significant items where estimates are used are accrued liabilities, provision for vacation pay and accumulated overtime and amortisation of capital assets.

4. Related party transactions

The Commission is related in terms of common ownership to all Government of Canada departments, agencies, and Crown corporations. The Commission enters into transactions with these entities in the normal course of business. Certain of these transactions are on normal trade terms applicable to all individuals and enterprises, while others are services provided without charge to the Commission. (See Note 6)

5. Capital assets and accumulated amortization

Capital assets	beginning of year	Acquisit- ions	Disposals/ adjustments	Balance end of year

National Battlefields Commission

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

We have prepared the accompanying financial statement of the National Battlefields Commission in accordance with the reporting requirements and standards of the Receiver General for Canada. This financial statement was prepared according to the accounting policies set out in note 2 on a basis consistent with that of the preceding period. Some previous year's figures have been reclassified to conform to the current year's presentation.

Management is responsible for the integrity and objectivity of the financial information in this report. The role of the commissioners is to ensure that management fulfills its duty regarding financial information and internal control. Some of the information included in the financial statement is based on management's best estimates and judgments and gives due consideration to materiality. To fulfill its reporting responsibility management maintains a system of internal control to assure to a reasonable extent, that the financial information is reliable and the assets are safeguarded. Transactions are executed in accordance with prescribed regulations, within parliamentary authorities, and are properly recorded to maintain accountability of government funds and to safeguard the assets of the Commission. Financial information contained in the departmental statements and elsewhere in the Public Accounts of Canada is consistent with that in this financial statement, unless indicated otherwise. The Commission also seeks to assure the objectivity and integrity of data in its financial statement by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

The Auditor General of Canada conducted an independent audit of the financial statement of the National Battlefields Commission.

The opinion of the Auditor General is attached.

Approved by:

ANDRÉ JUNEAU Chairman

MICHEL LEULLIER

Secretary

July 2, 2004

AUDITOR'S REPORT

TO THE MINISTER OF CANADIAN HERITAGE

I have audited the statement of financial position of the National Battlefields Commission as at March31,2004 and the statements of operations and net assets and cash flow for the year then ended. These financial statements are the responsibility of the Commission's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Commission as at March 31,2004 and the results of its operations and its cash flow for the year then ended in accordance with its Canadian generally accepted accounting principles.

> Micheline Éthier Massicotte, CA Principal. for the Auditor General of Canada

2.82 FINANCIAL STATEMENTS OF DEPARTMENTAL CORPORATIONS

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and objectives

The Commission was established in 1908 under an Act respecting the National Battlefields at Ouebec.

The Commission is a departmental corporation named in Schedule II of the Financial Administration Act.

The Commission's mandate is to ensure that all the cultural, recreational, natural and scientific resources of the Park are developed in the best interest of Canadians and that the image of the Government of Canada is strengthened without compromising the historic character of the site. To achieve that goal, the Commission will acquire, preserve and develop the great historic battlefields at Quebec.

The land administered by the National Battlefields Commission includes:

- The Plains of Abraham, site of the Battle of 1759 between Wolfe and Montcalm;
- Des Braves Park, marking the Battle of St-Foy in 1760;
- · St-Denis Park, east of the Quebec Citadel, overlooking Cap-aux-Diamants;
- · The Plains of Abraham Discovery Pavilion on Wilfrid Laurier Avenue:
- The Maison Louis St-Laurent situated at 201. 203 Grande-Allée Est in Quebec;
- The adjoining thoroughfares, two Martello Towers on the site and a tower in Quebec City.

2. Significant accounting policies

These financial statements have been prepared on an accrual basis of accounting in accordance with Treasury Board of Canada accounting standards based on Canadian generally accepted accounting principles. The most significant accounting policies are as follows:

(a) Parliamentary appropriations

The Government of Canada finances the Commission through Parliamentary appropriations. Appropriations provided to the Commission do not parallel financial reporting according to Canadian generally accepted accounting principles. They are based in a large part on cash flow requirements. Consequently, items recognized in the statement of operations and the statement of financial position are not necessarily the same as those provided through appropriations from Parliament. Note 4 provides a high-level reconciliation between the two bases of reporting.

(b) Due from the Consolidated Revenue Fund

The Commission operates within the Consolidated Revenue Fund (CRF). The CRF is administered by the Receiver General for Canada. All cash received by the Commission is deposited to the CRF and all cash disbursements made by the Commission are paid from the CRF. Due from the CRF represents the amount of cash that the Commission is entitled to draw from the Consolidated Revenue Fund, without further appropriations, in order to discharge its liabilities.

(c) Revenues

Revenues are accounted for in the period in which the underlying transaction or event occurred.

(d) Vacation pay and overtime

Vacation pay and overtime are expensed in the year that the entitlement occurs.

(e) Contribution to Public Service Superannuation Plan

The Commission's contributions are recorded on an accrual basis in the year the corresponding service is rendered by the employees. The Commission is not required under present legislation to make contributions with respect to any actuarial deficiencies of the Plan.

(f) Employee Severance Benefits

Employee severance benefits are expensed as benefits accrue to employees under their respective terms of employment using the employees' salary levels at year end. The employee severance benefits are calculated using information derived from the results of the actuarially determined liability for employee severance benefits for the Government as a whole. The liability represents an obligation of the Commission that is funded through Parliamentary appropriations on a pay-as-you-go basis.

(g) Services provided without charge by other Government departments

Services provided without charge by other Government departments are recorded as operating expenses by the Commission at their estimated cost. A corresponding amount is credited to Net assets.

(h) Accounts receivable

These are stated at amounts expected to be ultimately realized. A provision is made for receivables where recovery is considered uncertain.

NOTES TO THE FINANCIAL STATEMENTS— Continued

(i) Capital assets

Capital assets are recorded at their acquisition cost and amortized over their estimated useful lives, using the straight-line method as follows:

Asset Class	Amortization Period
Buildings	15 to 35 years
Works and infrastructure	5 to 40 years
Material and tools	3 to 15 years
Motor vehicles and	•
other	5 to 15 years

(j) Deferred charges

Restoration charges related to assets that are not the property of the Commission are recorded at cost and amortized on a straight-line basis over the term of the contract.

(k) Use of Estimates

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities at the date of the financial statements and the reported amounts of income and cost of operations during the reporting period. The employee severance benefits payable and the estimated useful lives of capital assets are the most significant item where estimates are used.

3. Parliamentary appropriations

The Commission is funded through annual Parliamentary appropriations. These appropriations are recorded when used and any amount not used lapses. Items recognized in the Statement of Operations in one year may be funded through Parliamentary appropriations in a different year. Accordingly, the Commission's net cost of operations for the year based on Canadian generally accepted accounting principles is different that total Parliamentary appropriations used for the year. These differences are reconciled below:

(a) Reconciliation of net results to Parliamentary appropriations used

	19,911,927	11,638	6,458,434	13,465,131	14,237,023

Amortization expense for the period ended March 31, 2004 is \$783,530 (\$775,459 in 2003).

5. National Battlefields Trust Fund

When the National Battlefields Commission was created, a Trust fund was established for the receipt of moneys from individuals, municipal corporations, provincial governments and others, for the purpose of acquiring and preserving the great historic battlefields at Quebec. Since September1984, the Trust fund has been governed by subsection 9.1 of the Act respecting the National Battlefields at Quebec, which authorizes such amounts to be spent for the purpose for which they were given to the Commission. The income and cost are included in the Statement of Operations of the Commission and are detailed as follows:

	2004	2003
	\$	\$
Income		
Donations		8,691
Interest	13,074	11,131
	13,074	19,822
Total income	(13,074)	(19,822)
Balance at beginning of the year	516,864	497,042
Balance at end of year, deposited with		
the Receiver General for Canada	529,938	516,864

6. Information on cost of operations

The activities of the Commission are organized into three activities related to its mandate.

The conservation of the Plains comprising the following services:

- The service of maintenance, which sees to maintenance of the site, its furnishings, buildings and infrastructure, provides for a safe and stable environment, minimizes the effects of wear and tear and deterioration and slows down or prevents damage;
- The service of landscaping which is responsible for the scenery, horticultural and arboricultural activities;
- The service of surveillance and security, which sees to it that regulations regarding peace and public order are respected; enforces traffic and parking and regulations; ensures the safety of site users; and provides for surveillance of the Commission's premises and properties.

The development of the Plains comprising the following services:

- · Client Services, which includes welcoming visitors and users to the Park, the dissemination of information to the public and reservations for educational interpretation activities for school and the general public;
- Communication Services, which includes promotion and advertising for the activities and services provided by the Commission and ensuring the visibility of the Commission and the federal government.

The Corporate Services includes the provision of management, administration and financial services.

NOTES TO THE FINANCIAL STATEMENTS—

SUMMARY OF COST OF OPERATIONS BY MAJOR TYPE	2004	2003
	\$	\$
Grants in lieu of taxes	3,635,992	3,606,493
Salaries and benefits	2,975,036	2,911,067
Utilities, materials and supplies	710,447	719,331
Professional services	782,620	726,489
Maintenance	385,549	394,190
Publicity	159,669	132,090
Transportation and communication	84,643	80,090
Rental	19,580	25,835
Services provided without charge	60,000	58,000
Amortization of capital assets	783,530	775,459
Amortization of deferred charges	9,711	
	9,606,777	9,429,044

7. Employee future benefits

Employees of the Commission are entitled to specific benefits on or after termination or retirement, as provided for under their collective agreements or conditions of employment.

(a) Pension benefits

The Public Service Superannuation Plan required the Commission to contribute at a rate of 2.14 times the employee's contributions (2.14 in 2003). The Commission's contributions to the Plan during the year was \$294,313 (\$313,820 in 2003).

(b) Severance benefits

The Commission provides severance benefits to its employees. This benefit plan is not funded, resulting in a plan deficit equal to the allowance for employee severance benefits. Information about the plan is as follows:

	2004	2003
	\$	\$
Allowance for employee severance		
benefits, beginning of year	418,877	388,054
Expense for the year	51,360	53,381
Benefits paid during the year	(7,991)	(22,558)
Allowance for employee severance		
benefits, end of year	462,246	418,877

8. Commitment

The Commission is committed, pursuant to a lease agreement, to provide horticultural, operational and security services in exchange for space used for its Interpretation Centre at the Musée du Québec. The initial basic rent value, subject to annual revision, is \$87,522. The lease is for 15 years, beginning on April 1, 1991.

9. Contingencies

Claims have been made against the Commission totalling \$396,959 for alleged damages mainly regarding the flood of the Cap-aux-Diamants in 2000. The final outcome of these claims is not determinable and, accordingly, these items are not recorded in the accounts. In the opinion of management, the position of the Commission is defensible. Settlements, if any, resulting from the resolution of these claims will be accounted for in the year in which the liability is determined.

10. Related party transactions

The Commission is related in terms of common ownership to all Government of Canada departments, and Crown Corporations. The Commission enters into transactions with these entities in the normal course of business and on normal trade terms applicable to all individuals and enterprises except that certain services, as defined previously, are provided without charge. The most significant types of services provided without charge are accommodation and banking services provided by Public Works and Government Services Canada; contributions covering employer's share of employee's insurance premiums and costs paid by Treasury Board Secretariat; workmen's compensation coverage provided by Human Resources Development Canada; salary and associated costs of legal services provided by Department of Justice and audit services provided by the Office of the Auditor General.

11. Comparative figures

Some figures of the 2003 financial statements have been reclassified to conform to the presentation of 2004.

National Research Council of Canada

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

Responsibility for the integrity and objectivity of the accompanying financial statements for the year ended March 31, 2004 and all information contained in this report rests with the management of the Corporation.

These statements have been prepared by management in accordance with Treasury Board Accounting Standards based upon generally accepted accounting principles, using management's best estimates and judgements where appropriate. Readers of these statements are cautioned that the financial statements are not necessarily complete; certain assets, liabilities and expenses are only recorded at a government-wide level at this time. These statements should be read in conjunction within the context of the significant accounting policies set out in the Notes.

Management has developed and maintains books, records, internal controls and management practices designed to provide reasonable assurance that the Government's assets are safeguarded and controlled, resources are managed economically and efficiently in the attainment of corporate objectives, and that all transactions are in accordance with the Financial Administration Act and regulations as well as department policies and statutory requirements.

Approved by:

MICHAEL RAYMONT Acting-President

DANIEL GOSSELIN Senior Financial Officer

NOTES TO THE FINANCIAL STATEMENTS (UNAUDITED)

1. Authority and objectives

The National Research Council of Canada exists under the *National Research Council Act* of 1966–67 and is a departmental corporation named in Schedule 2 of the *Financial Administration Act*. The objectives of the Council are to create, acquire and promote the application of scientific and engineering knowledge to meet Canadian needs for economic, regional and social development and to promote and provide for the use of scientific and technical information by the people and Government of Canada to meet Canadian needs for economic, regional and social development.

2. Sources of funding

The National Research Council is primarily financed by the Government of Canada through Parliamentary appropriations and statutory authority. The latter gives the Council authority to spend revenues earned through collaborative research agreements and from fees-for-service-work, sales of publications, rentals of laboratory space, and license fees.

3. Significant accounting policies

- (a) These financial statements have been prepared on an accrual basis of accounting in accordance with Treasury Board Accounting Standards. These standards are based on generally accepted accounting principles in Canada. The primary source of the accounting principles is from the recommendations of the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants supplemented by the recommendations of the Accounting Standards Board of the Canadian Institute of Chartered Accountants for situations not covered by the Public Sector Accounting Board. Readers of these statements are cautioned that the introduction of accrual accounting at the departmental level is evolutionary. Not all assets, liabilities and expenses applicable to the department are recorded at the departmental level at this time. As such, the financial statements are not necessarily complete. The accompanying notes provide additional detail and should be read with care. All such assets, liabilities and expenses are recorded at a government-wide level in the financial statements of the Government of Canada.
- (b) Appropriations provided to the department do not parallel financial reporting according to generally accepted accounting principles. They are based in large part on cash flow requirements. Consequently, items recognized in the statement of operations and the statement of financial position are not necessarily the same as those provided through

- appropriations from Parliament. Schedule 10 to these financial statements provides information regarding the source and disposition of these authorities. Schedule 11 provides a high-level reconciliation between the two bases of reporting.
- (c) All departments including agencies and departmental corporations operate within the Consolidated Revenue Fund (CRF). The Receiver General for Canada administers the CRF. All cash receipts are deposited to the CRF and all cash disbursements made by the Council are paid from the CRF. Net cash provided by the Government is the difference between all cash receipts and all cash disbursements including transactions between other departments.
- (d) Revenue and expense transactions and any related asset and liability accounts between sub-activities within the Council have been eliminated.
- (e) Revenues are accounted for in the period in which the underlying transaction or event occurred that gave rise to the revenues. Revenues that have been received but not yet earned are disclosed in Schedule 6 – Deferred revenues.
- (f) Expenses are recorded when the underlying transaction or expense occurred subject to the following:
 - Grants are recognized in the year in which payment is due or in which the recipient has met the eligibility criteria.
 - Contributions are recognized in the year in which the recipient has met the eligibility criteria.
 - Employee termination benefits are expensed as paid. The department does not record any estimated accruals. Accruals for these benefits are recognized in the consolidated financial statements of the Government of Canada.
 - Vacation pay and overtime are expensed in the year that the entitlement occurs.
 - Contributions to superannuation plans are recognized in the period that the contributions are made. The department does not record actuarial surpluses nor deficiencies; these are recognized in the consolidated financial statements of the Government of Canada.
 - Environmental liabilities are not recognized in the departmental books of accounts but are recognized in the consolidated financial statements of the Government of Canada.

NOTES TO THE FINANCIAL STATEMENTS (UNAUDITED)—Continued

- Services provided without charge by other Government departments are not recorded as operating expenses. The following are the more significant types of services provided without charge: banking services provided by Public Works and Government Services Canada; contributions covering the employer's share of employee insurance premiums and costs paid by Treasury Board Secretariat; workmen's compensation coverage provided by Human Resources Canada; salary and associated costs of legal services provided by Department of Justice; and audit services provided by the Office of the Auditor General. In fiscal year 2003-2004, these services amounted to about \$15 million.
- (g) Receivables are stated at amounts expected to be ultimately realized. A provision is made for receivables where recovery is considered uncertain.
- (h) Inventories are valued as follows:
 - Not for resale—Inventories not for resale comprise spare parts and supplies that are held for future program delivery. Such inventories are valued using the moving-weighted-average method. Inventoried items no longer having service potential are valued at the lower of cost or net realizable value.
 - For resale—Costs relating to inventories for resale are expensed when acquired and therefore no cost of sales is recognized.
- (i) Intangible assets, such as patents, are not capitalized but expensed when paid. All other capital assets and leasehold improvements having an initial cost of \$5,000 or more are recorded at their acquisition cost in accordance with the Public Sector Accounting Board Recommendations. The capitalization of software and leasehold improvements was done on a prospective basis from April 1, 2001. Capital assets do not include any intangibles, works of art and historical treasures that have cultural, aesthetic or historical value nor any similar assets located in museums. Depreciable capital assets are amortized using the straight-line method based on their estimated useful life as follows:

Asset Class	Amortization Period
Buildings and facilities	25 years
Works and infrastructure	25 years
Equipment and office furniture	5 years
Machinery and equipment	10 years
Informatics hardware	5 years
Informatics software	5 years
Motor vehicles	5 years
Aircraft	10 years

- (j) Equity investments are not recognized as assets but as revenue upon the sale of the equity in accordance with the Receiver General of Canada and the Treasury Board Secretariat directives.
- (k) Transactions in foreign currency are translated into Canadian dollar equivalents using the rates of exchange in effect at the time of the transactions. Assets and liabilities denominated in foreign currencies at year-end are translated using the applicable exchange rates in effect on March 31st.

4. Changes in accounting policies

There were no changes made to the accounting policies in fiscal year 2003-2004.

5. Measurement uncertainty

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The most significant item where estimates are used is amortization of assets.

6. Contractual commitments

Commitments are comprised of contractual and other long-term obligations due and payable in subsequent years. As at March 31, 2004, the NRC had the following outstanding commitments:

NOTES TO THE FINANCIAL STATEMENTS (UNAUDITED)—Continued

Fiscal Year	Grants and contributions (in millions of dollars)
2004-2005	57
2005-2006	36
2006-2007	36
2007-2008	36
2008-2009	13

Significant commitments for the five-year period included in the above are:

James Clerk Maxwell Telescope	5
Gemini Twin Telescope Project	35
Tri-University Meson Facility	97
Canada-France-Hawaii	
Telescope Corporation	20

SCHEDULE 1 RECEIVABLES—NON-TAX REVENUES AS AT MARCH 31

7. Contingent liabilities

A contingent liability is a potential liability which may become a liability when one or more future events occur or fail to occur. Contingent liabilities are not recognized on the Council's financial statement as a liability until the amount of the liability is firmly established. As at March 31, 2004 there were sixteen legal actions pending for which no liability is recognized.

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

The objectivity and the integrity of the financial statements and related information presented in this annual report are the responsibility of management and have been examined by the Executive Committee of the Round Table.

These financial statements have been prepared on an accrual basis of accounting in accordance with Treasury Board of Canada standards based on Canadian generally accepted accounting principles. These statements should be read within the context of the significant accounting policies set out in the notes.

Management has developed and maintains books, records, internal controls and management practices, designed to provide reasonable assurance that the Government's assets are safeguarded and controlled, that resources are managed economically and efficiently in the attainment of the Round Table's objective and that transactions are in accordance with the Financial Administration Act and regulations as well as department policies and statutory requirements. Management also seeks to assure the objectivity and integrity of the information in the financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communications programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

The transactions and financial statements of the Round Table have been audited by the Auditor General of Canada, the independent auditor for the Government of Canada.

AUDITOR'S REPORT

TO THE NATIONAL ROUND TABLE ON THE ENVIRONMENT AND THE ECONOMY AND THE PRIME MINISTER

I have audited the statement of financial position of the National Round Table on the Environment and the Economy as at March 31, 2004 and the statements of operations, equity of Canada and cash flow for the year then ended. These financial statements are the responsibility of the Round Table's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Round Table as at March 31, 2004 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

> Sylvain Ricard, CA Principal for the Auditor General of Canada

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and purpose

The National Round Table on the Environment and the Economy (Round Table) was established in 1994 under the National Round Table on the Environment and the Economy Act and is a departmental corporation named in Schedule II of the Financial Administration Act. The Round Table fulfils its objective of promoting sustainable development, and the integration of the environment and economy in decision making in all sectors, by conducting studies, organizing multistakeholder "dialogues" on specific issues and economic sectors, providing advice, carrying out educational and communication activities, and by acting as a catalyst for change. Its operating expenditures are funded mainly by a budgetary lapsing authority and, to a lesser extent, from cost recovery and cost sharing for specific activities. Employee benefits are in accordance with the related statutory authorities.

2. Summary of significant accounting policies

These financial statements have been prepared on an accrual basis of accounting in accordance with Treasury Board of Canada standards based on Canadian generally accepted accounting principles. Significant accounting policies are as follows:

(a) Parliamentary Appropriations

The Round Table is financed mainly by the Government of Canada through Parliamentary appropriations. Parliamentary appropriations are disclosed in the Statement of Equity of Canada. Appropriations provided to the Round Table do not parallel financial reporting according to Canadian generally accepted accounting principles, as they are based in a large part on cash flow requirements. Consequently, items recognized in the Statement of Equity of Canada are not necessarily the same as those provided through appropriations from Parliament.

(b) Due from Consolidated Revenue Fund

The Round Table operates within the Consolidated Revenue Fund (CRF). The CRF is administered by the Receiver General for Canada. All cash received by the Round Table is deposited to the CRF and all cash disbursements made by the Round Table are paid from the CRF. Due from the CRF represents the amount of cash that the Round Table is entitled to draw from the Consolidated Revenue Fund, without further Parliamentary appropriations, in order to discharge its liabilities.

National Round Table on the Environment and the Economy—Continued

NOTES TO THE FINANCIAL STATEMENTS— Continued

(c) Employee future benefits

(i) Pension plan

Employees participate in the Public Service Superannuation Plan administered by the Government of Canada. The Round Table's contribution to the plan reflects the full cost of the employer contributions. This amount is currently based on a multiple of the employee's required contributions, and may change over time depending on the experience of the Plan. These contributions represent the total pension obligations of the Round Table and are charged to operations on a current basis.

(ii) Severance benefits

During the period, employees became entitled to severance benefits in the form of notice periods as provided for in the Notice Period Guidelines within the Employment Status Policy of the Round Table. The cost of these severance benefits is accrued as the employees render the services necessary to earn them. Management determined the accrued severance benefit obligations using a method based upon assumptions and its best estimates. These severance benefits represent the only obligation of the Round Table that entails settlement by future payment.

(d) Receivables

These are stated at amounts ultimately expected to be realized. An allowance is made for receivables where recovery is considered uncertain.

(e) Publication inventory for resale

An independent distributor sells the Round Table's publication inventory for resale. The distributor is entitled to a 50 percent commission fee on the sale price of each publication sold. Inventory for resale is valued at net realizable value, which is always less than cost.

(f) Capital assets

Capital assets with an acquisition cost of \$2,000 or more are capitalized at cost and amortized over their estimated useful lives on a straight-line basis. The estimated useful life of each capital asset class is as follows:

Asset class	<u>Useful life</u>
Informatics equipment and purchased software	3 years
Furniture and equipment	10 years
Leasehold improvements	lower of lease term and 10 years

(g) Services provided without charge by other Government departments

Services provided without charge by other Government departments are recorded as expenditures at their estimated cost. A corresponding amount is credited directly to the Equity of Canada.

(h) Measurement uncertainty

The preparation of financial statements requires management to make estimates and assumptions that affect amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The most significant items where estimates are used are amortization of capital assets, write-down and write-offs of inventory of publications for resale and severance benefits.

3. Related party transactions

The Round Table is related in terms of common ownership to all Government of Canada departments and Crown corporations. The Round Table enters into transactions with these entities in the normal course of business and on normal trade terms, with the exception of services they provide without charge.

During the year, the Round Table did not receive funding from other government departments for specific projects (2003—\$82,636).

The Round Table incurred expenses of \$1,092,133 (2003—\$1,458,289) with other government departments, including \$342,584 (2003—\$309,000) for services provided without charge. Services provided without charge include \$302,584 (2003—\$269,000) for the rental of space, and \$40,000 (2003—\$40,000) for other services.

4. Receivables

Amortization expense for the year ended March 31, 2004 is \$112,690 (2003—\$109,680).

6. Accounts payable and accrued liabilities

	2004	2003
	\$	\$
Trade	445,038 21,490	318,284 36,165
Total accounts payable and accrued liabilities	466,528	354,449

7. Employee future benefits

(i) Pension plan

The Public Service Superannuation Plan required the Round Table to contribute at a rate of 2.14 times (2002—2.14). The Round Table's contribution during the year was \$250,389 (2003—\$248,061).

(ii) Severance benefits

On termination, the Round Table now provides severance benefits to its employees in the form of a notice period. This severance benefit is not prefunded and thus has no assets, resulting in a plan deficit equal to the accrued benefit obligation. Information about the plan is as follows:

	2004
	\$
Accrued severance benefits, beginning of year	
Expense for the year	147,802
Severance benefits paid	
during the year	(29,257)
Accrued severance	
benefits, end of year	118,545
=	·

8. Commitments

The Round Table entered into a long-term lease for an office photocopier during fiscal year 2001-2002 and modified the lease agreement during 2003-2004 to include an additional component for the remainder of the lease term. The remaining value of the lease is \$42,850. The future minimum payments are as follows:

	D)
2004-2005	14,690
2005-2006	14,690
2006-2007	13,470

9. Parliamentary appropriations

The Round Table receives the majority of its funding through Parliamentary appropriations, which are based primarily on cash flow requirements. Items recognized in the Statement of Operations and Statement of Equity of Canada in one year may be funded through Parliamentary appropriations in prior and future years. These differences are reconciled below.

Natural Sciences and Engineering Research Council

STATEMENT OF MANAGEMENT RESPONSIBILITY FOR FINANCIAL **STATEMENTS**

Responsibility for the integrity and objectivity of the accompanying financial statements of the Natural Sciences and Engineering Research Council of Canada for the year ended March 31, 2004 and all information contained in this report rests with the management of the Council.

We have prepared these financial statements in accordance with Treasury Board of Canada accounting standards which are based upon Canadian generally accepted accounting principles, using management's best estimates and judgements where appropriate. These statements should be read within the context of the significant accounting policies set out in Note 2 of the financial statements.

To fulfil these accounting and reporting responsibilities, the Council maintains a set of accounts which provides a centralized record of the Council's financial transactions. Financial information contained in the ministerial statements and elsewhere in the Public Accounts of Canada is consistent with these financial statements.

The Council's Common Administrative Services Directorate develops and disseminates financial management and accounting policies, and issues specific directives which maintain standards of accounting and financial management. The Council maintains systems of financial management and internal control which gives due consideration to costs, benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament and are executed in accordance with the Financial Administration Act and the prescribed regulations, and are properly recorded and controlled so as to maintain accountability of Government funds and safeguard the Council's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Council also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

The accounting system and financial statements of the Council have evolved over the years to meet the changes in the structure of the grants and scholarships programs and to give improved reporting and control of expenditures relating to those programs.

Management presents these financial statements to the Auditor General of Canada who audits them and provides an independent opinion, which has been appended to the financial statements.

Approved by:

GERMAIN TREMBLAY Director of Finance (Senior Full-time Financial Officer)

MICHEL CAVALLIN Director General Common Administrative Services Directorate (Senior Financial Officer)

June 4 2004

AUDITOR'S REPORT

TO THE NATURAL SCIENCES AND ENGINEERING RESEARCH COUNCIL AND THE MINISTER OF INDUSTRY

I have audited the Statement of Financial Position of the Natural Sciences and Engineering Research Council as at March 31, 2004 and the statements of operations, net assets and cash flow for the year then ended. These financial statements are the responsibility of the Council's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Council as at March 31, 2004 and the results of its operations and its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

Natural Sciences and Engineering Research Council—Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and objective

The Natural Sciences and Engineering Research Council (NSERC) was established in 1978 by the *Natural Sciences and Engineering Research Council Act*, and is a departmental corporation named in Schedule II to the *Financial Administration Act*. Its objective is to promote discovery and innovation and support both research and the provision of highly qualified personnel in the natural sciences and engineering.

The Council supports both basic university research through research grants and project research through partnerships of universities with industry, as well as the advanced training of highly qualified people in both areas through scholarships and fellowships.

The Council's grants, scholarships, and operating expenditures are funded by budgetary lapsing authorities. Employee benefits are funded by statutory authorities.

2. Summary of significant accounting policies

These financial statements have been prepared on an accrual basis of accounting in accordance with Treasury Board of Canada accounting standards. These standards are based upon Canadian generally accepted accounting principles. The most significant accounting policies are as follows:

(a) Parliamentary appropriations

The Government of Canada finances the Council through Parliamentary appropriations. Appropriations provided to the Council do not parallel financial reporting according to generally accepted accounting principles. They are based in large part on cash flow requirements. Items recognized in the Statement of Operations and the Statement of Financial Position are not necessarily the same as those provided through appropriations from Parliament. Note 3 provides information regarding the source and disposition of these authorities and a high-level reconciliation between the two bases of reporting.

(b) Due from the Consolidated Revenue Fund and net cash provided by Government

The Council operates within the Consolidated Revenue Fund (CRF). The CRF is administered by the Receiver General for Canada. All cash received by the Council is deposited to the CRF and all cash disbursements made by the Council are paid from the CRF. Due from the Consolidated Revenue Fund represents the amount of cash that the Council is entitled to draw from the CRF, without further appropriations, in order to discharge its liabilities. Net cash provided by government represents all cash disbursements, net of cash receipts, including

transactions with departments of the federal government. A corresponding amount is credited directly to the net assets.

(c) Revenues

Revenues are accounted for in the period in which the underlying transaction or event occurred that gave rise to the revenues.

(d) Expenses

Expenses are recorded when the underlying transaction or expense occurred subject to the following:

· Grants and scholarships

Grants and scholarships are recognized in the year in which the entitlement of the recipient has been established, when the recipient has met the eligibility criteria, the commitment has been authorized and approved, and the payment is due before the end of the fiscal year.

• Employee severance benefits

The Council provides post-retirement and post-employment benefits to its employees through a severance benefit plan. This benefit plan is not pre-funded and therefore has no assets. The Council calculates a liability and an expense for employee severance benefits using information derived from the results of the actuarially determined liability for employee severance benefits for the Government as a whole. Employee severance benefits on termination of employment represent obligations of the Council that are normally funded through future years' appropriations.

Vacation and compensatory benefits

Vacation and compensatory pay are expensed in the year that the entitlement occurs.

• Contributions to the Public Service Superannuation Plan

Employees participate in the Public Service Superannuation Plan administered by the Government of Canada. Under present legislation, contributions made by the Council to the Plan are 2.14 times the employees' contributions on account of current service. Contributions are recognized in the accounts on a current basis. The Council is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account. Actuarial surpluses or deficiencies are recognized and recorded in the consolidated financial statements of the Government of Canada.

Natural Sciences and Engineering Research Council—Continued

NOTES TO THE FINANCIAL STATEMENTS— Continued

· Services provided without charge by other Government departments and agencies

Services provided without charge by other government departments and agencies are recorded as operating expenditures at their estimated fair value and a corresponding amount is credited directly to the net assets (liabilities).

(e) Refunds of previous years' expenditures and other adjustments

Refunds of previous years' expenditures are deducted from expenditures. These funds are remitted to the Receiver General for Canada.

(f) Foreign currency transactions

Transactions involving foreign currencies are translated into Canadian dollar equivalents using rates of exchange in effect at the time of those transactions. Assets and liabilities denominated in foreign currencies are translated using exchange rates in effect on March 31st.

(g) Accounts receivable

Accounts receivable are stated as amounts expected to be ultimately realized. An allowance is made for doubtful accounts from external parties for any amounts where the recovery is considered uncertain. No such provision is made for amounts owing from other Government departments.

(h) Capital assets

Capital assets with an acquisition cost of \$2,500 or more are capitalized at cost as well as the standard furniture, equipment and desktop personal computer assigned to each employee due to the material number of such items. The capitalization of software and leasehold improvements has been done on a prospective basis from April 1, 2001. Capital assets are amortized over their estimated useful life on a straight-line basis, using a half-year rule in the year of acquisition and disposal, as follows:

Amortization period
3 years
5 years
5 years
7 years
7 years
,
Lesser of
their useful
life or the term
of the lease

(i) Measurement uncertainty

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The allowance for employee severance benefits and the estimated useful lives of capital assets are the most significant items where estimates are used. Actual results could differ from those estimated.

3. Parliamentary appropriations

The operations of the Council are financed through Parliamentary appropriations. These appropriations are recorded as cash provided by Government when used; any unused appropriation balances lapse. Items recognized in the Statement of Operations in one year may be funded through Parliamentary appropriations in a different year. The differences are reconciled below:

Natural Sciences and Engineering Research Council—Continued

NOTES TO THE FINANCIAL STATEMENTS— Continued

(a) Reconciliation of net cost of operations to total Parliamentary appropriations used

	2004	2003
	(in thousands	of dollars)

5. Capital assets

	2004			2003	
Capital asset class	Opening balance	Net additions for the year	Accumulated Amortization	Net book value	Net book value
		(in thou	sands of dollars)		
Informatics	3,027	(422)	(1,617)	988	642
Software	1,694	1,065	(739)	2,020	1,378
Other equipment	233	15	(165)	83	131
Furniture	2,027	139	(1,542)	624	669
Leasehold improvements	851		(291)	560	676
Total	7,832	797	(4,354)	4,275	3,496

Amortization expense for the year ended March 31, 2004 is \$1,353,543 (\$1,011,943 in 2003).

6. Accounts payable and accrued liabilities

	2004	2003
	(in thousands	of dollars)
Other parties	3,477	2,399
Other Government departments	468	476
Total accounts payable and accrued liabilities	3,945	2,875

7. Other liabilities

Other liabilities represent the balance, at year-end, of the specified purpose account which includes earmarked funds held in trust for the North Atlantic Treaty Organization (NATO) and interest generated thereon. These funds must be used for the purposes for which they were received and represent a liability. The transactions related to this specified purpose account are not included in the Council's statement of operations but represent a charge to this account as the Council has simply acted as a facilitator on behalf of NATO. The balance below is included in the Consolidated Revenue Fund in the name of the Council, and appears as Due from the Consolidated Revenue Fund on the Statement of Financial Position. Details of changes in the account are as follows:

	2004	2003
	(in thousands	of dollars)
Balance, beginning of year	924	1,123
Funds received	259	433
Interest received	17	26
Disbursements	(606)	(658)
Balance, end of year	594	924

8. Employee future benefits

Employees of the Council are entitled to specific benefits on or after termination or retirement, as provided for under various collective agreements or conditions of employment.

(a) Pension benefits

The Council's contributions to the Public Service Superannuation Account during the year amounted to \$2,273,395 (\$2,370,896 in 2003).

(b) Severance benefits

The Council provides severance benefits to its employees. This benefit plan is not pre-funded and therefore has no assets, resulting in a plan deficit equal to the employee severance benefits liability. Information about the plan is as follows:

	2004	2003
	(in thousands	of dollars)
Employee severance benefits		
liability, beginning of year	3,015	2,659
Expense for the year	44	424
Benefits paid during the year	(21)	(68)
Employee severance benefits		
liability, end of year	3,038	3,015

9. Related party transactions

The Council is related in terms of common ownership to all other Government of Canada departments, agencies and Crown Corporations. The Council enters into transactions with these entities in the normal course of business and on normal trade terms applicable to all individuals and enterprises.

During the year, the Council received services without charge, which are recorded at fair value in the financial statements as follows:

Natural Sciences and Engineering Research Council—Concluded

NOTES TO THE FINANCIAL STATEMENTS—

	2004	2003
	(in thousands	of dollars)
Accommodations provided by Public		
Works and Government Services Canada	2,796	1,500
Contributions covering the employer's		
share of employees medical and dental		
insurance premiums provided by		
Treasury Board Secretariat	1,405	1,269
Other services provided without charge	107	99
Total services provided without charge	4,308	2,868

10. Grants, scholarships and other expenditures administered and disbursed for Government departments and agencies and organizations outside the Government.

Grants, scholarships and other expenditures administered and disbursed by the Council on behalf of government departments and agencies and organizations outside the government, which are not included in the statement of operations, amounted to \$15,039,519 (\$11,292,017 in 2003). Most of these disbursements are made by the Council from funds entrusted to it by government departments and agencies.

The Council receives administrative fees in some circumstances where a significant administrative burden is incurred by the Council for the administration of certain funds on behalf of other government departments and organizations. These amounted to \$759,205 during the year (\$396,529 in 2003).

11. Commitments

Payments of grants and scholarships extending in future years are subject to the provision of funds by Parliament. Future years awards adjudicated prior to March 31, 2004 are payable as follows:

	(thousands of dollars)
2004-2005	544,993
2005-2006	451,515
2006-2007	262,201
2007-2008	149,325
2008-2009 and subsequent years	93.279

In addition, the nature of the Council's operating activities result in some large multi-year contracts and obligations whereby the Council will be committed to make some future payments when the services or goods are rendered. Major operating commitments that can reasonably be estimated are as follows:

	(thousands of dollars)
2004-2005	373
2005-2006	353
2006-2007	332
2007-2008	324
2008-2009 and subsequent years	1,161

12. Comparative figures

The 2003 comparative figures have been reclassified to conform to the 2004 financial statement presentation.

Parks Canada Agency

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

The accompanying financial statements of the Parks Canada Agency are the responsibility of management and have been approved by the Executive Board of the Agency as recommended by the Audit and Evaluation Committee of the Agency.

These financial statements have been prepared by management in accordance with Canadian generally accepted accounting principles and, where appropriate, they include amounts that have been estimated according to management's best judgement. Where alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances. Management has prepared the financial information presented elsewhere in this annual report and has ensured that it is consistent with that provided in the financial statements.

Management has developed and maintains books of accounts, records, financial and management controls and information systems. They are designed to provide reasonable assurance that the Agency's assets are safeguarded and controlled, that resources are managed economically and efficiently in the attainment of corporate objectives, and that transactions are in accordance with the Financial Administration Act and regulations, the Parks Canada Agency Act, and internal policies of the Agency. Internal audits are conducted to assess the performance of management controls and practices.

The Agency's external auditor, the Auditor General of Canada, has audited the financial statements and has reported on her audit to the Chief Executive Officer of the Agency and to the Minister of Environment.

> Approved by: ALAN LATOURELLE Chief Executive Officer MIKE FAY Chief Administrative Officer

> > September 3, 2004

AUDITOR'S REPORT

TO THE CHIEF EXECUTIVE OFFICER OF PARKS CANADA AGENCY AND TO THE MINISTER OF ENVIRONMENT

I have audited the balance sheet of Parks Canada Agency as at March 31, 2004 and the statements of operations, equity of Canada and cash flows for the year then ended. These financial statements are the responsibility of the Agency's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. Au audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Agency as at March 31, 2004 and the results of its operations and its cash flow for the year then ended in accordance with Canadian generally accepted accounting principles.

> Sheila Fraser, FCA Auditor General of Canada

The accompanying notes are an integral part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS (tables in thousands of dollars)

1. Authority and Objectives

In December 1998, Parks Canada Agency was established under the *Parks Canada Agency Act* as a departmental corporation and, when carrying out its operations, it acts as an agent of Her Majesty of Canada. The Parks Canada Agency is a separate entity listed under Schedule II of the *Financial Administration Act* and reports to the Minister of Environment. The Agency is not subject to the provisions of the *Income Tax Act*.

The Agency's mandate is to protect and present nationally significant examples of Canada's natural and cultural heritage, and foster public understanding, for present and future generations. In carrying out its mandate, the Agency delivers the program set out in the Agency's legislation and authorities.

The authorities for the programs for which Parks Canada is responsible are derived from the *Parks Canada Agency Act*, the *National Parks Act*, the *Historic Sites and Monuments Act*, the *Canada National Marine Conservation Areas Act*, the *Department of Transport Act*, and the *Heritage Railway Stations Protection Act*.

2. Significant Accounting Policies

The Agency's financial statements are prepared in compliance with Canadian generally accepted accounting principles.

a) Parliamentary appropriations:

The Agency is financed mainly by the Government of Canada through Parliamentary appropriations. Appropriations provided to the Agency do not parallel financial reporting according to Canadian generally accepted accounting principles, as they are based in a large part on cash flow requirements. Consequently, items recognized in the Statement of Equity of Canada are not necessarily the same as those provided through appropriations from Parliament. Note 12 provides information regarding the source and disposition of these authorities and a high-level reconciliation between the Net cost of operations and appropriations used.

b) Deferred revenue:

Deferred revenue includes revenues received in advance of the services to be provided and funds received from external parties for specified purposes. Deferred revenue is recognized as revenue when the services are provided.

c) Inventory of consumable supplies:

Consumable supplies are stated at average cost.

d) Property, plant and equipment:

Property, plant and equipment, excluding land, transferred to the Agency as at April 1, 1999, are recorded at their estimated historical cost, less accumulated amortization. The estimated historical cost of the assets was established by deflating the current replacement cost to the year of acquisition or construction using factors based on changes in price indices over time. This approach also took into consideration the overall asset condition and the cost of any improvements and major repair since the original acquisition or construction of the property, plant and equipment.

Property, plant and equipment, excluding land, acquired after April 1, 1999, are recorded at cost. Property, plant and equipment, excluding land, acquired at nominal cost or by donation, are recorded at market value at the time of acquisition and a corresponding amount is credited directly to the Equity of Canada. Improvements that extend the useful life or service potential are recorded at cost.

Amortization is calculated on the straight line method using rates based on the estimated useful life of the assets as follows:

<u>Asset</u>	<u>Useful life</u>
Buildings	25-50 years
Fortifications	50-100 years
Leasehold improvements	2-10 years
Improved grounds	10-40 years
Roads	40 years
Bridges	25-50 years
Canals and marine facilities	25-80 years
Utilities	20-40 years
Vehicles and equipment	3-15 years
Exhibits	5-10 years

Acquired lands are recorded at historical cost. Crown lands acquired as a result of Confederation or the subsequent joining of a province or territory are recorded at a nominal value. Donated lands are recorded at their estimated market value at time of acquisition with a corresponding amount credited directly to the Equity of Canada.

e) Collections and archaeological sites:

Collections and archaeological sites are recorded at nominal value.

NOTES TO THE FINANCIAL STATEMENTS— Continued (tables in thousands of dollars)

f) Employee future benefits:

(i) Severance benefits:

The Agency accrues its obligations and the related costs as the benefits accrue to employees. The Agency's liability for employee severance benefits is calculated using information derived from the results of the actuarially determined liability for employee severance benefits for the Government as a whole. Employee severance benefits liabilities payable on cessation of employment represent obligations of the Agency that are normally funded by future years' appropriations.

(ii) Pension benefits:

The Agency's employees participate in the Public Service Superannuation Plan administered by the Government of Canada. Both, the employees and the Agency contribute to the cost of the Plan. The contributions are recognized in the year incurred. The Agency is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account.

g) Services provided without charge by Government departments:

Services provided without charge by Government departments are recorded as operating expenses by the Agency at their estimated fair value. A corresponding amount is credited directly to the Equity of Canada.

h) Provision for environmental clean-up:

The Agency records a provision for environmental clean-up in situations where the Agency is obligated or is likely to be obligated to incur costs related to the remediation and removal of contaminated material from environmentally contaminated sites, and the cost can be reasonably estimated following a detailed environmental assessment.

i) Measurement uncertainty:

The preparation of financial statements in accordance with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses for the year. Employee-related liabilities, estimated useful lives of property, plant and equipment, environment-related liabilities and contingencies are the most significant items where estimates are used. Actual results could differ from those estimated.

3. Cash Entitlements

The Agency operates within the Consolidated Revenue Fund (CRF). The CRF is administered by the Receiver General for Canada. All cash received by the Agency is deposited to the CRF and all cash disbursements made by the Agency are paid from the CRF.

Included in cash entitlements are the following:

a) General operations account:

Cash Entitlement for general operations represents the amount of cash that the Agency is entitled to draw from the Consolidated Revenue Fund of the Government, without further appropriations. As at March 31, 2004, the balance of the general operations account is \$54.2 million (\$57.6 million in 2003).

b) Specified purpose accounts:

Cash Entitlement for specified purpose accounts represents money received from external organizations which must be used for the purposes for which they are received. As at March 31, 2004, the Agency has a balance of \$0.6 million (\$0.5 million in 2003) for specified purpose accounts.

4. Inventory of consumable supplies

The inventory of consumable supplies as at March 31 consists of the following:

	2004	2003
Top soil, sand, gravel and		
other crude material	1,242	624
Equipment, material and supplies	876	691
Construction material and supplies	790	712
Miscellaneous other supplies	586	639
Fuel and other petroleum products	550	512

Total property, plant and equipment	3,326,027	68,242	3,394,269	1,945,342	1,448,927	1,458,509

⁽¹⁾ Includes all acquisitions, dispositions and write-offs in the year.

The Agency owns over 27 million hectares of land, the majority of which comprise the 41 national parks and national park reserves representing 27 of the 39 natural regions of Canada. During the year, the Agency spent \$0.9 million (\$0.3 million in 2003) on the acquisition of land. The total cost of property, plant and equipment includes \$79.9 million (\$66.3 million in 2003) of construction in progress.

6. Collections and Archaeological Sites

Core to the Agency's mandate to protect and present nationally significant examples of our cultural heritage is the management of collections and archaeological sites. Although not capitalized like other cultural assets such as buildings or fortifications, these treasures have inestimable cultural value.

a) Collections:

The Agency manages collections that are made up of archaeological and historical objects.

The collection of archaeological objects includes specimens and records that represent a cross-section of human habitation and activities. These holdings consist of a range of functional groups of artifacts that represent domestic activities to industrial processes and includes tools, ships' fittings, as well as soil and botanical samples.

The collection of historic objects dates from the 10th century to the present day. They encompass ethnographic material, civilian, military and fur trade items, furniture and furnishings, tools and documents.

In addition, the Agency manages a collection of reproductions including period costumes, tools and furniture that have been copied from original objects or made based on historical data.

b) Archaeological sites:

An archaeological site encompasses surface, subsurface, or submerged remains of human activity. Archaeologists define a site by identifying the different activities that were conducted within an area. There are thousands of archaeological sites identified within Canada's 149 national historic sites, 41 national parks, and 2 marine conservation areas. The types of sites vary greatly, from Aboriginal villages, hunting camps, observation areas, and animal processing areas, to European fur trade and military posts, battlefields, shipwrecks, homesteads, and transportation and industrial sites.

NOTES TO THE FINANCIAL STATEMENTS— Continued (tables in thousands of dollars)

7. Deferred revenue

Included in the deferred revenue total of \$9.0 million (\$6.8 million in 2003) is an amount of \$8.4 million (\$6.3 million in 2003) representing the balance, at year end, for entrance fees, recreational fees, and rentals/concessions fees collected in advance.

The remaining \$0.6 million (\$0.5 million in 2003) of deferred revenue, represents monies received from external organizations which must be used for specified purposes.

8. Employee future benefits

a) Severance benefits:

The Agency uses the actuarially determined government wide ratio for calculating the liability for employee severance benefits. The employee severance benefit liability, including the short-term portion, is determined to be \$44.6 million (\$41.4 million in 2003). The amount expensed to salary and benefits in the period was \$4.9 million (\$6.8 million in 2003).

b) Pension benefits:

Contributions by the Agency to the Public Service Superannuation Plan of \$29.5 million (\$26.3 million in 2003) and by employees of \$12.3 million (\$11.0 million in 2003) are expensed to salary and employee benefits in the period incurred and represent the total cost under the Plan.

9. Contingencies

a) Claims:

In the normal course of business, claims have been made against the Agency totaling approximately \$29.6 million, excluding interest, for alleged damages and other matters. The final outcome of these claims is not presently determinable and, accordingly, these items are not recorded in the accounts. In the opinion of management, the position of the Agency in all of these actions is defensible. These claims will be accounted for in the year in which liability is considered likely and the cost can be reasonably estimated.

b) Provision for environmental clean-up:

The Agency has 327 sites that are known or suspected of contamination. Based on information available and detailed studies conducted thus far on 267 of these sites, the Agency assesses the liability at \$22.3 million (\$21.8 million in 2003) and the contingency for environmental clean-up at \$135.0 million (\$119.5 million in 2003).

The Agency recorded a provision for environmental clean-up in situations where the Agency is likely to be obligated to the remediation and removal of contaminated material from contaminated sites. The provision is determined based on recommendations from engineering reports and based on local experience. The cost of future activities is estimated in current dollars. The final liability may be more than the current amount estimated since the overall remediation costs are unknown.

The contingency reflects the suspected costs or potential additional costs associated with situations where it is uncertain whether the Agency is obligated, or where it is unlikely that the Agency will incur full remediation costs.

c) New Parks and Historic Sites Account:

The Government of Canada includes in its receipts and expenditures the transactions of certain consolidated accounts established for specified purposes. Legislation requires that the receipts of the specified purpose account be earmarked and that the related payments and expenses be charged against such receipts. The transactions do not represent liabilities to third parties but are internally restricted for specified purposes.

Parks Canada Agency—Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded (tables in thousands of dollars)

Funds are provided to the New Parks and Historic Sites Account by parliamentary appropriations, proceeds from the sale of lands and buildings that are surplus to operational requirements and all general donations. Furthermore, the Minister of Finance, may, on the request of the Minister of Environment, authorize the making of advances of up to \$10.0 million to the New Parks and Historic Sites Account. All amounts received remain in this account until eligible expenditures are made for the purpose of establishing or developing new parks or historic sites and heritage areas, in compliance with the terms and conditions set out in the Parks Canada Agency Act and related Treasury Board directives.

Details of activities for the fiscal year ended March 31 are highlighted in the following analysis:

	2004	2003
Available at beginning of year	11,851	13,128
Parliamentary appropriation	7,800	3,908
property, plant and equipment	2,426	661
Donation		401
	10,226	4,970
Expenditures		
Capital expenditures	6,131	4,866
Contributions	617	1,381
	6,748	6,247
Available at end of year	15,329	11,851

13. Related Party Transactions

a) Transactions in the normal course of business:

The Agency is related in terms of common ownership to all Government of Canada departments, agencies, and Crown corporations. The Agency enters into transactions with these entities in the normal course of business and on normal trade terms that would apply to all individuals and enterprises. The Agency entered into transactions with related parties for a total of \$32.0 million (\$27.4 million in 2003) for services provided by Government departments, including an amount of \$23.1 million (\$20.7 million in 2003) with Public Works and Government Services Canada for architectural and engineering services.

b) Services received without charge:

During the year, the Agency received services without charge which are recorded at fair value in the financial statements as follows:

	2004	2003
Contributions covering employer's share of employees' insurance premiums and costs paid by Treasury Board Secretariat	19,022	16,999
Accommodation provided by Public Works and Government Services Canada. Services provided by the Department of Canadian Heritage for information management, information technology,	14,422	13,890
finance, human resource and administrative support	7,510	7,510
provided by Justice Canada Other services provided	2,030	829
without charge	646	475
	43,630	39,703

14. Commitments

a) The Agency has entered into agreements for leases of equipment and operating leases for accommodations for a total of \$11.7 million (\$13.4 million in 2003). The agreements show different termination dates, with the latest ending in 2021. Minimum annual payments under these agreements for the next five years are approximately as follows:

2004-2005	1,389
2005-2006	1,063
2006-2007	963
2007-2008	853
2008-2009	7,432

b) The Agency has entered into contracts for operating and capital expenditures for approximately \$19.6 million (\$19.2 million in 2003). Payments under these contracts are expected to be made over the next three years.

Social Sciences and Humanities Research Council

MANAGEMENT RESPONSIBILITY FOR FINANCIAL STATEMENTS

Responsibility for the integrity and objectivity of the accompanying financial statements of the Social Sciences and Humanities Research Council of Canada for the year ended March 31, 2004 and all information contained in this report rests with the management of the Council.

We have prepared these financial statements in accordance with Treasury Board of Canada accounting standards which are based upon Canadian generally accepted accounting principles, using management's best estimates and judgements where appropriate. These statements should be read within the context of the significant accounting policies set out in Note 2 of the financial statements.

To fulfil these accounting and reporting responsibilities, the Council maintains a set of accounts which provides a centralized record of the Council's financial transactions. Financial information contained in the ministerial statements and elsewhere in the *Public Accounts of Canada* is consistent with these financial statements.

The Council's Common Administrative Services Directorate develops and disseminates financial management and accounting policies, and issues specific directives which maintain standards of accounting and financial management. The Council maintains systems of financial management and internal control which gives due consideration to costs,

benefits and risks. They are designed to provide reasonable assurance that transactions are properly authorized by Parliament and are executed in accordance with the Financial Administration Act and the prescribed regulations, and are properly recorded and controlled so as to maintain accountability of Government funds and safeguard the Council's assets. Financial management and internal control systems are augmented by the maintenance of internal audit programs. The Council also seeks to assure the objectivity and integrity of data in its financial statements by the careful selection, training and development of qualified staff, by organizational arrangements that provide appropriate divisions of responsibility, and by communication programs aimed at ensuring that its regulations, policies, standards and managerial authorities are understood throughout the organization.

The accounting system and financial statements of the Council have evolved over the years to meet the changes in the structure of the grants and scholarships programs and to give improved reporting and control of expenditures relating to those programs.

Management presents these financial statements to the Auditor General of Canada who audits them and provides an independent opinion, which has been appended to the financial statements.

Approved by:

GERMAIN TREMBLAY
Director of Finance
(Senior Full-Time Financial Officer)

MICHEL CAVALLIN Director General Common Administrative Services Directorate (Senior Financial Officer)

Social Sciences and Humanities Research **Council**—Continued

AUDITOR'S REPORT

TO THE SOCIAL SCIENCES AND HUMANITIES RESEARCH COUNCIL AND THE MINISTER OF INDUSTRY

I have audited the statement of financial position of the Social Sciences and Humanities Research Council as at March 31, 2004 and the statements of operations, net liabilities and cash flows for the year then ended. These financial statements are the responsibility of the Council's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes

assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these financial statements present fairly, in all material respects, the financial position of the Council as at March 31, 2004 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

> Nancy Cheng, FCA Assistant Auditor General for the Auditor General of Canada

Social Sciences and Humanities Research Council—Continued

NOTES TO THE FINANCIAL STATEMENTS

1. Authority and objective

The Social Sciences and Humanities Research Council (SSHRC) was established in 1977 by the *Social Sciences and Humanities Research Council Act*, and is a departmental corporation named in Schedule II to the *Financial Administration Act*. The objective of the Council is to promote and assist research and scholarships in the social sciences and humanities.

The Council's funding programs provide support through grants, scholarships and fellowships for basic research (by individual researchers and research teams), targeted research (by multidisciplinary teams and research networks), advanced research training (at the doctoral and postdoctoral level) and research communication.

The Council's grants, scholarships, and operating expenditures are funded by budgetary lapsing authorities. Employee benefits are funded by statutory authorities.

2. Summary of significant accounting policies

These financial statements have been prepared on an accrual basis of accounting in accordance with Treasury Board of Canada accounting standards. These standards are based upon Canadian generally accepted accounting principles. The most significant accounting policies are as follows:

(a) Parliamentary appropriations

The Government of Canada finances the Council through Parliamentary appropriations. Appropriations provided to the Council do not parallel financial reporting according to generally accepted accounting principles. They are based in large part on cash flow requirements. Items recognized in the Statement of Operations and the Statement of Financial Position are not necessarily the same as those provided through appropriations from Parliament. Note 3 provides information regarding the source and disposition of these authorities and a high-level reconciliation between the two bases of reporting.

(b) Due from the Consolidated Revenue Fund and net cash provided by Government

The Council operates within the Consolidated Revenue Fund (CRF). The CRF is administered by the Receiver General for Canada. All cash received by the Council is deposited to the CRF and all cash disbursements made by the Council are paid from the CRF. Due from the Consolidated Revenue Fund represents the amount of cash that the Council is entitled to draw from the CRF, without further appropriations, in order to discharge its liabilities. Net cash provided by Government represents all cash disbursements, net of cash receipts, including transactions with departments of the federal Government. A corresponding amount is credited directly to the net liabilities.

(c) Revenues

Revenues are accounted for in the period in which the underlying transaction or event occurred that gave rise to the revenues. Funds that have been received from external parties for specified purposes are disclosed as deferred revenue. Deferred revenue is recognized as operational revenue when the specified purpose has occurred.

(d) Expenses

Expenses are recorded when the underlying transaction or expense occurred subject to the following:

· Grants and scholarships

Grants and scholarships are recognized in the year in which the entitlement of the recipient has been established, when the recipient has met the eligibility criteria, the commitment has been approved and the payment is due before the end of the fiscal year.

• Employee severance benefits

The Council provides post-retirement and post-employment benefits to its employees through a severance benefit plan. This benefit plan is not pre-funded and therefore has no assets. The Council calculates a liability and an expense for employee severance benefits using information derived from the results of the actuarially determined liability for employee severance benefits for the Government as a whole. Employee severance benefits on termination of employment represent obligations of the Council that are normally funded through future years' appropriations.

Social Sciences and Humanities Research Council—Continued

NOTES TO THE FINANCIAL STATEMENTS— Continued

• Vacation and compensatory benefits

Vacation and compensatory pay are expensed in the year that the entitlement occurs.

• Contributions to the Public Service Superannuation Plan

Employees participate in the Public Service Superannuation Plan administered by the Government of Canada. Under present legislation, contributions made by the Council to the Plan are 2.14 times the employees' contributions on account of current service. Contributions to the Public Service Superannuation Plan are recognized in the accounts on a current basis. The Council is not required under present legislation to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account. Actuarial surpluses or deficiencies are recognized and recorded in the consolidated financial statements of the Government of Canada.

Services provided without charge by other Government departments and agencies

Services provided without charge by other Government departments and agencies are recorded as operating expenditures at their estimated fair value and a corresponding amount is credited directly to the net liabilities.

(e) Refunds of previous years' expenditures and other adjustments

Refunds of previous years' expenditures are deducted from expenditures. These funds are remitted to the Receiver General for Canada.

(f) Foreign currency transactions

Transactions involving foreign currencies are translated into Canadian dollar equivalents using rates of exchange in effect at the time of those transactions. Assets and liabilities denominated in foreign currencies are translated using exchange rates in effect on March 31st.

(g) Accounts receivable

Accounts receivable are stated as amounts expected to be ultimately realized. An allowance is made for doubtful accounts from external parties for any amounts where the recovery is considered uncertain. No such provision is made for amounts owing from other Government departments.

(h) Capital assets

Capital assets with an acquisition cost of \$2,500 or more are capitalized at cost as well as the standard furniture, equipment and desktop personal computer assigned to each employee due to the material number of such items. The capitalization of software and leasehold improvements has been done on a prospective basis from April 1, 2001. Capital assets are amortized over their estimated useful life on a straight-line basis, using a half-year rule in the year of acquisition and disposal, as follows:

Capital asset class	Amortization period
Informatics equipment including	g
standard software issued on desktop computers	3 years
Purchased network software an	-
in-house developed software	5 years
Other equipment	5 years
Furniture	7 years
Motor vehicles	7 years
Items acquired under	•
capital leases and	Lesser of their useful
leasehold improvements	life or the term
•	of the lease

(i) Measurement uncertainty

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses reported in the financial statements. At the time of preparation of these statements, management believes the estimates and assumptions to be reasonable. The allowance for employee severance benefits and the estimated useful lives of capital assets are the most significant items where estimates are used. Actual results could differ from those estimated.

3. Parliamentary appropriations

The operations of the Council are financed through Parliamentary appropriations. These appropriations are recorded as cash provided by Government when used; any unused appropriation balances lapse. Items recognized in the Statement of Operations in one year may be funded through Parliamentary appropriations in a different year. The differences are reconciled below:

Amortization expense for the period ended March 31, 2004 is \$552,216 (\$502,833 in 2003).

6. Accounts payable and accrued liabilities

	2004	2003
	(in thousands	of dollars)
Outside parties	2,176	892
Other Government departments	1,252	1,046
Total accounts payable and accrued liabilities	3,428	1,938

7. Deferred revenue

Deferred revenue represents the balance, at year-end, of the specified purpose accounts which includes transactions related to the Queen's Fellowship Endowment Fund as well as earmarked funds received in the form of private donations and interest generated thereon. These funds must be used for the purposes for which they were received.

(a) Queen's Fellowship Endowment Fund

The Queen's Fellowship Endowment Fund consists of a \$250,000 endowment which has been deposited in the Consolidated Revenue Fund and is internally restricted for specific purposes in the net liabilities (see Note 9). The interest generated on the endowment is used to fund scholarships to graduate students in certain fields of Canadian studies. The balance below is included in the Consolidated Revenue Fund in the name of the Council and appears as Due from the Consolidated Revenue fund on the Statement of Financial Position. Details of the transactions related to the endowment are as follows:

	2004	2003
	(in thousands	of dollars)
Balance, beginning of year	52	45
Interest received	8	7
Balance, end of year	60	52

Social Sciences and Humanities Research Council—Continued

NOTES TO THE FINANCIAL STATEMENTS— Continued

(b) Restricted gifts, donations and bequests

Deferred revenue also includes transactions for the receipt, interest generated thereon and disbursements related to private restricted gifts, donations and bequests received for the specified purpose of special projects in the field of social sciences and humanities research activities. The balance below is included deposits in the Consolidated Revenue Fund in the name of the Council and appears as Due from the Consolidated Revenue Fund in the Statement of Financial Position. Details of the operations related to the restricted gifts, donations and bequests are as follows:

	2004	2003
	(in thousands	of dollars)
Balance, beginning of year	406	398
Restricted donations received	2	12
Interest received	6	6
Fellowships paid	(10)	(10)
Balance, end of year	404	406

8. Employee future benefits

Employees of the Council are entitled to specific benefits on or after termination or retirement, as provided for under various collective agreements or conditions of employment.

(a) Pension benefits

The Council's contributions to the Public Service Superannuation Account during the year amounted to \$1,359,465 (\$1,408,545 in 2003).

(b) Severance benefits

The Council provides severance benefits to its employees. This benefit plan is not pre-funded and thus has no assets, resulting in a plan deficit equal to the allowance for employee severance benefits. Information about the plan is as follows:

	2004	2003
	(in thousands	of dollars)
Liability for employee severance benefits,		
beginning of year	1,663	1,503
Expense for the year	226	170
Benefits paid during the year	(148)	(10)
Liability for employee severance		
benefits, end of year	1,741	1,663

9. Net liabilities

The Government of Canada includes in its revenues and expenses, the transactions of certain consolidated accounts established for specified purposes. The Queen's Fellowship Endowment Fund is a consolidated specified purpose account which consists of an endowment of \$250,000. The transactions generated from the endowment are included in deferred revenue (see Note 7a). The endowment itself does not represent a liability to third parties but is internally restricted for specified purposes. The details of the net liabilities are as follows:

	2004	2003 ⁽¹⁾
	(in thousands	of dollars)
Consolidated specified purpose account		
balance—endowment fund	250	250
Net liabilities excluding endowment fund	(1,119)	(1,090)
Net liabilities	(869)	(840)

⁽¹⁾ Amends previous year's figures.

10. Related party transactions

The Council is related in terms of common ownership to all other Government of Canada departments, agencies and Crown Corporations. The Council enters into transactions with these entities in the normal course of business and on normal trade terms applicable to all individuals and enterprises.

During the year, the Council received services without charge, which are recorded at fair value in the financial statements as follows:

	2004	2003
	(in thousands	of dollars)
Accommodations provided by Public Works and Government Services Canada	1,659	1,170
Contributions covering the employer's share of employees medical and dental insurance premiums		
provided by Treasury Board Secretariat	814	766
Other services		
provided without charge	84	68
Total services provided without charge	2,557	2,004

Social Sciences and Humanities Research Council—Concluded

NOTES TO THE FINANCIAL STATEMENTS— Concluded

11. Grants, scholarships and other expenditures administered and disbursed for Government departments and agencies and organizations outside the Government

Grants, scholarships and other expenditures administered and disbursed by the Council on behalf of Government departments and agencies and organizations outside the Government, which are not included in the statement of operations, amounted to \$116,149,245 (\$110,475,000 in 2003). Most of these disbursements are made by the Council from funds entrusted to it by Government departments and agencies.

The Council receives administrative fees in some circumstances where a significant administrative burden is incurred by the Council for the administration of certain funds on behalf of other Government departments and organizations. These amounted to \$404,923 during the year (\$242,829 in 2003).

12. Contingencies

In the normal course of its operations, the Council becomes involved in various legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur or fail to occur, and a reasonable estimate of the amount can be made, this estimated amount is recorded in the financial statements. In 2001, the Council was served with a statement of claim arising from Employment Equity. The potential liability of the Council and consequent damages arising from such a liability are estimated by management at \$1,920,000. The Council cannot assess the outcome of this complaint on its operations. The effect, if any, of the ultimate resolution of this matter will be accounted for in the year when known.

13. Commitments

Payments of grants and scholarships extending in future years are subject to the provision of funds by Parliament. Future years awards adjudicated prior to March 31, 2004 are payable as follows:

	(in thousands of dollars)
2004-2005	360,868
2005-2006	158,761
2006-2007	99,476
2007-2008	41,616
2008-2009 and subsequent years	21,526

In addition, the nature of the Council's operating activities result in some large multi-year contracts and obligations whereby the Council will be committed to make some future payments when the services or goods are rendered. Major operating commitments that can reasonably be estimated are as follows:

(in thousands o	of dollars)
-----------------	-------------

2004-2005	23
2005-2006	13
2006-2007	5

14. Indirect costs of research program

In 2003-2004, the Council was mandated to administer a program for indirect costs of research on behalf of the federal granting agencies (Canadian Institutes of Health Research, Natural Sciences and Engineering Research Council, and the Social Sciences and Humanities Research Council). The program awards annual grants to Canadian community colleges, universities and their affiliated research hospitals and institutions, whose researchers receive funding from at least one of the three federal granting agencies. The purpose of the grants is to defray a portion of the indirect costs associated with federal investments in academic research.

Debts, obligations and claims written off or forgiven

The types of approval/authority for the write-off or forgiveness (including waivers and remissions) of debts, obligations and claims are as follows:

- (i) Ministerial approval represents authority given to Ministers under the *Financial Administration Act* (FAA) or other Acts of Parliament as described in (i)(a), (b) and (c)—
 - (a) Section 25(1) of the FAA gives Ministers, through Treasury Board regulations, general authority to approve the write-off of any debt, obligation or claim other than accountable advances or overpayments of salaries, wages, or employment-related allowances that would not result in a charge to an appropriation.
 - (b) Section 155.1(4) of the FAA gives Ministers, through Treasury Board regulations, authority to waive interest on overdue amounts owing to Her Majesty and to waive administrative charges for dishonoured instruments (e.g. NSF cheques) imposed under section 155.1 of the FAA.
 - (c) Other Acts of Parliament (e.g. Bankruptcy and Insolvency Act) give Ministers general authority to approve the write-off or forgiveness of specific debts, obligations or claims.
- The following codes are used:

Code

- A Write-off
 B Forgiveness
 C Remission
- D Waivers

- (ii) Treasury Board approval— Section 25(1) of the FAA, through Treasury Board regulations, allows a Minister, with specific Treasury Board approval, to write-off any debt, obligation or claim arising from accountable advances or overpayments of salaries, wages or employment-related allowances that would not result in a charge to an appropriation.
- (iii) Governor in Council and Parliamentary authority—
 - (a) Section 23(2.1) of the FAA states that the Governor in Council may, on the recommendation of the Treasury Board, remit any other debt, including any interest paid or payable thereon, where the Governor in Council considers that the collection of the other debt is unreasonable or unjust or that it is otherwise in the public interest to remit the other debt.
 - (b) Section 24.1 of the FAA requires that where a debt or obligation included in the Statement of Financial Position is to be forgiven, and which would result in a charge to an appropriation, the amount to be forgiven must be authorized pursuant to an Act of Parliament, including an Appropriation Act.
 - (c) Section 25(2) of the FAA requires that where a debt, obligation or claim included in the Statement of Financial Position is to be written off, and which would result in a charge to an appropriation, the amount to be written off must be authorized by Parliament as a budgetary expenditure in an Appropriation Act or some other Act.

Order in Council remissions of other debts as defined in section 23(2.1) of the FAA. Additional details regarding remissions of taxes, fees, penalties and other debts are provided beginning on page 3.3 of this section.

See introduction above.

Vote L103b, Appropriation Act No. 1, 1969 authorizes the Minister, in the current and subsequent years, to forgive the repayment of a loan or any part thereof made to parolees for assistance in their rehabilitation.

Forgiveness related to the Fairness Package that emanates from the identified statutes.

Accountable advances

Information on accountable advances is required by section 38(3) of the *Financial Administration Act*.

2003-2004

PUBLIC ACCOUNTS OF CANADA

Professional and Special Services

CONTENTS

	Page
Professional and special services	4.2

PROFESSIONAL AND SPECIAL SERVICES

The following statement presents the total amount spent in the current fiscal year for each main classification of services allocated by department and agency under each ministry. Amounts reported include both internal and external expenditures. Whereas external expenditures result from

transactions between the Government and outside parties, internal expenditures result from transactions involving organizations that are part of the Government of Canada as a reporting entity.

Certain information not published in the *Public Accounts* of Canada is available on the web in a PDF (Acrobat) format, at the following URL address: http://www.pwgsc.gc.ca/recgen/text/pub-acc-e.html. This information includes for each Government program:

- the total amount spent in the current fiscal year;
- the total amount spent for each main classification of services; and,
- a detailed listing, for each main classification of services, of the payments (i.e. cash payments and accrued charges) to one individual or one organization aggregating to \$100,000 or over. This detail includes the name and location of the payee, together with the total amount paid.

PUBLIC ACCOUNTS OF CANADA

Acquisition of Land, Buildings and Works

CONTENTS

	Page
Acquisition of land, buildings and works	5.2

ACQUISITION OF LAND, BUILDINGS AND WORKS

The following statement presents the total amount spent in the current fiscal year by department and agency under each ministry. Amounts reported include both internal and external expenditures. Whereas external expenditures result from transactions between the Government and outside parties, internal expenditures result from transactions involving organizations that are part of the Government of Canada as a reporting entity.

Certain information not published in the Public Accounts of Canada is available on the web in a PDF (Acrobat) format at

the following URL address: http://www.pwgsc.gc.ca/recgen/text/pub-acc-e.html. This information includes for each Government program:

- the total amount spent in the current fiscal year; and,
- details for contracts of \$250,000 or over (\$25,000 or over for cost plus contracts). Such details include the name and location of the contractor, a brief description and location of the project, the amount contracted, the current year's expenditures (i.e. cash payments and accrued charges) and the total expenditures to date.

PUBLIC ACCOUNTS OF CANADA

Transfer Payments

CONTENTS

	Page
Transfer payments	7.2

TRANSFER PAYMENTS

The following statement presents the total amount spent as transfer payments in the current fiscal year by department and agency under each ministry. A transfer payment is a grant, contribution or other payment made by the Government for which no goods or services are received. Amounts reported include both internal and external expenditures. Whereas external expenditures result from transactions between the Government and outside parties, internal expenditures result

from transactions involving organizations that are part of the Government of Canada as a reporting entity.

Certain information not published in the *Public Accounts of Canada* is available on the web in a PDF (Acrobat) format at the following URL address: http://www.pwgsc.gc.ca/text/pubacc-e.html. This information includes for each Government program:

PUBLIC DEBT CHARGES

Public debt charges include:

- the interest on unmatured debt and on pension and other accounts;
- the amortization of premiums, discounts and commissions on unmatured debt; and,

- the servicing costs and costs of issuing new borrowings.

The following statement presents details of current year's public debt charges.

⁽¹⁾ Term to maturity is 20 years, or such lesser period as may from time to time be fixed by the Minister of Finance on recommendations of the Chief Actuary of the Office of the Superintendent of Financial Institutions, redeemable in whole or in part before maturity only at the option of the Minister of Finance.

⁽²⁾ Interest is distributed to the provinces of Ontario and Quebec on the basis of population.

⁽³⁾ Additional information on Deferred revenue specified purpose accounts is provided in Section 5 of Volume I.

⁽⁴⁾ No amount of principal is shown since the closing balance of this liability account is reported with the Foreign Exchange Accounts in Section 8 of Volume I.

EX GRATIA PAYMENTS

This statement provides, by ministry and program, details for all ex gratia payments of \$100 or over. Payments of less than \$100 are reported as one amount at the end of each program, together with the total number of such payments. For

the purposes of this statement, an ex gratia payment is a discretionary payment, made as an act of benevolence in the public interest, free of any legal obligation, whether or not any value or service has been received.

FEDERAL-PROVINCIAL SHARED-COST PROGRAMS

This statement presents, by province and territory, and for each federal-provincial shared-cost program, the current year and previous year expenditures and the expenditures from inception of the program. Programs are reported year after year until completion, and this even if there is no expenditure in a given year. An (f) adjacent to the total expenditures from inception indicates the programs

completed in the current year. An (a) adjacent to the total expenditures from inception indicates that the previous year's *Public Accounts of Canada* have been amended. In this statement, amounts in roman type represent current year expenditures, amounts in **bold face** type represent previous year expenditures and amounts in *italic* type represent expenditures from inception.

PRIVY COUNCIL					
Department					
Indian Specific Claims Commission This Commission was established by Order in Council	420,175	254,349	2,909,918	1,944,416	5,528,858
(PC 1991-1329 dated July 15, 1991) pursuant to Part I of the <i>Inquiries Act</i> . The Commission conducts impartial inquiries when a First Nation disputes rejection of their specific claim by the Minister of Indian Affairs and Northern Development, or when a First Nation disagrees with the compensation criteria used by the Government in negotiating the settlement of their claim.					
Commission of Inquiry into the Sponsorship Program and Advertising Activities			5,588	478,176	483,764
This Commission was established by Order in Council (PC 2004-110 dated February 19, 2004) pursuant to Part I of the <i>Inquiries Act</i> . The Commission was to investigate and report on questions raised, directly or indirectly, by Chapters 3 and 4 to the November 2003 Report of the Auditor General to the House of Commons with regard to the sponsorship program and advertising activities of the Government of Canada. The Commission was also to make any recommendations to prevent mismanagement of sponsorship programs or advertising activities in the future, taking into account the initiatives announced by the Government of Canada on February 10, 2004.					
Commission of Inquiry into the Actions of Canadian Officials in Relation to Maher Arar			39,439	460,061	499,500

This Commission was established by Order in Council (PC 2004-48 dated February 5, 2004) pursuant to Part I of the *Inquiries Act*. The Commission was to investigate and report on the actions of Canadian officials in relation to Maher Arar. The Commission was also to make any recommendations on an independent, arm's length review mechanism for the activities of the Royal Canadian Mounted Police with respect to national security.

Chief Electoral Officer					
Federal Electoral Boundaries Commissions	135,963	37,138	927,113	495,160	1,595,374
These independent Commissions, one per province, were established by Order in Council (PC 2002-447 dated April 16, 2002) pursuant to the <i>Electoral Boundaries Readjustment Act</i> . The Commissions mandate is to consider and report on the readjustment of the representation of the provinces in the House of Commons required to be made on the completion of each decennial census. The term of each commission is dependent on the date of completion of its final report.					

^{*} For details related to current year expenditures, see following statement called—"Travel and living expenses by commission".

Travel and living expenses by commission

The following statement presents the total travel and living expenses paid to each commission's member.

Education costs

This statement provides details of education costs incurred in the current year. For the purpose of this statement, an education cost represents the cost of any long-term education activity. A long-term education activity is any training or development activity given to a Government employee and conducted at an educational institution outside of the Public Service that amounted or will amount to a total of 65 working days or more over a maximum period of three (3) years, or that involved or will involve total expenditures in excess of \$25,000 (including salary).

Return on investments

This statement provides details for the current year of the category of other revenues called return on investments. Return on investments consists mainly of interest from loans and advances, dividends from investments, and transfer of profits, as recorded by departments before any adjustments are made. For the purposes of presentation in the financial

statements, amounts shown here for foreign exchange accounts and enterprise Crown corporations have been respectively reclassified to foreign exchange revenues and Crown corporation revenues in Sections 2 and 3 of Volume I and Table 4a of Volume II.

Travel expenses of ministers and parliamentary secretaries

This statement provides details of the travel expenses of ministers and parliamentary secretaries incurred in the current year while on official departmental business. For the purpose of this statement, travel expenses include transportation, accommodation, meals and other expenses. The following items are excluded from this statement:

- travel expenses of ministers' staff, or of other persons travelling with ministers and parliamentary secretaries;
- hospitality costs extended on behalf of the Government where it is considered to be essential, as a matter of courtesy, or to facilitate the conduct of Government business;
- travel expenses of Members of the House of Commons serving on various parliamentary committees;
- any moving, transportation and travel expenses paid for by the House of Commons on behalf of its Members. These expenses are reported in a separate statement in Section 12 of this volume entitled "House of Commons—Statement of sessional allowances and travel expenses paid in 2003-2004";
- any Department of National Defence charges for the use of Government aircraft; and
- any travel expenses of Members of the House of Commons for Canadian representation at international conferences and meetings. These expenses are reported in a separate statement in Section 12 of this volume entitled "Foreign Affairs and International Trade—Travel expenses for Canadian representation at international conferences and meetings".

	59,623,733	14,046,570	73,670,303
Net expenditures ⁽⁴⁾	36,400,365	10,887,062	47.287.427 ⁽⁴⁾

⁽¹⁾ These payments and expenses are charged to a statutory spending authority called "Payments of compensation respecting Government employees (Government Employees Compensation Act) and merchant seamen (Merchant Seamen Compensation Act)" (see Ministry Summary, section 12 of Volume II).

(2) Includes the net payments of compensation respecting:

 ⁽a) Government employees (Government Employees Compensation Act);
 (b) merchant seamen (Merchant Seamen Compensation Act); and,
 (c) employees of mines now operated by Cape Breton Development Corporation who contracted silicosis prior to acquisition of mines by the Corporation.
 (3) Represents the federal government's net share of administration expenses of provincial boards.
 The claims of federal employees eligible for compensation are dealt with and paid by the provincial workers' compensation boards from funds advanced by the federal government.
 Claims of employees resident in the Yukon and Northwest Territories and Nunavut are processed by the Workers' Compensation Board of Alberta.
 (4) Net expenditures agree with Authority "A326" which is defined as Payments of compensation respecting Government employees and merchant seamen.

⁽¹⁾ Bill C-28, assented to on June 14, 2001, amended the allowances and salaries paid to Members of Parliament retroactive to January 1, 2001. The provisions that applied before the adoption of Bill C-28 continue to apply to any Member who failed to make an election to subscribe to the new positions.

⁽²⁾ This column excludes:

<sup>the travel expenses of ministers and parliamentary secretaries while on official departmental business. These expenses are reported in a separate statement in Section 12 of this volume entitled "Travel expenses of ministers and parliamentary secretaries";
the travel expenses of Members serving on various parliamentary committees;
any Department of National Defence charges for the use of Government aircraft; and
any travel expenses of Members for Canadian representation at international conferences and meetings. These expenses are reported in a separate statement in this</sup>

section entitled "Foreign Affairs and International Trade - Travel expenses for Canadian representation at international conferences and meetings".

⁽³⁾ Removal and other expenses.
